SUBJECT:	Fiscal Year 2017-2018 Tentative Budget		

BACKGROUND: Pursuant to California Code of Regulations §58301 and §58305, and in accordance with Board Policy 6200, Budget Preparation, the District shall develop a Tentative Budget on or before the first day of July. In addition, the Board shall identify the date, time, and location at which a public hearing on the Proposed Budget will be held.

As in previous years, this year's Tentative Budget is a rollover budget in order to continue operations in the 2017-18 fiscal year. The Tentative Budget is based on estimates contained in the Governor's May Revise Budget with anticipated adjustments based on current budget hearings. Budget updates have been continuously presented to the Council on Budget & Facilities with recommendations forwarded to the District Consultation Council for approval. The Tentative Budget allocations have been prepared in accordance with these recommendations.

Some carryover estimates have been included; however, final carryover balances will be computed as part of the year-end closing process and will be reflected in the Proposed Budget which will be presented in September. The District's Proposed Budget will also incorporate any changes which occurred in the finalized State Budget.

SUBJECT:	Property & Liability Insurance Coverage for 2017-18 through the Alliance of Schools for Cooperative Insurance Programs (ASCIP) and Schools Excess Liability Fund (SELF)		

BACKGROUND: The District has been a member of Alliance of Schools for Cooperative Insurance Programs Joint Powers Authority (ASCIP JPA) since 1998-99. This non-profit JPA is a self-insurance group that provides the broadest coverage at the most competitive cost. Through this JPA, the District is provided loss control services and coverage for general liability, automobile comprehensive/collision/liability, professional liability, property, equipment breakdown, and employee dishonesty (Crime).

For liability coverage, ASCIP JPA covers the first \$5 million, and Schools Excess Liability Fund (SELF), a statewide consortium of K-12 and community college districts (another JPA) provides the next layer of coverage up to \$55 million per occurrence. In the past several years, SELF's core program capped at \$30 million and the District purchased Optional Excess coverage of \$25 million. However, in light of the fact that the jury verdicts and settlements continue to skyrocket with little promise of relief on the horizon, SELF has increased its core program to \$55,000 million. ASCIP's program also includes Cyber coverage, Terrorism, and Legal Defense Cost coverage (for excluded claims) with sub-limits ranging between \$50,000 - \$20 million.

A big increase (40%) took place for 2016-17 in SELF's rate due to major claims in 2015-16 and the concern that these claims are not an anomaly that occurs every decade, but a trend. The losses continued for 2016-17 and thus, the rate has gone up another 26% to \$4.78/FTES from \$3.79/FTES.

Property coverage limit is \$600 million per occurrence. However, there are sub-limits to coverage for Fine Art, Pollutant Clean Up, Earthquake Sprinkler Leakage, Equipment Breakdown, Builder's Risk, and Crime (employee dishonesty) ranging between \$25,000 - \$100,000 per occurrence.

Property rate remains the same as last year, but the value has increased by ASCIP's inflationary adjustment of \$12,281,000 (1.8%) since its valuation last year. ASCIP JPA's Liability rate went up 3.6% for 2017-18 due to the pool's losses. Although the insurance rates and the value of the insurable property increased, District's premium as a whole increased by only by 3.8% due to the decrease in FTES.

District has maintained a very low general liability claims count for the last six years, and the loss experience modification (ExMod) factor for 2017-18 is 0.655, which is same as last year.

This is a discount rate, which reduces the District's cost for the General Liability coverage by 34.5% from the base premium. District's ExMod is still the one of the two lowest among ASCIP member schools.

The ASCIP-B is a Booster Club or Auxiliary Group coverage, and the District's Foundations and their officers are covered for liability through this program up to \$1 million.

Following is the District's coverage with the ASCIP JPA and SELF, the actual rate for FY 2016-17, and the estimated rate for FY 2017-18:

	<u>2016-17</u>	<u>2017-18</u>
General Liability (\$25,000 Deductible) up to \$5,000,000 (ASCIP)	\$476,390	\$475,637
SELF \$5,000,001 to \$55,000,000	122,990	154,303
Property (\$5,000 Deductible)	347,288	353,674
Employee Dishonesty (Crime-\$500 Deductible)	14,015	13,507
Automobile Liability (\$25,000 Deductible)	24,543	25,458
Automobile Physical Damage (\$1,500 Deductible)	2,964	3,116
ASCIP-B (Booster/Auxiliary/Foundation Coverage)	<u>7,478</u>	<u>8,637</u>
TOTAL	<u>\$995,668</u>	<u>\$1,034,332</u>

This agreement will be on file in the District Business Office. This agenda item was submitted by Tami A. Oh, District Director, Risk Management.

