

**NORTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT  
AGENDA OF REGULAR MEETING OF THE BOARD OF TRUSTEES**

**MEETING:** Only Regular Meeting in January 2016  
**DATE:** Tuesday, January 26, 2016, at 5:30 p.m.  
**PLACE:** Anaheim Campus Board Room  
 1830 W. Romneya Drive, Anaheim, CA 92801

Welcome to this meeting of the North Orange County Community College District Board of Trustees. If you wish to address the Board, please complete a yellow card entitled "Request to Address Board of Trustees" and submit it to the Board's Recording Secretary. These cards are available at the podium outside the Board Room.

Members of the public may address the Board regarding items on the agenda as these items are taken up by the Board, according to rules of the Board. Members of the public wishing to address matters not on the agenda will be invited to do so under "Comments: Members of the Audience" at the beginning of the meeting. The Board reserves the right to change the order of the agenda items as the need arises.

**AGENDA:**

1. a. **Pledge of Allegiance to the Flag**
- b. **Board of Trustees Roll Call**
- c. **Comments: Members of the Audience:** Members of the public may address the Board regarding items on the Agenda as such items are taken up, subject to regulations of the Board. All Board meetings, excluding closed sessions, shall be electronically recorded.
- d. **Consider Non-Personnel block-vote items indicated by [ ] in Sections 4 and 5**
- e. **Consider Personnel block-vote items indicated by [ ] in Section 6**  
 Agenda items designated as block-vote items with [ ] are considered by the Board of Trustees to either be routine or sufficiently supported by back-up information so that additional discussion is not required. Therefore, there will be no separate discussion on these items before the Board votes on them. Block vote items will be enacted by one motion.

An exception to this procedure may occur if a Board member requests a specific item be removed from block-vote consideration for separate discussion and a separate vote. Members of the public completing a card entitled, "Request to Address Board of Trustees" on an item removed from block-vote consideration will be heard prior to the Board's vote on that item.

Public records related to the public session agenda, and are distributed to the Board of Trustees less than 72 hours before a regular meeting, may be inspected by the public at the Chancellor's Office, 1830 W. Romneya Drive, Anaheim, CA 92801, during regular business hours (8:00 a.m. to 5:00 p.m.).

**TO:** BOARD OF TRUSTEES

**DATE:** January 26, 2016

**SUBJECT:** Public Hearing for Award of the Cypress College Central Plant and Thermal Energy Storage Project Agreement Pursuant to California Government Code Section 4217

Action	X
Resolution	_____
Information	_____
Enclosure(s)	_____

**BACKGROUND:** On November 24, 2015, an informational item was submitted to the Board regarding the RFP process under Government Code 4217 for Thermal Energy Storage/Chiller Plant Project. On December 23, 2015, the District issued RFP #2016-01, Cypress College Central Plant & Thermal Energy Storage Project. Responses were evaluated by campus and District management staff. Results of the evaluation are summarized in the table below:

Plumbing, Piping & Construction, Inc.	\$8,372,000
ACCO Engineered Systems	\$8,649,000
Xcel Mechanical Systems, Inc.	\$8,693,854 * (Non Responsive)
Southland Industries	\$11,649,549

This Public Hearing is being held for the purpose of taking public comment for the RFP #2016-01, Cypress College Central Plant & Thermal Energy Storage Project Agreement with Plumbing, Piping & Construction, Inc. in the amount of \$8,372,000 in accordance with California Government Code Sections 4217.10 through 4217.18. The cost of the project is anticipated to be less than the anticipated cost of thermal, electrical, or other energy that would have otherwise been consumed by the District. This agenda item was submitted by Jenney Ho, District Director, Purchasing.

**How does this relate to the five District Strategic Directions?** This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

**How does this relate to Board Policy:** Not applicable.

**FUNDING SOURCE AND FINANCIAL IMPACT:** Funds will come from Scheduled Maintenance, Prop. 39 and Utility Incentives.

**RECOMMENDATION:** It is recommended that the Board of Trustees conduct a public hearing to provide the public an opportunity to comment on a proposed energy conservation service contract with Plumbing, Piping & Construction, Inc. in the amount of \$8,372,000 for the RFP #2016-01, Cypress College Central Plant & Thermal Energy Storage Project.

**DATE:** January 26, 2016

**SUBJECT:** 2016-17 Nonresident Tuition Fee

Action	X
Resolution	
Information	
Enclosure(s)	

**BACKGROUND:** Education Code §76140 requires the Board of Trustees to establish the tuition fee for nonresidents no later than February 1 for the succeeding fiscal year. The nonresident tuition fee is based on the expense of education adjusted by a projected inflation factor of 4.1%, as provided by the Department of Finance.

