CYPRESS COLLEGE

Founded in 1966, Cypress College provides service to the community, offering a comprehensive educational program to its students. It is a student-centered institution, striving to achieve its vision of “A Premier Learning Environment for Student Success and Community Enrichment.” Faculty, staff and students work together in an atmosphere of open communication and mutual respect. A variety of innovative programs and specially-funded services provide creative learning opportunities for everyone on campus.

The college enrolls approximately 13,000 students each semester. There are over 200 full-time faculty (including 19 counselors) and over 450 adjunct faculty who are supported by more than 200 classified employees and 32 managers.

Incorporated in 1972, the Cypress College Foundation is a tax-exempt, nonprofit organization chartered to encourage contributions on behalf of the college. The Foundation is governed by a Board of Directors consisting of leading citizens of the Cypress College community. The Foundation’s current net worth is over $1 million.

Cypress College can be found on the web at www.cypresscollege.edu.

NORTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT

The mission of the North Orange County Community College District is to serve and enrich our communities and inspire life-long learning by providing education that is exemplary, relevant, and accessible.

Located approximately 40 miles southeast of Los Angeles, California, the North Orange County Community College District is the 12th largest in the nation, serving approximately 70,000 students each semester. The geographic boundaries of the District encompass 155 square miles.

The District includes the following cities: Anaheim, Brea, Buena Park, Cypress, Fullerton, La Habra, La Palma, Los Alamitos, Placentia, Rossmoor, Yorba Linda, and portions of the following cities: Garden Grove, La Habra Heights, La Mirada, Orange, Seal Beach, Stanton, Whittier, and unincorporated territory in both Los Angeles and Orange counties. There are more than one million people living within its boundaries. The District is governed by a seven-member Board of Trustees, elected at large by registered voters residing in the District. The Chancellor is Dr. Jerome Hunter. The total District budget for 2006-07 was $191 million.

The District includes Cypress College, Fullerton College, and the School of Continuing Education.

Cypress College and Fullerton College offer associate degrees, vocational certificates, and transfer education as well as developmental instruction and a broad array of specialized training.

The School of Continuing Education offers non-college credit programs including: high school completion, basic skills, vocational certificates, and self-development courses.

THE POSITION

DIAGNOSTIC MEDICAL SONOGRAPHY INSTRUCTOR
Job #CCF973

STARTING DATE
August 13, 2008

DUTIES AND RESPONSIBILITIES

Duties and responsibilities as presented are intended to be representative and not restrictive. The District reserves the right to modify the assignment and allocation of duties.

Teach assigned lecture and laboratory courses in the Diagnostic Medical Sonography, Radiology Technology, and Health Science disciplines in a manner consistent with the department’s standards, and with the content cited in the approved course outline and plan of instruction.

Acquire/maintain education and skills necessary for competency to teach any course in Diagnostic Medical Sonography.

Perform professional tasks related to the areas of assignment, in student advisement, curriculum design, evaluation, program revision, computer skills and other affairs of the department/division.

Supervise and evaluate students in theory and directed practice settings; establish and maintain liaison with professionals in the directed practice setting.

Remain current in the subject matter areas and in the techniques of effective instruction through recent work experience and professional development.

Serve as clinical coordinator of the Diagnostic Medical Sonography program with responsibility for maintaining accreditation standards as well as other related assigned duties.

Maintain formal office and campus hours; participate in department and division meetings.

Participate in curriculum development and serve on division, college and district committees as necessary to maintain and improve the instructional program; participate in appropriate professional development activities.

Maintain current knowledge of instructional methods and new technologies pertinent to areas of assignment; learn and apply emerging technologies and advances (e.g., computer software applications) as necessary to perform duties in an efficient, organized and timely manner.

Teach scheduled classes and perform related duties as assigned, including timely compliance with clinical and administrative responsibilities; comply with district, college and division policies in the performance of duties.

Instruct and assist in the growth and success of a diverse population of students through careful preparation of course materials, effective teaching methodologies and informed critical feedback on assignments and discussions.

Work cooperatively with staff and students.

Demonstrate sensitivity to and understanding of the disabilities and diverse academic, socioeconomic, cultural and ethnic background of students.

Evening and/or Saturday assignments may be required as part of the regular contract.

MINIMUM QUALIFICATIONS

Bachelor’s degree in any discipline AND two years of professional experience directly related to the teaching assignment; OR

Associate degree in any discipline AND six years of professional experience directly related to the teaching assignment; AND

Registry with the American Registry of Diagnostic Medical Sonographers in Abdomen and Obstetrics/Gynecology.

All degrees and course work used to satisfy the required minimum qualifications must be from accredited postsecondary institutions (see www.nocccd.edu/Employment regarding accredited postsecondary institutions). The award of all degrees must be verifiable on a legible transcript.

DESIRABLE QUALIFICATIONS

American Registry of Radiologic Technologists certification.

Teaching experience, preferably at the community college level.

Proficiency in teaching methodologies, supervision, instruction, evaluation, and guidance.

Experience using computers in instruction.

Leadership experience and/or participation in community or professional organizations.

Recent experience in Sonography and/or radiography.

Ability to work effectively in a team-teaching environment.

Ability to work in a fast-paced, ever-changing stressful environment while maintaining a professional demeanor.

Ability to design alternative learning activities that develop and/or modify different training outcomes.

Evidence of participation in curriculum development and coordination.

Graduate of an accredited Diagnostic Medical Sonography or Radiologic Technology program.

Experience with and commitment to working with culturally and ethnically diverse groups.

Effective oral and written communication skills.

SALARY

The initial salary placement range is $54,294 - $82,200 depending on applicable education and experience. Initial salary placement will be determined by the District Office of Human Resources in accordance with the faculty collective bargaining agreement and is not negotiable.

BENEFITS

The District is a participating agency in the CalPERS Hospital and Medical Care plan which allows eligible employees to select from several plans for their hospital and medical care. The District pays the full cost of the employee-only health insurance premium for the plan selected by the employee. In addition, the District provides a discretionary fringe benefit allowance that may be allocated toward the premium cost of eligible dependent health insurance, dental insurance, vision insurance, life insurance, accident insurance, income protection insurance, and available investment options.

APPLICATION PROCEDURE

Reference Job #CCF973 in all correspondence. Download the District Academic Application on our website at http://www.nocccd.edu, or email requests to hr@nocccd.edu, or contact the Human Resources Office at (714) 882-4810. All application materials must be submitted with the District Academic Application as a complete package.

A complete application package MUST include the following:

1. Completed District Academic Application.
2. Letter of interest which demonstrates written communication skills and addresses the qualifications relevant to the position.
3. Resume describing educational background, work experience and work experience.
4. Undergraduate AND graduate college transcripts (may be unofficial). Evaluations of foreign degrees and/or course work are required. See www.nocccd.edu/Employment for information regarding evaluation of foreign degrees.
5. Copies of licenses, certifications: American Registry of Diagnostic Medical Sonographers (ARDMS).
6. SEPARATE list of professional development activities and courses completed within the past two years.

Incomplete application packages and/or applications without signatures will not be considered. Failure to sign and to complete all fields in the General Information section of the application will be considered an incomplete application.
