

Additional Information
January 26, 2021 Board Meeting

The following additional information was provided regarding the January 26 Board meeting agenda:

Item 3.a, Purchase Order Listing:

1. P0142640: What is OneBlox? **OneBlox is the data storage equipment for the Fullerton College data center. It is an array of network-connected external hard drives that provides storage for all of the servers for backup, data recovery, and other auxiliary storage needs.**

Item 3.d, Supplemental Early Retirement Plan:

1. Is this for all employees or only faculty? **This item is only for full-time faculty.**

Item 3.l, Change Order for the Fullerton College Instructional Building Project:

1. What does CUP stand for? Does it mean Central Utility Plant? **Yes, that is correct.**

Item 3.n, Deductive Change Order for the Fullerton College Building 3100 Project: Good job! Thank you. We will share this with Larry Lara and his team.

Item 4.a, Cypress College Curriculum:

1. The Anthropology courses are now requiring completion of ENG 100. How will this impact student enrollment? How will this impact student success? I understand this stems from the change in eligibility of English, but I'm wondering how the change connects to the equity lens – that students bring assets to the class vs. the deficit lens of "they cannot write" and "keeping unqualified students out"? **Anthropology classes have traditionally had an advisory of completion of ENG 100, due to the reading and writing intensive nature of some of our anthropology classes. That advisory remains the same. The curriculum language was revised to reflect an advisory of completion, (rather than just eligibility of placement) but completion is not required in order to enroll. Students who have not completed ENG 100 are still able to enroll in all of the Anthropology classes without any registration issues**
2. Ethnic Studies Courses: Is the New CSU GE Area F - the Ethnic Studies area? **Yes. All these courses will now be aligned to fulfill articulation with the CSU Area F requirement for Ethnic Studies.**

Item 5.b, Classified Personnel: Attached are revised pages 5.b.3, 5.b.4, and 5.b.7 of the agenda which include corrections related to Anne-Marie Valadez and Armando Vega. The corrections have also been made to the posted agenda.

Item 6.a, Board Goals: The Board should support Diversity, Equity, Inclusion and Anti-racism throughout the District in coordination with the EMP. The Board should follow ACCT's Diversity, Equity and Inclusion checklist and implementation guide for Community College Boards.
