		Resolution	_____
DATE:	June 28, 2022	Information	_____
		Enclosure(s)	X
SUBJECT:	Fiscal Year 2022-2023 Tentative Budget		

BACKGROUND: Pursuant to California Code of Regulations §58301 and §58305, and in accordance with Board Policy 6200, Budget Preparation, the District shall develop a Tentative Budget on or before the first day of July. In addition, the Board shall identify the date, time, and location at which a public hearing on the Proposed Budget will be held.

As in previous years, this year’s Tentative Budget is a rollover budget in order to continue operations in the 2022-23 fiscal year. For the ongoing General Fund budget, the Tentative Budget has incorporated implemented and anticipated changes in revenues and expenditures, including estimates contained in the Governor’s May Revise Budget and current budget hearings.

For the rest of the general funds as well as the other District funds, some carryover estimates have been included; however, final carryover balances will be computed as part of the year-end closing process and will be reflected in the Proposed Budget which will be presented in September. The District’s Proposed Budget will also incorporate any changes which occurred in the finalized State Budget.

Following is a comparative summary of revenues, transfers in, appropriations, and other uses for general funds of the District contained in the 2021-2022 Approved and 2022-2023 Tentative Budgets. All other funds are presented in the attached enclosures.

	<u>2021-2022</u> <u>Approved Budget</u>		<u>2022-2023</u> <u>Tentative Budget</u>
General Fund:			
Revenues	\$ 351,827,342	\$	327,034,945
Backfill from Hold Harmless*	10,259,056		35,105,270
Backfill from Carryover*	204,467		2,739,915
Transfers In – Chargebacks**	1,622,745		1,622,745
Transfers In	2,588,070		1,028,404
Appropriations	(374,261,856)		(340,550,676)
Backfill to RAM*	(10,259,056)		(37,640,718)
Transfers Out – Chargebacks**	(1,622,745)		(1,622,745)
Transfers Out	(10,644,699)		(3,222,871)
Contingencies	(78,637,789)		(68,053,669)
Inc/(Dec) to Beg Bal	\$ (108,924,465)	\$	(83,559,400)

*: Backfill amounts offset each other within the General Fund.

**: Chargebacks offset each other within the Resource Allocation Model.

In the above table and within the summaries in the attached enclosures, revenues consist of all revenue sources. Within the General Fund, revenues include apportionment income, taxes, categorical funding, lottery funds, etc. Backfill from Hold Harmless and Backfill from Carryover are amounts transferred to supplement the Resource Allocation Model (RAM). Chargeback Transfers In are to reimburse one budget center for costs shared with another budget center and which have been incorporated into the RAM. Transfers in are resources coming into the General Fund from other funds such as redevelopment revenues from the Capital Outlay Fund. Appropriations are the accumulation of expenditure line item budgets such as salary and benefits and operating expenses. Backfill to RAM matches the backfill provided within the General Fund. Chargeback Transfers Out match the Chargeback Transfers In incorporated into the RAM. Transfers out are funds transferred to other funds such as to the Capital Outlay Fund for scheduled maintenance, additional support to the Child Development Fund, and for Hospitality Funds managed by the campus Bursars. Contingency is a category where dollars are held in reserve and/or have not been applied to specific line item budgets. In the case where there is a negative number in the "Inc/(Dec) to Beg Bal," this represents the allocation or use of carryover funds.

At this time, targeted FTES for 2022-23 have been estimated. The Student Centered Funding Formula (SCFF) rates have been adjusted to reflect the changes from the Governor's May Revised Budget, which includes the application of a 9.89% increase to the FTES funding rate. However, the positive impact on the SCFF of the increase to the rates is adversely impacted to a greater extent by continued declines in enrollments. The budget assumptions discussion included with the RAM provides more information on costs incorporated into the Tentative budget.

Additionally, the campuses continue to face structural deficits, which need to be addressed. Since we are continuing to be funded based on an emergency conditions provision that artificially holds our funded FTES numbers to the 2019-20 P1 levels, this additional, temporary portion of the SCFF has been allocated to the campuses to supplement the earned SCFF revenue. Additional one-time funds are being used to supplement the structural deficit. The campuses are continuing their work to address these structural deficits.

This agenda item was submitted by Kashmira Vyas, District Director, Fiscal Affairs.

How does this relate to the five District Strategic Directions? This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

How does this relate to Board Policy: This agenda item is submitted in accordance with Board Policy 6200, Budget Preparation.