Using District expenditures for credit classes and applying the allowed two-year inflation factor of 4.1% results in a calculated rate of \$182 per unit. Ed Code provides several options for the District to choose in setting its nonresident tuition fee:

1.	The statewide average cost, based on the statewide average expense of education per FTES	\$211
2.	The District's computed cost, based on our expense of education excluding cost of credit classes	\$182
3.	No more than a contiguous district's proposed rate	See Table
4.	The highest statewide average rate, based on the succeeding year, current year, or any of the four prior years	\$211
5.	No more than 2013-14 average rate of public community colleges, based on 12 or more states with cost of living comparable to California	\$397

Additionally, the District is authorized under Education Code §76141, amended by Assembly Bill No. 947 which was approved on October 11, 2009, to charge any nonresident student a capital outlay fee not to exceed the amount that was expended by the District for capital outlay in the preceding fiscal year. Any fee charged for capital outlay cannot exceed 50% of the current nonresident tuition fee established by the District and the funds must be expended for capital outlay purposes. The calculated rate or maximum rate for capital outlay purposes is \$12 per unit.

Any student who can demonstrate economic hardship or who is a victim of persecution or discrimination in the country in which the student is a citizen and resident is exempt from the capital outlay fee. To qualify under the economic hardship waiver, a student must demonstrate a "hardship" that encompasses the financial circumstances of a person who is a recipient of benefits under the Assistance for Needy Families Program, the Supplemental Income/State Supplementary Program, or a general assistance program.

The following table lists the proposed nonresident tuition rates that are being recommended by fiscal offices for districts contiguous to the North Orange County Community College District (NOCCCD). These rates are subject to Board approval and may differ from the actual rates established.

<i>District</i>	<i>2016-2017 Proposed Nonresident Tuition Rate</i>	<i>Capital Outlay</i>	<i>Total Combined Rate</i>
Cerritos	\$211	\$48	\$259
Chaffey	\$211	\$12	\$223
Coast	\$211	\$45	\$256
Long Beach	\$211	\$48	\$259
Mt. San Antonio	\$211	\$30	\$241
Rancho Santiago	\$224	\$31	\$255
South Orange	\$211	\$65	\$276

The following table compares the proposed rates for 2016-17 with the per-unit nonresident tuition fees that have been charged by the NOCCCD for the last five years:

<i>Year</i>	<i>Nonresident Tuition Rate</i>	<i>Capital Outlay</i>	<i>Combined Rate</i>
2016-17 (Proposed)	\$211	\$12	\$223
2015-16	\$200	\$9	\$209
2014-15	\$193	\$19	\$212
2012-13	\$190	\$19	\$209
2011-12	\$179	\$23	\$202
2010-11	\$183	\$25	\$208

This agenda item was prepared and submitted by Rodrigo Garcia, District Director, Fiscal Affairs.

**How does this relate to the five District Strategic Directions?** This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

**How does this relate to Board Policy:** This agenda item is submitted in accordance with Board Policy 5020, Nonresident Tuition.

**FUNDING SOURCE AND FINANCIAL IMPACT:** Nonresident tuition fees will be recorded in the General Fund with the additional capital outlay portion recorded in the Capital Outlay Fund to be used for purposes of capital outlay, maintenance, and equipment.

**RECOMMENDATION:** Pursuant to Education Code §76140 and §76141, authorization is requested that the nonresident tuition fee for the 2016-17 school year for the North Orange County Community College District be set at \$211 per-unit with an additional charge for capital outlay of \$12 per-unit. This results in a \$14 per-unit increase effective for all course terms beginning or ending on or after July 1, 2016.

Any student who can demonstrate economic hardship or who is a victim of persecution or discrimination in the country in which the student is a citizen and resident is exempt from the capital outlay fee. To qualify under the economic hardship waiver, a student must demonstrate a "hardship" that encompasses the financial circumstances of a person who is a recipient of benefits under the Assistance for Needy Families Program, the Supplemental Income/State Supplementary Program, or a general assistance program.

**SUBJECT:** Amend Agreement with Rodriguez Engineering for Engineering Design Services for the Anaheim Campus Storm Drain Pump Replacement Project

Action	<u>X</u>
Resolution	<u>        </u>
Information	<u>        </u>
Enclosure(s)	<u>        </u>

**BACKGROUND:** On May 27, 2014, the Board authorized an agreement with Rodriguez Engineering (“Rodriguez”) to provide engineering design services for the Anaheim Campus Storm Drain Pump Replacement Project. On June 23, 2015, the Board authorized extending the term of the agreement through December 31, 2015, at no additional cost to the District. However, due to unforeseen conditions involving complications with the installation of the variable frequency drive (VFD) controls and the programming with the Energy Management System (EMS) controls, as well as the need to replace the check valve, the commissioning of the pump was delayed. Rodriguez’s services are still required for the commissioning of the pump and review and finalization of the commissioning report. It is, therefore, requested to further extend the term of the agreement with Rodriguez from December 31, 2015, through March 1, 2016, at no additional cost to the District. This agenda item was submitted by Christine Figuera, Anaheim Campus Director, Physical Plant/Facilities.

**How does this relate to the five District Strategic Directions?** This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

**How does this relate to Board Policy:** This item is submitted in accordance with Board Policy 6330, Purchasing/Warehouse.

**FUNDING SOURCE AND FINANCIAL IMPACT:** There is no financial impact.

**RECOMMENDATION:** Authorization is requested that the agreement with Rodriguez Engineering to provide engineering design services for the Anaheim Campus Storm Drain Pump Replacement Project be amended and the term of the agreement extended from December 31, 2015, through March 1, 2016, at no additional cost to the District. Authorization is further requested for the Interim Vice Chancellor, Finance & Facilities or the District Director, Purchasing, to execute the amendment to the agreement on behalf of the District.