How does this relate to the five District Strategic Directions? FUNDING SOURCE AND FINANCIAL IMPACT: Funding will be made through the General Fund and will be included in the Annual Proposed Budget.

RECOMMENDATION: Authorization is requested to renew the property and liability insurance coverage with the Alliance of Schools for Cooperative Insurance Programs (ASCIP) and Schools Excess Liability Fund (SELF) for FY 2017-18 at the estimated amount of \$1,034,332. Further, authorization is requested for the Vice Chancellor, Finance & Facilities, or District Director, Purchasing, to execute the insurance policies on behalf of the District.

DATE:	June 27, 2017	Resolution	<u> </u>
SUBJECT:	Workers' Compensation (WC) Excess Insurance Coverage for 2017-18	Information	<u> </u>
		Enclosure(s)	<u> </u>

BACKGROUND: The District's broker, Arthur J. Gallagher & Co. (Gallagher) approached six (6) excess insurance carriers but was able to obtain a quote from only one new company, at a higher rate than the incumbent carrier. The other carriers declined to provide quotation for various reasons, including a requirement for minimum Self-Insured Retention (SIR) of \$1,000,000. Fortunately, the incumbent carrier offered to renew at the current rate and SIR.

The District switched insurance carrier from ACE American Ins. Co. (ACE) to New York Marine & General Insurance Company (NYMaGIC) starting 2009-10, as ACE proposed a 32% increase to compensate for the for what it felt was an over reduction (44%) in rate for 2008-09. District's rate was actually lowered to \$.0855 from \$.0996 per \$100 payroll by switching.

The rates have stayed mostly stable from 2010-11 to 2016-17 with minor fluctuations due to the market changes, except for 2012-13, wherein the underwriters become very conservative. The carrier initially asked for 32% increase in rate for 2012-13, but Gallagher negotiated well to limit the increase to 12.5%. Unlike ACE, NYMaGIC has conducted an audit of the District's claim files and also performs an annual review of the District's loss prevention and claims control efforts in order to evaluate the risk exposure. The District's rate has been and still is, one of the lowest rates among all of Gallagher's individual clients.

For 2017-18, a few of the open claims that exceeded or threaten to exceed the District's SIR continued to pose a challenge in getting good quotes. As was the case last year, carriers approached were reluctant to offer quotes below \$1,000,000 SIR. One company did provide a quote, but it was higher than the incumbent carrier's offer, which proposed to keep the same program; same rate and SIR. In addition, NYMaGIC is offering a two-year rate stabilization, which means the rate and SIR will remain the same for 2018-19 as well, absent any unusual circumstances. With this offer, the District will maintain \$500,000 SIR at \$0.1056 per \$100 payroll from 7/1/2017 – 6/30/2019.

Gallagher did an excellent job since the current excess workers' compensation insurance marketplace trend is increasing in both rates and retention amount. In addition, there are two (2) current and two (2) potential claims that are in the excess layer. Of these four (4) claims, two (2) are in the NYMaGIC's layer.

The District's rate has remained relatively stable considering the volatility within the excess workers' compensation marketplace and occurrence of some claims that have high exposure. The following chart shows the District's rates for the last 11 years:

Due to the drastic premium decrease in 2008-09 from the previous years, the broker began assessing a fee for its service to supplement the reduced commission. The insurance premium rate for this year continues to be low, and the broker has agreed to the fee of \$6,000 for 2017-18 and 2018-19. Payment of this fee is recommended in order to encourage the broker to continue finding the best program for the District. As an added benefit, Gallagher will provide various employee safety and loss control services.

Following is the District's history of premium (including the broker fee) for the last five (5) years and an estimate for Fiscal Year 2017-18:

2012-13	\$127,346	Actual
2013-14	\$133,153	Actual
2014-15	\$143,466	Actual
2015-16	\$163,590	Actual
2016-17	\$140,345	Estimate (final payment is due in 9/2017 after payroll audit)
2017-18	\$147,284	Estimate (final payment is due in 9/2018 after payroll audit)

The agreement will be on file in the District's Business Office. This agenda item was submitted by Tami A. Oh, District Director, Risk Management.

The final cost will be based on actual payroll amount for each year. Further authorization is requested for the Vice Chancellor, Finance & Facilities, to execute the contract on behalf of the District.