FUNDING SOURCE AND FINANCIAL IMPACT: The Board-approved 2022-23 Tentative Budget will be rolled into Banner and will become the preliminary budget for the 2022-23 fiscal year. After the close of the 2021-22 fiscal year, final carryover balances and any necessary budget revisions will be incorporated and presented to the Board in September as the 2022-23 Proposed Budget.

RECOMMENDATION: It is recommended that the Board approve the Tentative Budget for Fiscal Year 2022-23 for all funds of the District. It is also recommended that the Board set a public hearing for September 13, 2022, at the Anaheim Campus Board Room at or about 6:00 p.m. pursuant to §58301 of Title 5, California Code of Regulations, to provide the public with an opportunity to comment on the budget prior to the adoption of the Proposed Budget.

Methodology Applied to Develop Tentative Budget

Ongoing costs comprise the structure of the entire District. These are the expected ongoing resources we expect to earn and the ongoing expenditures that we have built into our operations. We have updated the assumptions underlying these amounts and have provided those in the supporting documents herein.

<u>Self-Supported</u>		
Revenues	\$ 3,678,729.00	\$ 3,636,103.00
Backfill from Hold Harmless	-	-
Backfill from Carryover	204,467.00	204,467.00
Transfers In	-	-
Appropriations	(3,783,196.00)	(3,740,570.00)
Transfers Out	-	-
Contingencies	(100,000.00)	(100,000.00)
Inc/(Dec) to Beg Bal	<u>-</u>	<u>-</u>

Self-Supported activities are those that each budget center participates in that are expected to bring in sufficient revenues to cover the expected costs. At Tentative, these are budgeted to balance revenues and expenses.

<u>Carryover/ Designated/Committed</u>		
Revenues	\$ 14,107,671.00	\$ 37,868,188.00
Transfers In	-	-
Appropriations	(17,670,195.00)	(16,251,662.00)
Backfill to RAM	(10,259,056.00)	(37,640,718.00)
Transfers Out	(10,226,295.00)	(2,804,467.00)
Contingencies		
Nonspendable	(228,196.00)	(228,196.00)
Committed	(6,337,728.00)	(6,337,728.00)
Assigned	(21,220,552.00)	(15,547,559.00)
Uncommitted	(49,500,837.00)	(42,537,039.00)
Total Contingencies	<u>(77,287,313.00)</u>	<u>(64,650,522.00)</u>
Inc/(Dec) to Beg Bal	<u>(101,335,188.00)</u>	<u>(83,479,181.00)</u>

Carryover funds are those that we often refer to as "one-time funds". We do a detailed analysis of all settle-up costs and specifically allocated costs once we have closed the books for the current fiscal year. Consequently, for Tentative, we do not adjust these much, but balance the total to the current fund balance in Banner.

<u>Categorical/Restricted</u>		
Revenues	\$ 112,266,099.00	\$ 70,644,906.00
Transfers In	1,588,070.00	28,404.00
Appropriations	(119,203,063.00)	(75,970,831.00)
Transfers Out	-	-
Contingencies	(664,585.00)	(2,772,256.00)
Inc/(Dec) to Beg Bal	<u>(6,013,479.00)</u>	<u>(8,069,777.00)</u>

Categorical and Restricted funds are those that generally come with restrictions on what they can be used for. For Tentative, for grants, we will budget these so they balance. The remaining differences are the result of carryover funds that are restricted for Health Services, Instructional Equipment, Parking, Lottery, Veterans Services funds and Administrative Allowances.

<u>Total</u>		
Revenues	\$ 351,827,342.00	\$ 327,034,945.00

BACKGROUND: An election was held in the North Orange Community College District on November 4, 2014 for the issuance and sale of general obligation bonds of the District for various college improvements in the maximum amount of \$574,000,000 (the “Measure J”). The schedule for issuing the third series of bonds authorized under Measure J (the “Bonds”) currently anticipates selling such Bonds after the time that the Auditor-Controller calculates the taxes to be levied for District bonded debt during fiscal year 2022-23. Therefore, Resolution No. 21/22-27 is being brought before the Board of Trustees now to formally request that, pursuant to Education Code Sections 15252-15254, the Board of Supervisors of Orange County (the “County”) adopt a tax rate and levy a tax for the Bonds. The tax rate will be based upon an estimated debt service schedule prepared by the District. The Resolution further authorizes the District officials to file a certified copy of the Resolution with the Board of Supervisors of the County and to deliver copies of the Resolution to the Auditor-Controller and Treasurer and Tax Collector of the County.