<b>SUBJECT:</b>	Sole Source Equipment Purchase for Fullerton College Machine Technology Program		

**BACKGROUND:** The Fullerton College Machine Technology program is in the process of upgrading the metrology inspection equipment. The plan to upgrade equipment was approved and funded through a VTEA proposal (Perkins) in advanced manufacturing. This request for a sole source purchase will complete phase two of the improvement plan.

The first year of this proposal added a stationary Hexagon Metrology 4.5.4 coordinate measuring machine (CMM) and twenty seats of PC-DMIS inspection software. PC-DMIS is the industry standard inspection software currently in use at over 75% of our local manufacturing businesses. These local manufacturing companies are producing aircraft, aerospace, and medical components. The employment outlook for our students who learn these skills is excellent. Positions in this sector pay higher and the students who become employed directly improve the manufacturing skills gap that exists today.

The sole source purchase is for phase two of the plan and includes twelve Hexagon Metrology 7320si Romer arms in the amount of \$349,968 plus shipping and tax from Hexagon Metrology. The Romer arms are portable CMM machines. These portable style inspection arms are used in inspection laboratories and also placed directly on machine tools to measure and inspect parts and record sophisticated data. The 7320si Romer arms offered by Hexagon Metrology best meet the fulfillment of the VTEA advanced manufacturing grant for the following reasons:

- Hexagon Metrology is the only authorized re-seller of the Romer arms and PC-DMIS software.
- The Hexagon Metrology Romer arms are designed to work with the Hexagon Metrology PC-DMIS software. The college currently owns twenty seats of Hexagon Metrology PC-DMIS software. This software is currently installed on the campus network. A single seat of PC-DMIS controls the Hexagon Metrology 4.5.4 CMM in the inspection lab. PC-DMIS is the common software/communication tool across both the platforms, stationary and portable CMM's. Any other software will not meet instructional and compatibility requirements.
- New courses and curriculum currently being developed are for PC-DMIS software due to the fact the software has already been implemented in the manufacturing program curriculum.

- Using the PC-DMIS platform and equipment will limit ongoing costs. Software is a significant cost to the program due to the fact it must be purchased or leased, maintained by the IT department, instructors must be trained and there are software compatibility issues if multiple platforms are used. The use of multiple software formats will increase these costs.
- Students benefit from having the ability to learn an authentic industry tool found in manufacturing industries.
- Requisite activities that build upon each other within the manufacturing program are able to build upon each other with the use of a common software platform and compatible equipment. In this case the stationary and portable CMM equipment will share the same software platform.
- The 7320si Romer arm has an integrated laser scanner that does not require re-calibration at each use like competing models. The laser represents the 7<sup>th</sup> axis on these devices.
- The Hexagon metrology Romer arms use Leica encoders on each of their six movable axis, Leica is owned by Hexagon Metrology and these encoders are not available on competing arms. The Leica encoders are the highest quality and most reliable in the industry. Competing inspection arms require the encoders be serviced and replaced on a two to three years' cycle. Encoder service is a minimum \$2,000 per encoder and not an ongoing cost the program can absorb.

Pursuant to Public Contract Code Section 3400(c)(2), the District may elect to specify certain products/brand for current and future projects to match items in existing projects so as to establish complete compatibility. This agenda item is submitted by Kenneth Starkman, Dean of Technology & Engineering Division and Jenney Ho, District Director, Purchasing.

**How does this relate to the five District Strategic Directions?** This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

**How does this relate to Board Policy:** This item is submitted in accordance with Board Policy 6330, Purchasing/Warehouse.

**FUNDING SOURCE AND FINANCIAL IMPACT:** Funding for this purchase will come from the Perkins fund.

**RECOMMENDATION:** Authorization is requested to purchase the twelve Hexagon Metrology 7320si Romer arms for the Fullerton College Machine Technology Program as a sole source procurement from Hexagon Metrology in the amount of \$349,968 plus shipping and tax.

Cypress College

**BACKGROUND:** On October 26, 2010, the Board authorized a three-year maintenance service agreement with Endurant Energy Systems, LLC, now called GI Energy, to perform maintenance service on the Co-Generation Plant at Cypress College. On November 26, 2013, the Board authorized a two-year extension on the same contract. The contract has now ended.

Per Education Code Section 17596, contract for services cannot exceed five years. Cypress College is requesting entering into another agreement with GI Energy for continuous maintenance service because of GI Energy's expertise, knowledge, resources and certified mechanics. The campus has had very little down time on the engines in the past years. The plant generates approximately 50% of the electric load. The District has also completed several other energy conservation projects which reduced the District's purchased power from 8,000,000 KW in 2010 to approximately 2,500,000 KW in 2015. The agreement will be for three years with the option to renew for two additional years at a cost of \$12,669 per month. This agenda item was submitted by Albert Miranda, Director of Physical Plant & Facilities and Jenney Ho, District Director, Purchasing.

