Investments in the Orange County Treasurer's Money Market Educational Investment Pool and the Cypress and Fullerton colleges' investments meet Board Policy 6320, Investments, adopted by the Board of Trustees on February 12, 2002, and revised on June 14, 2005. This agenda item was submitted by Rodrigo Garcia, District Director, Fiscal Affairs.

How does this relate to the five District Strategic Directions? How does this relate to Board Policy: This item is submitted in accordance with Board Policy 6320, Investments.

NORTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT

TO: BOARD OF TRUSTEES

DATE: August 25, 2015

SUBJECT: North Orange County Regional Consortium
Adult Education Block Grant
Appointment of Designee

Action	<u>X</u>
Resolution	_____
Information	_____
Enclosure(s)	_____

BACKGROUND: In 2013-14, the State Budget included a two year, \$25 Million total, state-wide adult education planning grant. AB 86 called for the development of local regional consortia comprised of representatives from Community College Districts, K-12 Districts, and other organizations that serve a role in adult education (each consortium was defined by the boundaries of a community college district). The purpose of the planning grant was to evaluate existing adult education programs, identify needs/gaps, and develop plans to address the identified needs/gaps.

To transition from planning to implementation, the 2015-2016 State Budget includes a \$500 Million Adult Education Block Grant (AEBG) to be allocated among the regional consortia. The accompanying trailer bill, AB 104, includes language that identifies the program areas of adult education that can be funded through this allocation and the necessary decision-making structure. Specifically, AB 104, Article 9, Section 84905(a) authorizes a community college district, school district, county office of education, or any joint powers authority to join the local adult education consortium as a member; Section 84905(c) states that a member of the consortium shall be represented only by an official designated by the governing board of the member; and Section 84905(d)(1) describes the decision-making procedures including a requirement that all members of the consortium shall participate in any decision made by the consortium, Section 84905(d)(1)(A).

The School of Continuing Education, as well as Fullerton College and Cypress College, are all integral parts of the North Orange County Regional Consortium (NOCRC). The NOCRC also includes, as equal members, Anaheim Union High School District, Fullerton Joint Union School District, Los Alamitos School District, and Placentia-Yorba Linda Unified School District; all of whom are also going through the process of appointing a Board-approved designee. At the last NOCRC Executive Committee meeting, José Ramón Nunez, Vice President of Instruction for Fullerton College, recommended that the position of SCE Provost be the NOCCCD designee since SCE provides the majority of the adult education services in the District.

This item is submitted by Jesse Crete, SCE Special Projects Manager.

How does this relate to the five District Strategic Directions? This item respond to District Strategic Direction V: The District will develop and sustain collaborative projects and partnership with the community’s education institutions, civic organizations, and businesses.

How does this relate to Board Policy: This item relates to Board Policy 4027, Philosophy and Criteria for Continuing Education.

FUNDING SOURCE AND FINANCIAL IMPACT: Adult Education Block Grant (AEBG) funding. The regional consortia cannot receive implementation funding until each consortium member has a Board-approved designee. The 2015-16 allocation amount is still to be determined by the State Chancellor’s Office.

RECOMMENDATION: It is recommended that School of Continuing Education Interim Provost, Valentina Purtell, be appointed the North Orange County Community College District Designee for the North Orange County Regional Consortium (NOCRC) for the 2015-2016 academic year.