Adoption of this Resolution is necessary to ensure that property taxes are levied during fiscal year 2022-23 for the payment of the Bonds. The Bonds are expected to be sold during fiscal year 2022-23.

How does this relate to the five District Strategic Directions? This item relates to District Strategic Direction 1) Stewardship of Resources – NOCCCD will promote a shared vision of responsible stewardship of District resources through transparent and inclusive decision-making and integrated planning.

How does this relate to Board Policy: N/A

FUNDING SOURCE AND FINANCIAL IMPACT: There is no fiscal impact to the General Fund resulting from the issuance of the Bonds.

RECOMMENDATION: It is recommended that the Board approve Resolution No. 21/22-27, Requesting Board of Supervisors of Orange County to Establish Tax Rate for Bonds of North Orange County Community College District Expected to be Sold During Fiscal Year 2022-23, and Authorizing Necessary Action in Connection Therewith.

**RESOLUTION OF THE GOVERNING BOARD OF TRUSTEES OF THE
NORTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT
REQUESTING BOARD OF SUPERVISORS OF ORANGE COUNTY, CALIFORNIA TO
ESTABLISH TAX RATE FOR BONDS OF NORTH ORANGE COUNTY COMMUNITY
COLLEGE DISTRICT EXPECTED TO BE SOLD DURING FISCAL YEAR 2022-23,
AND AUTHORIZING NECESSARY ACTIONS IN CONNECTION THEREWITH
RESOLUTION NO. 21/22-27**

WHEREAS, this Board of Trustees (the “Board”) of the North Orange County Community College District (the “District”), located in Orange County (the “County”), California, is authorized to, and intends to, issue a series of general obligation bonds for the purposes authorized by the voters of the District at an election held on November 4, 2014 (“Measure J”);

WHEREAS, the Board of Supervisors of the County is required to take action approving a tax rate for payment of indebtedness of the District during Fiscal Year 2022-23, and it is the responsibility of the Auditor-Controller of the County to calculate the several tax rates for the Board of Supervisors’ action thereon;

WHEREAS, this Board has determined that it is not possible or advisable to sell the District’s bonds in time to permit the Auditor-Controller, or other appropriate County official, of the County to calculate the tax rates necessary to pay debt service on such bonds in order that such tax rates may be reflected on 2022-2023 property tax bills of taxpayers in the District;

WHEREAS, the Education Code of the State of California provides that the Board of Supervisors of each county shall annually, at the time of making the levy of taxes for county purposes, estimate the amount of money required to meet the payment of the principal of and interest on the bonds authorized by the electors of the District and not sold, and which the Board of Trustees of the District informs the Board of Supervisors in their belief will be sold before the next tax levy, and further provides that said Board of Supervisors shall levy a tax sufficient to pay the principal and interest so estimated; and

WHEREAS, this Board deems it necessary and desirable to issue a series of the District’s bonds during Fiscal Year 2022-23, as authorized by the Government Code, and that the County levy a tax for payment on debt service estimated to come due on such bonds during Fiscal Year 2022-23, and believes that said bonds will be sold during said Fiscal Year.

**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF TRUSTEES OF
NORTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT:**

Section 1. Recitals. All of the above recitals are correct.

Section 2. Estimate of Tax Levy. The Vice Chancellor of Finance and Facilities of the District or such other officer of the District as such authorized officer may designate (each, an "Authorized District Representative"), are hereby authorized and directed to prepare, or cause the municipal advisor to the District, to prepare, an estimate of all payments of principal and interest which shall become due on a series of Measure J bonds of the District expected to be sold prior to the making of the tax levy for Fiscal Year 2022-23, and to cause the debt service schedule so prepared to be provided to the Board of Supervisors and the Auditor-Controller of the County and to any other officers of the County responsible for preparing the tax levy for bonds of the District and for levying said tax. The District estimates that the sale of Measure J bonds shall be in the amount of approximately \$150,000,000, which amounts are within the District's authorized but unissued bond allowance for Measure J, and are expected to be issued in October 2022.