**DATE:** January 26, 2016

**SUBJECT:** Resolution Approving Agreement for Energy Conservation Services for the RFP #2016-01, Cypress College Central Plant and Thermal Energy Storage Project

**BACKGROUND:** On November 24, 2015, an informational item was submitted to the Board describing the RFP process for the Central Plant and Thermal Energy Storage Project under the Government Code 4217.

On December 23, 2015, the Purchasing Department issued the RFP #2016-01, Cypress College Central Plant and Thermal Energy Storage Project and received four proposals for the Project as follows:

Plumbing, Piping & Construction, Inc.	\$8,372,000
ACCO Engineered Systems	\$8,649,000
Xcel Mechanical Systems, Inc.	\$8,693.854 * (Non-Responsive)
Southland Industries	\$11,649,549

After reviewing the four proposals, staff recommends the Board approve the Energy Conservation Services Agreement with Plumbing, Piping & Construction, Inc. in the amount of \$8,372,000 for the RFP #2016-01, Cypress College Central Plant & Thermal Energy Storage Project.

While the proposals came in significantly higher than the original estimate of \$6,530,663, staff has obtained an independent evaluation of the proposals and a determination of the cost difference. There are two primary reasons for the higher price, both of which appear to be justified.

First, staff had based the estimates on previous quotes and assumptions that did not take into consideration the soils conditions which exist at the site. The original estimate for the tank installation from the manufacturer was just under \$2,000,000. The soils report calls for cast-in-place caissons at a depth and number much greater than the tank company had anticipated. The tank installation portion of the project is now proposed at \$4,107,787, because of the existing soils condition and the need for these caissons.

The second reason for the cost increase is the scope of the project was expanded after the original estimate was developed. During the final stages of the RFP process, certain

## REPLACEMENT ITEM 4.g

scheduled maintenance items were identified and a decision was made to include them in the project. For example, the refurbishment of the existing cooling towers, the electrical system upgrades for the plant, and the replacement of existing motors, pumps and variable frequency drives were included in the RFP. Those scheduled maintenance items have added an additional \$800,000 to the project.

There are benefits to including the scheduled maintenance items in the project such as providing needed redundancy of the existing plant and improving reliability. This chiller plant will centralize all cooling and provide the redundancy for the entire campus. The plant also has been designed to address the future expansion plans for the Veteran Center, the LLRC and several other projects in the bond program. These improvements and benefits are not displayed on the energy savings chart. If the value of these improvements were to be taken into account, the payback period would be significantly reduced.

The Board shall consider certain Findings that the anticipated cost of the Energy Conservation Services Agreement proposed by Plumbing, Piping & Construction, Inc. for the Cypress College Central Plant and Thermal Energy Storage Project is less than the anticipated marginal cost to the District of thermal, electrical, or other energy that would have been consumed by the District in the absence of the Energy Conservation Services Agreement proposed Plumbing, Piping & Construction, Inc. by and that it is in the best interest of the District to approve and enter into the Energy Conservation Services Agreement proposed by Plumbing, Piping & Construction, Inc. In the event that the Board adopts the Findings, the Board shall consider the award of an Energy Conservation Services Agreement proposed by Plumbing, Piping & Construction, Inc. pursuant to Government Code section 4217.12.

P2S Engineering assessed the feasibility of the project and its analysis demonstrated that the cost of the Energy Conservation Services Agreement to the District for the project is less than the anticipated marginal cost to the District of thermal, electrical or other energy that would have been consumed by the District in the absence of the Agreement.

There are benefits to including the scheduled maintenance items in the project such as providing needed redundancy of the existing plant and improving reliability. This chiller plant will centralize all cooling and provide the redundancy for the entire campus. The plant also has been designed to address the future expansion plans for the Veteran Center, the LLRC and several other projects in the bond program. These improvements and benefits are not displayed on the energy savings chart. If the value of these improvements were to be taken into account, the payback period would be significantly reduced.

The Board shall consider certain Findings that the anticipated cost of the Energy Conservation Services Agreement proposed by Plumbing, Piping & Construction, Inc. for the Cypress College Central Plant and Thermal Energy Storage Project is less than the anticipated marginal cost to the District of thermal, electrical, or other energy that would have been consumed by the District in the absence of the Energy Conservation Services Agreement proposed Plumbing, Piping & Construction, Inc. by and that it is in the best interest of the District to approve and enter into the Energy Conservation Services Agreement proposed by Plumbing, Piping & Construction, Inc. In the event that the Board adopts the Findings, the Board shall consider the award of an Energy Conservation Services Agreement proposed by Plumbing, Piping & Construction, Inc. pursuant to Government Code section 4217.12.

P2S Engineering assessed the feasibility of the project and its analysis demonstrated that the cost of the Energy Conservation Services Agreement to the District for the project is less than the anticipated marginal cost to the District of thermal, electrical or other energy that would have been consumed by the District in the absence of the Agreement.

<b>SUBJECT:</b>	One Year Extension of Consulting Agreement with Nossaman LLP		

**BACKGROUND:** In order to increase North Orange County Community College District's (NOCCCD) legislative visibility and efficacy, it is proposed that NOCCCD extend their consulting agreement with Nossaman LLP to provide state and federal advocacy services. Nossaman LLP will work with the Chancellor's Office, and other appropriate elected officials and staff as directed, to assist in achieving the Chancellor's 2015-2016 goals. The current one-year agreement ends on January 31, 2016.

