As requested by the Board, the report has been modified to include job titles, job classes, and departments for each person. Also, the names of the organizations and conferences have been fully spelled out.

**TO:** BOARD OF TRUSTEES Action     X      
**DATE:** October 9, 2018 Resolution             
Information             
Enclosure(s)             
**SUBJECT:** Renew Automated Teller Machine (ATM)  
Service Agreement with SchoolsFirst  
Federal Credit Union

**BACKGROUND:** On July 23, 2013, the Board renewed an agreement with the SchoolsFirst Federal Credit Union (Schools First FCU) for the placement of ATMs at Cypress College, Fullerton College and the Anaheim Campus. The agreement expired on July 1, 2018, and the colleges wish to continue this relationship and renew the contract for an additional five years. There are currently four ATMs located throughout the District – one at Cypress College, one at Anaheim Campus and two at Fullerton College.

SchoolsFirst FCU charges a withdrawal transaction fee, due to on-going and consistent cost increases with regard to the servicing and maintenance of the machines. This fee is charged only to non-credit union and co-op members at the ATMs. SchoolsFirst Federal Credit Union will pay Fullerton College and Cypress College 50% of the surcharge income received at the ATMs on a monthly basis. No surcharge income will be paid for the ATM located at the Anaheim Campus until the transaction volume exceeds \$2,500 per month. Once the transaction volume reaches 50% of the surcharge, income will be paid to the North Orange Continuing Education for the ATM at the Anaheim Campus. SchoolsFirst Federal Credit Union also pays \$100 monthly Utility fee for each ATM.

SchoolFirst Federal Credit Union is also willing to waive the ATM fees to the Districts financial aid students who use the Bank Mobile debit card. Bank Mobile is a third party the District partners with to handle financial aid disbursements.

This agenda item was submitted by Fred Williams, Vice Chancellor, Finance & Facilities.

**How does this relate to the five District Strategic Directions?** This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

**How does this relate to Board Policy:** This item is submitted in accordance with Board Policy 6340, Contracts.

		Information	<u>          </u>
<b>SUBJECT:</b>	Sherbeck Field Improvements Environmental Impact Report (EIR) Contract Amendment No. 1 Request	Enclosure(s)	<u>          </u>

**BACKGROUND:** In May 2018, Fullerton College completed the public comment period for the Sherbeck Field Improvements Environmental Impact Report (EIR) Notice of Preparation (NOP). Due to the quantity, extent, and nature of the comments received, Dudek, the District California Environmental Quality Act (CEQA) consultant, has requested additional funding to provide the additional services required to fully address the comments.

The original proposal submitted by Dudek of \$216,690 was reduced by \$35,500 to \$181,190 and was approved by the board on June 13, 2017. The original proposal included a Friday night traffic study as well as additional hours for a variety of tasks such as preparation of project description, scoping meeting, preparation of administrative draft EIR and final draft EIR. Since it was determined that Fullerton College was not going to have any Friday night football games it was decided to remove that analysis from the scope.

Following the scoping meeting held in May 2018, many comments were received. Comments creating scope outside of the original proposal approved June 13, 2017 include the following:

- Caltrans has requested that, in addition to existing traffic analysis, the College conduct a freeway mainline analysis for locations on the State Route (SR) - 57 Freeway and the SR-91 Freeway, including a merge/diverge analysis at applicable on/off ramps and a ramp queuing analysis at applicable on/off ramps.
- The City of Fullerton has requested that, in addition to existing traffic analysis, Fullerton College evaluate a “worst-case” situation where Fullerton High School and Fullerton College host games or activities simultaneously.
- The City of Fullerton has requested that, in addition to existing chapters, Fullerton College prepare a Utilities and Service Systems chapter for the EIR using accepted CEQA methodologies.
- Correspondence from an attorney on behalf of a neighborhood council has prompted additional internal review of CEQA documentation. Dudek will incorporate responses to two additional rounds of attorney review and comment.

The cost for these services are not expected to exceed \$150,000. To accommodate additional services and response time, we are also requesting to extend the contract end date to December 31, 2019.

This agenda item was submitted by Oscar Saghieh, Project Manager, Campus Capital Projects and Rodrigo Garcia, Fullerton College Vice President of Administrative Services.

**How does this relate to the five District Strategic Directions?** This item responds to District Strategic Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

**How does this relate to Board Policy:** This item is submitted in accordance with Board Policy 6600, Capital Construction.

**FUNDING SOURCE AND FINANCIAL IMPACT:** The consultant's fees in the amount of \$150,000 including direct costs will be charged to the Capital Outlay Fund.

**RECOMMENDATION:** Authorization is requested to approve an augment to the existing agreement with Dudek for the Fullerton College Sherbeck Field Improvements EIR in the amount of \$150,000, which brings the total contract to the not-to-exceed amount of \$331,190. Authorization is also requested to extend the contract end date to December 31, 2019. The term of the augment shall be effective October 9, 2018, through December 31, 2019. Authorization is further requested for the Vice Chancellor, Finance & Facilities, or District Director, Purchasing, to execute the agreement on behalf of the District.

**BACKGROUND:** The divisions and the Curriculum Committee at Cypress College and the District Curriculum Coordinating Committee have approved the attached summary of new curriculum and curriculum revisions.

The Educational Master Plan has indicated that "instructional programs need to be continually reviewed as to viability and priority" and the curriculum "needs to provide state-of-the-art training in vocational programs." The assessment process, mandated by the state, provides several reasons for the proposed curricular changes: (1) to meet changing employment requirements, as per the recommendations of both the faculty and advisory committees; (2) to expand and streamline certificate programs in keeping with state mandates; (3) to provide meaningful categorization of Faculty Service Areas; (4) to provide specific courses to meet student needs; (5) to restructure programmatic curricula; (6) to provide greater consistency between Cypress and Fullerton courses; and (7) to eliminate courses that either are no longer critical or that have been subsumed into other curricular offerings.

All curricula are submitted to the President's Office for review and approval prior to submission to the District Curriculum Coordinating Committee. This agenda item is submitted by Silvie Grote, Chair of the Cypress College Curriculum Committee.

**How does this relate to the five District Strategic Directions?** This item responds to District Strategic Direction #1: The District will annually improve the rates of completion for degrees, certificates, diplomas, transfers, transfer-readiness requirements, and courses.

**How does this relate to Board Policy:** This item is in compliance with Board Policy 4020, Program and Curriculum Development.

**FUNDING SOURCE AND FINANCIAL IMPACT:** Campus General Fund.

**RECOMMENDATION:** It is recommended that the Board approve the attached summary of curriculum changes for Cypress College, to be effective Fall 2018 and Fall 2019. The curricula have been signed by the Campus Curriculum Chairperson and the College President, and have been approved by the District Curriculum Coordinating Committee.