SUBJECT: Resolution to Approve the Purchase of Radiographic Unit and Related Equipment for the Cypress College Radiologic Technology Department

Action	<u>X</u>
Resolution	<u>X</u>
Information	<u> </u>
Enclosure(s)	<u>X</u>

BACKGROUND: Cypress College is requesting to purchase a radiographic unit and related equipment (collectively “GE Optima RX646”) manufactured by General Electric Healthcare (GE) for the Radiologic Technology Department. The GE Optima RX646 will replace the outdated equipment that is out of service and for which new parts are no longer available.

The Department requested quotes for the similar system from the three manufacturers:

GE Healthcare	\$174,500
Philips Healthcare	\$271,434
Siemens Medical Solutions	\$259,133

District staff and faculty have determined that the GE Optima RX646 best meets the needs and requirements to provide comprehensive and efficient instruction and training to students, and meet the goals and objectives of the Radiologic Technology Department and the Strong Workforce Initiative Grant. The cost of the GE Optima RX646 is \$174,500 plus tax.

California Public Contract Code Section 20111 requires school districts to advertise publicly for bids for the purchase of goods involving an expenditure that exceeds the current threshold for bidding, which is \$88,300 for the 2017 calendar year. However, Public Contract Code section 3400 permits public entities to make an exception to the public bidding requirements when the necessary products, hardware, equipment, materials, supplies are only available from one source. The District’s Purchasing Department has determined that there is no practical value in advertising for and receiving competitive bids for the purchase of the GE Optima RX646 because GE Healthcare is the sole source of Optima RX646, and there is no authorized reseller to sell GE Optima RX646 to public and private nonprofit educational institutions in the United States.

This agenda item is being submitted by Dr. John Sciacca, Dean of Health Science, Lynn Mitts, Radiology Department Coordinator, Cypress College, and Jenney Ho, District Director, Purchasing.

How does this relate to the five District Strategic Directions? This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

How does this relate to Board Policy: This item is submitted in accordance with Board Policy 6330, Purchasing/Warehouse.

FUNDING SOURCE AND FINANCIAL IMPACT: The cost of the equipment will be charged to the Strong Workforce Local Share Grant Fund.

RECOMMENDATION: It is recommended that the Board of Trustees adopt Resolution No. 16/17-26 to approve the Purchase of Optima XR646 Radiographic Unit and Related Equipment manufactured by GE Healthcare, in the amount of \$174,500 plus tax for the Cypress College Radiologic Technology Department. HEALTHCARE**

WHEREAS, the North Orange County Community College District ("District") has determined it is necessary to purchase a new radiographic unit and related equipment (collectively, "GE Optima XR646") for instructional and training purposes for students and faculty and to meet the goals and objectives of the Radiologic Technology Department and the Strong Workforce Initiative Grant;

WHEREAS, District staff and faculty have determined that the GE Optima XR646 best meets the needs and requirements to provide comprehensive and efficient instruction and training to students, and meets the goals and objectives of the Radiologic Technology Department and the Strong Workforce Initiative Grant;

WHEREAS, pursuant to Public Contract Code section 3400(c)(3), the District's Board has determined that the GE Optima XR646 is a necessary item and that it is manufactured and available from one source;

WHEREAS, the District's Board has determined that it would work an incongruity and not produce any advantage to competitively bid the procurement/purchase of the Optima XR646 since GE Healthcare is the only manufacturer and provider of the Optima XR646; and

WHEREAS, Meakin v. Steveland (1977) 68 Cal.App.3d 490 and Los Angeles Dredging v. Long Beach (1930) 210 Cal. 348 hold that statutes requiring competitive bidding do not apply when competitive bidding would work an incongruity or not produce any advantage.

NOW, THEREFORE, the District Board hereby finds, determines, declares and resolves as follows:

Section 1. All of the recitals set forth above are true and correct and the Board so finds and determines.

Section 2. The Board hereby finds and determines that the acquisition of the GE Optima XR646 is required and necessary based on the factors set forth above and herein, and that it would work an incongruity and not produce any advantage to competitively bid the procurement/purchase of the GE Optima XR646 since GE Healthcare is the only manufacturer and provider of the GE Optima XR646.

Section 3. The Board hereby approves the acquisition of the GE Optima XR646 as specified herein.