The scope of services for this proposal is outlined below:

- Assist the District in developing and maintaining strong and productive relationships with the Orange County legislative delegation, legislative leaders, key committee chairs and members, and the Administration.
- Assist the Chancellor's Office and assigned District staff in developing a valuable state and federal advocacy strategy and dynamic legislative agenda for the year.
- Proactively identify state and federal budget issues that will impact funding for the District's priorities, programs and operations, and aggressively advocate on the District's behalf.
- Monitor and provide regular updates, as well as monthly electronic reports, on legislative activities, pending legislation, state and federal budget matters, administrative activities and the status of all pending District action items.
- Review state and federal statutes, regulations, guidelines, directives and other administrative policies, both proposed and adopted.
- Identify legislative and regulatory opportunities and threats, as well as potential grant funding opportunities, to help the District fund its priority projects.
- Lobby legislators and committee staff, request amendments, attend legislative hearings and provide testimony.
- Provide the District an End of Session report on the final outcome of legislation and state budget matters of interest to the District and a forecast of important issues in the upcoming year at the state and federal level.

This agenda item was submitted by Kai Stearns-Moore, District Director, Public Affairs.

**How does this relate to the five District Strategic Directions?** This item responds to Direction #4: The District will implement best practices related to planning including:

transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

**How does this relate to Board Policy:** This item is submitted in accordance with Board Policy 6340, Contracts.

**FUNDING SOURCE AND FINANCIAL IMPACT:** Nossaman LLP fees in the amount of \$6,000 per month plus reimbursable expenses will be charged to Public Affairs carry-over funds.

**RECOMMENDATION:** Authorization is requested to enter into a consultant agreement with Nossaman LLP, in the amount of \$6,000 per month plus reimbursable expenses, to provide state and federal advocacy services. The terms of the agreement are from February 1, 2016, to January 31, 2017. Authorization is also requested for the Interim Vice Chancellor, Finance & Facilities, or the District Director, Purchasing, to execute the agreement on behalf of the District.

<b>SUBJECT:</b>	North Orange County Regional Consortium Adult Education Block Grant Office Space – Lease Agreement		

**BACKGROUND:** The School of Continuing Education (SCE), as the fiscal agent for the North Orange County Regional Consortium for Adult Education (NOCRC) is in need of office space for the Adult Education Block Grant (AEBG) consortium employees and for the purpose of serving as the NOCRC regional hub. There is no available space at any of the District’s campuses for the 12-20 staff members that need to be housed.

There are office spaces available at 505 N Euclid in Anaheim that provide convenient access to both the District offices as well as the consortium members. It is proposed that SCE, on behalf of the NOCRC, lease Suites 200 and 250 measuring 5,400 square feet. The cost of the lease is \$1.63 per square foot, adjusted annually, plus 5% of shared operating expenses that exceeds owner’s budget. The cost of the lease includes all utility costs and custodial services. The lease will be over a term of three (3) years with an annual adjustment of five cents (\$.05) per square foot. The cost for leasing this facility will be as follows:

Year 1 – \$110,905	Year 2 – \$114,307	Year 3 – \$117,709
--------------------	--------------------	--------------------

The three-year lease results in a total rent of \$342,921, which will be covered by the AEBG grand funds. This item is submitted by Jesse Crete, SCE NOCRC Adult Education Block Grant Special Projects Director.

**How does this relate to the five District Strategic Directions?** This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

**How does this relate to Board Policy:** This item relates to Board Policy 6500 – Property Management.

**FUNDING SOURCE AND FINANCIAL IMPACT:** The lease payment will be paid by the Adult Education Block Grant AEBG.

**RECOMMENDATION:** Authorization is requested to enter into a lease agreement with Anaheim Place Partners, LP, for the use of 5,400 sq. ft. at 505 N. Euclid Avenue, (Suites 200 and 250), Anaheim CA 92801 for a total consideration of \$342,921 from February 1, 2016, through January 31, 2019, for office space for the Adult Education Block Grant (AEBG) personnel. Authorization is further requested for the Interim Vice Chancellor, Finance & Facilities, or District Director, Purchasing, to execute the agreement on behalf of the District.

**SUBJECT:** Fullerton College/Cypress College  
Health Fee Increase

Action     X      
Resolution \_\_\_\_\_  
Information \_\_\_\_\_  
Enclosure(s) \_\_\_\_\_

**BACKGROUND:** Fullerton and Cypress colleges operate comprehensive Health Service Centers which offer a variety of health-related services to students. The goal of the centers is to assist students in maintaining and improving their physical, mental, and emotional health so they may be successful in their educational endeavors.

Both Health Centers are self-supporting operations that rely on student fees to generate resources to cover the cost of operations. Currently, the health fees charged by both campuses are \$17 per semester and \$14 for summer session. All students receiving Financial Aid are currently granted health fee waivers and are thereby exempt from paying the fee.