Section 3. Request to County to Levy Tax. The Board of Supervisors of the County is hereby requested, in accordance with Education Code Section 15252-15254, to adopt a tax rate for bonds of the District expected to be sold during Fiscal Year 2022-2023, based upon the estimated debt service schedule prepared by officers of the District, and to levy a tax in Fiscal Year 2022-23 on all taxable property in the District sufficient to pay said estimated debt service. The proceeds of such tax shall be deposited into the debt service fund of the District established pursuant to the Education Code for bonds of the District.

Section 4. Application of Tax Proceeds. In the event that the bonds of the District are not sold during Fiscal Year 2022-23, or sold in such amount and on such terms that the proceeds of the tax requested in Section 3 hereof, or any portion thereof, are not required for payment of debt service due on the bonds, or payment of other outstanding bonds of the District payable from the debt service fund of the District, this Board hereby requests that the Auditor-Controller, or other appropriate official of the County cause the remaining proceeds of the tax to be held in the debt service fund and applied to debt service on outstanding bonds of the District coming due in Fiscal Year 2023-24.

Section 5. Filing of Resolution. The Secretary of this Board is hereby authorized and directed to file forthwith a certified copy of this Resolution with the Clerk of the Board of Supervisors of the County, and to cause copies of this Resolution to be delivered to the Auditor-Controller and the Treasurer-Tax Collector of the County.

Section 6. Further Authorization. The President of this Board, the Secretary of this Board, or any Authorized District Representative, shall be and they are hereby authorized and directed to take such additional actions consistent with the intent of this Resolution in connection with the sale of the bonds of the District, which any of them deem necessary and desirable to accomplish the purpose hereof.

Section 7. Effective Date. This resolution shall take effect from and after its adoption.

SUBJECT: Student Accident and Intercollegiate
Athletic Accident Insurance for 2022-2023

BACKGROUND: Student accident insurance provides coverage for injuries to students participating in a class or District sponsored activities while on campus and athletes during practice and competition. The District participates in Student and Athlete Insurance Network (S.A.I.N.) program, a medical insurance plan underwritten by Anthem Blue Cross. This is a risk pool plan with approximately forty (40) other colleges, and the premium is based on the number of enrolled students/athletes rather than the claims/loss experience. This program offers spread of risk, more stability, and is slower to react to adverse claims experience and fluctuating market conditions. The number of participating physicians are vast through the Blue Cross network, and the discount on charges is significantly more than the conventional insurance programs. Philadelphia Insurance provides the catastrophic insurance with uninterrupted coverage of up to \$1,000,000.

Access to the desired providers is easy, and the average annual PPO discount in costs is 80%. Due to the deep discounts, the District's average loss ratio (amount paid in claims vs amount collected in premium) is 51% (not including the 2021-22 losses, which have not matured yet). While the District's loss ratio does not directly impact the premium in this program, the loss trend and the combined losses for S.A.I.N. will affect insurance rates for future years, for all members. The District's true loss ratio (before the discounts) are as follows: 2017-18, 142%; 2018-19, 310%; 2019-20, 417%; 2020-21, 128%; and 2021-22, 249%, although the last year's claims will not mature for another year or two. As is evident, the cost of claims far exceeded the amount of premium paid each year. Based on the claim history, the District would have likely experienced premium increase of 50% or more if traditional (Usual and Customary) commercial insurance had been purchased. Therefore, participating in the S.A.I.N. program has served the District well.

The risk pool performed well due to better utilization of the Anthem Blue Cross network by all members and discontinuation of competition in 20-21. Except for 20-21, the majority of claims were from football, followed by soccer, basketball, and baseball. The injuries mostly resulted from contact/collision and while jumping, running and pivoting, which are the essential aspects of these sports. All efforts have been made to mitigate athlete injuries such as the concussion and conditioning programs, diligent use of braces, and maximum services by the athletic trainers before, during, and after the sports season. Although the total number of students decreased from last year, the number of athletes has increased by 95 for the 2022-23 year. Because the premium rate for the athletes is higher, combined with the added benefit of eliminating the deductible for both general students and athletes (\$50 and \$100 respectively) the total premium is higher than last year.

The catastrophic insurance is provided through a commercial insurance, and the premium remained the same from last year.

Coverage for non-credit students was initially purchased for 2019-20 as a pilot program. The broker extended coverage using the FTES number, rather than the unduplicated student count for the fall and summer sessions, which is customary. Since NOCE is primarily of part time students, using the FTES saved a lot of money.