Section 4. The Board hereby delegates authority to the District Director, Purchasing, to execute and deliver any and all documents which he or she may

SUBJECT:	Accept the 2019/20-2023/24 Five-Year Construction Plan, 2019/20 First State Funding Year Projects All Due on or Before July 1, 2017		

BACKGROUND: The Five-Year Construction Plan (5YCP) is an annual summary of current and proposed capital outlay projects that exceed \$250,000, regardless of funding source (local vs. state), as mandated by the Community College Construction Act of 1980 pursuant to California Education Code §81800, et al. The 2019/20-2023/24 5YCP is due to the California Community Colleges Chancellor's Office on or before July 1, 2017. In reality, the 5YCP covers seven years, the past year, current year, and five future years. It is a useful tool for the District to measure the utilization of facilities by the capacity of facilities to the demands created by the actual projected enrollment of a college or center. It also communicates to the State Legislature, through control agencies, the capital outlay needs of a community college district over a five-year period. It serves as the foundation for capital outlay funding applications by delineating the capacity-load ratios for five categories of space as defined in Title 5 of the California Administrative Code: lecture, lab, office, library, and audio-visual/TV media.

The District's 5YCP project priority order is determined by the project scope, proposed budget, anticipated time schedule, justification for the project's given condition, capacity adequacy, and cost efficiency, as well as the source of funding. The list serves two purposes: 1) establishes the basis to justify the projects for which Initial Project Proposals (IPPs) and Final Project Proposals (FPPs) are being prepared and, 2) provides the California Community Colleges Chancellor's Office with an understanding of the overall need for each project.

The District is submitting 19 projects in its 2019/20 5YCP using both local and state funding. The funding schedule covers preliminary plans (P), working drawings (W), construction (C), and equipment (E). The total cost does not include consultant management fees (program and construction). Due to the State Chancellor's Office directive freeze for the 2019/20 year, the District will not submit Initial Project Proposals (IPPs) and Final Project Proposals (FPPs) this fiscal year. Previously submitted IPPs and FPPs remain the same. This agenda item was submitted by Richard Williams, District Director, Facilities Planning & Construction.

How does this relate to the five District Strategic Directions? This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

SUBJECT: Cornerstone On Demand Online Performance Management and Learning Management Systems

BACKGROUND: Historically the District has required employee evaluations be completed in paper format, scheduled annually or per the individual unit's bargaining agreements. Currently, tracking employee evaluation compliance and completion is strictly manual and labor intensive; resulting in a lower level of employee engagement and compliance than is optimal. Additionally, the District does not have a mechanism in place to move from evaluation to employee development through the recommendation and tracking of professional learning opportunities resulting from the employee evaluation.

The Human Resources Department developed a set of functional requirements and viewed in-depth demonstrations presented by three vendors. The three vendors were evaluated based on the meeting or exceeding the established functional requirements and overall costs. The top two vendors were invited back for additional demonstrations, with the final vendor also providing a demo to campus leadership.

Cornerstone on Demand was chosen as the best fit for the District needs based on the functionality and flexibility delivered, the integration with existing Banner programs, and price. The Cornerstone Performance management program is fully hosted online and allows for unique evaluation criteria and tools, electronic workflow and vast reporting functionality, aiding in tracking and compliance. The Learning Management System integrates existing and newly created employee trainings and the Staff Development Calendar with online access to thousands of additional OER training resources. Additionally, the Learning Management System tracks completion of recommended training sessions, aiding in compliance and accreditation reporting. Significant price reductions will be realized by subscription for four years with no annual increases in license fees, with an option to renew for four year periods thereafter. Upon District election to terminate; the District will be responsible to pay a prorated amount for services through the date of termination.

The one-time and ongoing costs for both the online Performance Management and Learning Management systems are:

Service	Annual Cost	One-Time Cost
License - Year One to Year Four	\$45,000	
Cornerstone Ongoing Training & Support Year One to Year Four	\$1,750	
Implementation Services		\$76,000
Travel Costs		\$3,500
TOTAL Year One	\$46,750	\$79,500
TOTAL Year One to Year Four	\$266,500	

This agenda item was submitted by Irma Ramos, Vice Chancellor, Human Resources, in consultation with Deborah Ludford, District Director of Information Services.

How does this relate to the five District Strategic Directions? This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

How does this relate to Board Policy: This item is in accordance with Board Policy 3720, Computer and Electronic Communication Systems and Board Policy 6340, Contracts.

FUNDING SOURCE AND FINANCIAL IMPACT: Funding will be provided from District services funds and Board Discretionary Contingency.

RECOMMENDATION: Authorization is requested to enter into an online service agreement with Cornerstone On Demand, for a four-year period beginning July 1, 2017, for an amount not to exceed \$266,500. Authorization is further requested for the Vice Chancellor, Finance & Facilities, or District Director, Purchasing, to execute the agreement on behalf of the District.