Education Code §76355 provides the governing board of a community college the option and calculation standard for increasing the health service fee. This calculation results in the maximum allowable health fee of \$19 per semester and \$16 for summer session. As the number of students seeking services at the Cypress and Fullerton College Health Centers continues to grow, additional resources are needed to meet the demand. A \$2 increase in the current health fee charged to students will allow both Cypress College and Fullerton College Health Centers to continue offering important services to students. This revision has been discussed by the campus and the agenda item was submitted by Rodrigo Garcia, District Director, Fiscal Affairs.

**How does this relate to the five District Strategic Directions?** This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

**How does this relate to Board Policy:** This item is submitted in accordance with Board Policy 5030, Fees.

**FUNDING SOURCE AND FINANCIAL IMPACT:** Health fees are properly accounted for in a restricted fund solely for health fee revenues and expenses to provide health services.

**RECOMMENDATION:** Authorization is requested to increase the health fee for all Cypress and Fullerton College students by \$2 effective Summer 2016. This increase would bring the health fee to \$19 per semester, \$16 for summer session, and \$16 for each intersession and help to provide a continuous quality Health Service program at the college campuses.

<b>SUBJECT:</b>	NOCCCD Baccalaureate Degree Pilot Program Implementation Support Grant		

**BACKGROUND:** NOCCCD is pleased to be the recipient of the Baccalaureate Degree Pilot Program Implementation Support Grant in the amount of \$750,000. SB 850 authorized the Board of Governors of the California Community Colleges, in consultation with the representatives of the California State University and the University of California, to establish a statewide baccalaureate degree pilot program at no more than 15 California Community Colleges. The sum of six million (\$6,000,000) was appropriated from the General Fund to the Chancellor of the California Community Colleges for allocation to community college districts to support the implementation of the baccalaureate degree pilot program. Each of the 15 pilot colleges was awarded \$350,000. Of the remainder, \$750,000 one-time funding amount is to be used by grant recipient (fiscal agent) to align objectives and outcomes to provide system-wide support to the 15 pilot colleges to implement the Baccalaureate Degree Pilot Program.

The Chancellors Office has identified four objectives of the implementation grant:

- 1) Collaborate with the Chancellor's Office throughout the duration of the grant period to provide professional development to the 15 pilot colleges.
- 2) Assist the Chancellor's Office with the selection of an evaluator who will assess the success of the Baccalaureate Degree Pilot Program.
- 3) Collaborate with the Chancellor's Office to fund a research project regarding matters that impact the implementation of the Baccalaureate Degree Pilot Program.
- 4) Collaborate with the Chancellor's Office to host meetings/trainings/workshops and meetings/summits on new developments that will assist with implementing the 15 pilot programs.

All funds must be spent by July 30, 2017.

This Board Agenda item is being submitted by Joyce Carrigan, Project Director, Baccalaureate Degree Pilot Program, NOCCCD.

**How does this relate to the five District Strategic Directions?** This item responds to District Strategic Direction #1 and #5: Strategic Direction 1: The District will annually improve the rates of completion for degrees, certificates, diplomas, transfers, transfer-readiness requirements, and courses. Strategic Direction 5: The District will develop and sustain collaborative projects and partnerships with the community's educational institutions, civic organizations, and businesses.

**How does this relate to Board Policy:** This item is in compliance with Board Policy 3280 (1.0) The Board will be informed about all grants received by the District; and, (2.0) The Chancellor shall establish procedures to assure timely application and processing of grant applications and funds, and that the grants that are applied for directly support the purposes of the District.

**FUNDING SOURCE AND FINANCIAL IMPACT:** NOCCCD is the recipient of Baccalaureate Degree Pilot Program Implementation Support Grant in the amount of \$750,000. All funding will be received following Board approval and must be spent on grant objectives by July 2017.

**RECOMMENDATION:** Authorization is requested to accept new revenue from the Baccalaureate Degree Pilot Program Implementation Support Grant in the amount of \$750,000. It is also requested that a resolution be adopted to accept new revenue and authorize expenditures within the General Fund, pursuant to the California Code of Regulations Title 5, Section 58308. **BACKGROUND:** Cypress College and Fullerton College, are accredited by the Accrediting Commission for Community and Junior Colleges (ACCJC), Western Association of Schools and Colleges (WASC). ACCJC is an institutional accrediting body recognized by the United States Department of Education and the Commission for Higher Education Accreditation. The School of Continuing Education (SCE), is accredited by the Accrediting Commission for Schools (ACS) of WASC. According to ACCJC, accreditation is “a voluntary system of self-regulation developed to evaluate overall educational quality and institutional effectiveness. The ACCJC accreditation process provides assurance to the public that the accredited member colleges meet the Standards; the education earned at the institutions is of value to the student who earned it; and employers, trade or profession-related licensing agencies, and other colleges and universities can accept a student’s credential as legitimate.”

The Colleges and SCE are all going through the self-evaluation process. Team visit by ACS to SCE is to occur in March of 2017 whereas team visits to both Cypress and Fullerton Colleges will occur in October of 2017. This is the opportunity for the accreditation leadership teams from the colleges and SCE to present to the Board regarding their accreditation timeline, process and status.

**How does this relate to the five District Strategic Directions?** This item meets District Strategic Direction 4 by supporting strategic and comprehensive planning activities at the campus and District levels.