The premium amounts for the multiple layers of coverage for the previous years and the new fiscal year are as follows:

	<u>2019-20</u>	<u>2020-21</u>	<u>2021-22</u>	<u>2022-23</u>
Basic Student	\$197,115	\$201,454	\$197,233	\$208,314
Non-Credit	3,891	1,190	1,069	\$1,069
Basic Catastrophic	5,410	6,080	6,080	6,080
Athletes	Included	Included	Included	Included
Athletes Catastrophic	7,709	8,377	8,377	8,377
Total	\$214,125	\$217,101	\$212,759	\$223,840

This agreement will be on file in the District Business Office.

This agenda item was submitted by Tami A. Oh, District Director, Risk Management.

How does this relate to the five District Strategic Directions? This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

How does this relate to Board Policy: This item is submitted in accordance with Board Policy 5205, Student Accident Insurance.

FUNDING SOURCE AND FINANCIAL IMPACT: Funding will be made through the District-wide available on-going resources.

RECOMMENDATION: Authorization is requested to enter into agreements with Anthem Blue Cross and Philadelphia Insurance through Student Insurance for student accident and intercollegiate athletic accident insurance for 2022-23 in the amount of \$209,383 for basic coverage and \$14,457 for catastrophic coverage, for NOCE, Cypress College, and Fullerton College, effective August 1, 2022. Further authorization is requested for the Vice Chancellor, Finance & Facilities, or the District Director, Purchasing, to bind the insurance policies on behalf of the District.

SUBJECT: Renaming the 200 Building at Fullerton College in Honor of Cruz Reynoso

BACKGROUND: Cruz Reynoso was an alumnus of Fullerton College. During his lifetime, he was an outspoken advocate for social justice on behalf of immigrants, farm workers, and the rural poor. A contemporary and friend of Cesar Chavez and Dolores Huerta, he used his law expertise to fight for the rights of farm workers and rural poor and was awarded the presidential Medal of Honor. He became the first Latino State Supreme Court Justice in California.

Reynoso was born in Brea and attended Fullerton College. He was devoted to student services and was elected the first Latino Associated Student President. Fullerton College can raise awareness of this amazing individual and his legacy for our students; two-thirds of whom are Latin@/X and many of whom come from working-class backgrounds.

The Fullerton College Diversity Advisory Committee, Faculty Senate, President’s Advisory Council, and Interim President Gilbert J. Contreras recommend that Fullerton College name the 200 Building in honor of Cruz Reynoso for historical significance. The College will create a campaign to raise awareness about the legacy of Cruz Reynoso and his connection to Fullerton College. The College recognizes the importance of identifying individuals whose contributions may have been forgotten or ignored due to their marginalized identities.

Under our Board Policy and Administrative Procedures, the recognition by the naming of a District facility or property may be recommended to honor any person who has achieved unique distinction through campus leadership, services to students, services to the community, uncommon achievement, and/or contribution to the advancement of the mission and goals of the District. The recommendation may be made by any group. This recommendation came through the District Consultation Council (DCC) where the following vote took place: 13 – Ayes, 1 – Noes, 4 Absent, and 5 – Abstentions. Per the Board Policy and Administrative Procedure, the final recommendation will be brought before the Board for consideration at a future date.

The naming of the 200 building on the Fullerton College campus would include a celebration and a college-wide campaign to highlight the contributions of Cruz Reynoso who passed in May 2021. This will increase the visibility of the College within the community and at the state level. We hope to have this celebration during Hispanic History Month (September 2022) with potential guests like Dolores Huerta and Sylvia Mendez.

The Regular and Contract Faculty Salary Schedules will first be increased by five-point zero seven percent (5.07% funded COLA) for 2021-2022 and then increased by the funded COLA for 2022-2023, across the schedule, effective Fall 2022.

The Regular and Contract Faculty Overload Teaching Schedule will first be increased first by five-point zero seven percent (5.07% funded COLA) for 2021-2022 and then increased by funded COLA for 2022-2023, across the schedule, effective Fall 2022.

The Regular and Contract Faculty Overload Nonteaching Schedule will first be increased by five-point zero seven percent (5.07% funded COLA) for 2021-2022 and then increased by funded COLA for 2022-2023, across the schedule, effective Fall 2022.

The Regular and Contract Faculty Summer Intersession Teaching Salary Schedule will be increased by funded COLA for 2022-2023, across the schedule, effective Summer 2023.