**How does this relate to Board Policy:** This item responds to BP 3200: Accreditation.

**FUNDING SOURCE AND FINANCIAL IMPACT:** Not applicable

**RECOMMENDATION:** It is recommended that the Board receive as information the presentation on the District-wide accreditation timeline, process and status.

**BACKGROUND:** Subsequent to the discussions between the representatives from Cypress College & Fullerton College representing North Orange County Community College District (NOCCCD) and Anaheim Union High School District (AUHSD), both parties agreed that high school students need to start developing their plan for college education while in their senior year. In order to develop a realistic college education plan, the high school students need information on choices available in college. Additionally, they need guidance and counseling to identify their areas of interest and explore meaningful options available to them. In order to accomplish the objectives stated above, NOCCCD will offer Counseling 140 C and Counseling 50 F at select AUHSD high schools. NOCCCD faculty will be teaching these courses as the District is specially trained, experienced, and competent to provide the program. This agreement will be in effect for the Spring Semester of 2015-16 academic year. This agenda item was submitted by Dr. Santanu Bandyopadhyay, Executive Vice President at Cypress College.

**How does this relate to the District-wide Strategic Plan?** This item directly relates to Strategic Direction 1: The District will annually improve the rates of completion for degrees, certificates, diplomas, transfers, transfer-readiness requirements, and courses; Strategic Direction 3: The District will annually improve the success rate for students moving into: The next higher course in the sequence of credit or noncredit basic skills courses in mathematics, English and English-as-a-Second-Language; and Strategic Direction 5: The District will develop and sustain collaborative projects and partnerships with the community's educational institutions, civic organizations, and businesses.

**How does this relate to Board Policy:** This item is submitted in accordance with Board Policy 4025, Philosophy and Criteria for Associate Degree and General Education.

**FUNDING SOURCE AND FINANCIAL IMPACT:** Under the terms of this agreement, AUHSD will pay NOCCCD an amount not to exceed twenty-eight thousand six hundred dollars (\$28,600) plus any non-resident tuition fees as outlined in the contract to cover the costs of instruction.

**RECOMMENDATION:** It is recommended that the Board review the Anaheim Union High School District/NOCCCD ongoing initiative to improve college readiness for area students.

<b>SUBJECT:</b>	Cypress College Curriculum Matters		

**BACKGROUND:** The divisions and the Curriculum Committee at Cypress College and the District Curriculum Coordinating Committee have approved the attached summary of new curriculum and curriculum revisions.

The Educational Master Plan has indicated that "instructional programs need to be continually reviewed as to viability and priority" and the curriculum "needs to provide state-of-the-art training in vocational programs." The assessment process, mandated by the state, provides several reasons for the proposed curricular changes: (1) to meet changing employment requirements, as per the recommendations of both the faculty and advisory committees; (2) to expand and streamline certificate programs in keeping with state mandates; (3) to provide meaningful categorization of Faculty Service Areas; (4) to provide specific courses to meet student needs; (5) to restructure programmatic curricula; (6) to provide greater consistency between Cypress and Fullerton courses; and (7) to eliminate courses that either are no longer critical or that have been subsumed into other curricular offerings.

All curricula are submitted to the President’s Office for review and approval prior to submission to the District Curriculum Coordinating Committee. This agenda item is submitted by Mark Majarian, Chair of the Cypress College Curriculum Committee.

**How does this relate to the five District Strategic Directions?** This item responds to District Strategic Direction #1: The District will annually improve the rates of completion for degrees, certificates, diplomas, transfers, transfer-readiness requirements, and courses.

**How does this relate to Board Policy:** This item is in compliance with Board Policy 4020, Program and Curriculum Development.

**FUNDING SOURCE AND FINANCIAL IMPACT:** Campus General Fund.

**RECOMMENDATION:** It is recommended that the Board approve the attached summary of curriculum changes for Cypress College, to be effective Fall 2015 and Fall 2016. The curricula have been signed by the Campus Curriculum Chairperson and the College President, and have been approved by the District Curriculum Coordinating Committee.

<b>TO:</b>	BOARD OF TRUSTEES	Action	<u>    X    </u>
<b>DATE:</b>	January 26, 2016	Resolution	<u>          </u>
<b>SUBJECT:</b>	Fullerton College Curriculum Matters	Information	<u>          </u>
		Enclosure(s)	<u>    X    </u>

**BACKGROUND:** The Office of Instruction and the Curriculum Committee at Fullerton College and the District Curriculum Coordinating Committee have approved the attached summary of curriculum changes. All changes serve the mission of Fullerton College and are within the allocated budget for staff and facilities.

The Educational Master Plan has indicated that "instructional programs need to be continually reviewed as to viability and priority" and the curriculum "needs to provide state-of-the-art training in vocational programs." The assessment process, mandated by the state, provides several reasons for the proposed curricular changes: (1) to meet changing employment requirements, as per the recommendations of both the faculty and advisory committees; (2) to expand and streamline certificate programs in keeping with state mandates; (3) to provide meaningful categorization of Faculty Service Areas; (4) to provide specific courses to meet student needs; (5) to restructure programmatic curricula; and (6) to eliminate courses that either are no longer critical or that have been subsumed into other curricular offerings.