Two-thousand dollars (\$2,000.00) of the current fringe benefit allowance (\$4,646.10) will be moved to the salary schedules, effective Fall 2022. The remaining balance of \$2,646.10 shall remain as fringe benefit allowance.

How does this relate to the five District Strategic Directions? NOCCCD will provide an inclusive, equitable, and welcoming environment to support the well-being and professional growth of all employees. #3 – The District will regularly evaluate and address salaries and benefits to ensure fair compensation for all employees.

How does this relate to Board Policy: This item is in compliance with Chapter 7, Human Resources, Administrative Procedure 7240-10, Section 2.0, and Board Policy 7130 Compensation, which states the Board will establish salary and benefits for employees.

FUNDING SOURCE AND FINANCIAL IMPACT: Implementation of the salary adjustment is within budget.

RECOMMENDATION: It is recommended that the Board approve the attached Faculty Salary

Schedules with respective effective dates, which reflect the five point zero seven percent (5.07%) on-schedule adjustment and six point five six percent (6.56%) funded COLA, effective Fall 2022

It is further recommended that the attached Faculty Salary Schedule, which reflects the two-thousand dollars (\$2,000.00) of the current fringe benefit allowance (\$4,646.10) be moved to the Faculty Salary Schedules effective Fall 2022, be approved.

Item 5.f: The Board received the initial proposal for a successor agreement between CSEA Chapter #167 and the District, set a public hearing for June 28, 2022, and received the following public comments:

Jodi Balma, Fullerton College Faculty, addressed the Board in support of CSEA colleagues who are asking for flexibility with remote schedules, shared messages from students regarding the remote student services they received, and requested that Fullerton College bring back Cranium Café for office hours like Cypress College and NOCE offer.

Marwin Luminarias, Fullerton College Staff, advocated for a hybrid work schedule in the District noting that it would allow employees to serve students by meeting them where they are and not creating obstacles. He urged the Board to direct the District Negotiating Team to give CSEA the option.

Emma Lopez, CSEA Labor Relations Representative, expressed support for classified employees seeking a hybrid work schedule, noting that the schedule has worked effectively for the District already. She stated that local colleges are exploring hybrid scheduling and the District risks losing valuable employees if they do not do the same.

Hugo Flores, Fullerton College Staff, addressed the Board to share that for two years District staff have successfully served students while working remotely and under the current hybrid schedule. He stated that staff do not need to be on campus in order to serve students and highlighted the health, environmental, and morale benefits of a hybrid schedule.

Angela Haugh, Cypress College Staff, echoed support for a hybrid schedule and noted the proven effectiveness during the pandemic which she stated opened the door for innovation, a shift in paradigm, and bolstered time and money saving options including efficiencies for processes. She urged the Board to uphold the creative innovation in the District's mission statement by continuing the hybrid work schedule.

(See Supplemental Minutes #1299 for a copy of the CSEA successor agreement proposal.)

Item 5.g: The Board received the initial proposal for a successor agreement between the District and CSEA Chapter #167, set a public hearing for June 28, 2022, and received the following public comments:

Rod Lusch, District Retiree, provided a statement for the record regarding the District's proposed reopeners on benefits which would eliminate the Benefit Committee's decision-making authority and is counter to the Committee's purpose when it was established, and also commented on the health and welfare benefits plan and its proposed changes.

(See Supplemental Minutes #1299 for a copy of the full statement.)

Pamela Spence, CSEA President, stated that CSEA is glad to begin negotiations with the District, but noted that it is unusual to bring two items to sunshine at this time and is consulting with the CSEA field office on the matter. She stated that CSEA representatives are going to the table with open minds and asked for the same from the District.

(See Supplemental Minutes #1299 for a copy of the District successor agreement proposal.)

GENERAL

Item 6.a: The Board considered whether to continue or suspend the mask mandate for trustees and other attendees of Board meetings. Board Vice President Ed Lopez introduced the discussion by clarifying that the District mask mandate was separate from the one that the Board imposed for their meetings.

It was moved by Trustee Ryan Bent and seconded by Trustee Stephen T. Blount to suspend the mask mandate for trustees and other attendees of Board meetings effective immediately.

Trustee Ryan Bent stated that outside of medical facilities the District is the only place that still requires masks and that individuals should have the personal freedom to decide whether they want to wear a mask without a mandate in place.