All curricula are submitted to the President's Office for review prior to submission to the District Curriculum Coordinating Committee. This agenda item is submitted by Dr. Jennifer Combs, Fullerton College Curriculum Committee Chair and Dr. Jose Ramon Nunez, Vice President of Instructional Services.

**How does this relate to the five District Strategic Directions?** This item responds to District Strategic Direction #1: The District will annually improve the rates of completion for degrees, certificates, diplomas, transfers, transfer-readiness requirements, and courses.

**How does this relate to Board Policy:** The curricula are being submitted to the Board for approval as outlined in Board Policy 4020, Program and Curriculum Development.

**FUNDING SOURCE AND FINANCIAL IMPACT:** Funding for all curricula comes from the campus general fund.

**RECOMMENDATION:** It is recommended that the Board approve the attached summary of curriculum changes for Fullerton College, to be effective Fall 2016. The curricula have been signed by the Campus Curriculum Chairperson and the College President, and have been approved by the District Curriculum Coordinating Committee.

ART 208 F Intermediate Watercolor	Units: 3 Lecture: 2 Laboratory: 4 Advisory: ART 188 F	25	Most of the time the students are engaged in practicing the skill(s) they are learning and the instructor gives each student individual instruction as the class proceeds. Extensive individualized instruction with each student is essential as they acquire the skill sets that are necessary for success.	2016 Fall	Number change from ART 198 F to ART 208 F. This course was Board approved 11-10-15, resubmitted now just to document the course number change.
GEOG 230 F Introduction to Geographic Information Systems	Units: 3 Lecture: 2 Laboratory: 3 CSU Transfer Course	35	Individualized Instruction/Group Learning/ Student Presentations. Instruction includes lecture, group learning, and lab activities. Class time focuses on individualized instruction, student presentation time, and/or group learning. Most of the time the students are engaged in practicing the skill(s) they are learning and the instructor gives each student individual instruction as the class proceeds.	2016 Fall	GEOG 230 F is replacing GEOG 281AF, which will be deleted, due to letter in course title. Since there is no historic version of GEOG 230 F in CurricUNET, it must be proposed as a new course.
PRNT 142 F Prepress for Print using Adobe Creative Suite	Units: 3 Lecture: 2 Laboratory: 4 CSU Transfer Course	20	Students operate printing equipment that can cause serious injury. The Printing Technology Advisory Board highly recommended that printing classes that utilize printing equipment be limited to 20 students. This course will require the use of highly specialized equipment such as an electric guillotine paper cutter, high speed paper drill, and laser platesetter to image plates, which can cause serious and sometimes permanent injury to the student. Adequate guidance and instruction cannot be performed with more than 20 students. Students operating printing equipment, handling sharp metal printing plates, and using plate processing chemistry require strict supervision, and increasing class size would create an unsafe environment for students. See "Attached files" for printing advisory minutes.	2016 Fall	New course that expands on the content of PRNT 101 F. This course has been created to provide students with digital file building and analytical preflight skills necessary to prepare them for careers in this field.

Anthropology	<p><b>Anthropology Associate in Arts Degree for Transfer</b>                      The Associate in Arts for Transfer Degree in Anthropology, also called the Anthropology AA-T Degree, prepares students to transfer to CSU campuses that offer bachelor's degrees in anthropology. Ed Code Section 66746-66749 states students earning the Anthropology AA-T degree will be granted priority for admission as an Anthropology major to a local CSU, as determined by the CSU campus to which the student applies. This degree requires students complete 60 CSU transferable units, including completion of CSU GE or IGETC and 18-23 units in the major with a cumulative GPA of 2.0 or better. Title 5 requires that students earn a grade of "C" or better in all major coursework. There are no additional graduation requirements. The Anthropology AA-T Degree is designed to provide students with a holistic introduction to Anthropology. This degree will provide the background knowledge needed by undergraduate Anthropology majors for university transfer and coursework, while emphasizing the practical applications of anthropological skills and knowledge in a diversity of careers and the utility of anthropological perspectives as a lifelong learning tool for interpreting world events. **To:** Irma Ramos, Vice Chancellor of Human Resources, NOCCCD  
**From:** Rod Lusch, President, CSEA Chapter 167 *RBL*  
**Date:** January 2, 2015  
**Subject:** CSEA 2016-2017 Collective Bargaining Agreement Reopeners

Per ARTICLE 26 NEGOTIATIONS, Section 26.5 Reopener Clause of the Agreement between the North Orange County Community College District (NOCCCD) and Chapter 167 California School Employees Association (CSEA), the parties shall have the right to reopen the Agreement on matters pertaining to wages and health and welfare benefits and any other Article by giving written notice.

Therefore, for the fiscal year of 2016-2017, CSEA proposes the following reopeners:

**Article 9 – Pay and Allowances**

Achieve agreement on matters pertaining to wages and health and welfare benefits, including the possibility of an additional step on the classified salary schedule, and a new classified wage compensation study with a delineated plan for implementation.

**Article 15 - Leaves**

Change sick leave reporting deductions to allow half (1/2) hour increments, without any accumulation requirements for that increment value.
