Cypress College has motivated the minds of students since 1966. For nearly a half-million people—including actors, athletes, executives, mechanics, nurses and teachers—Cypress College has been a springboard to their dreams. For some, Cypress College is the ticket into their university of choice and for others it provides essential training for a rewarding career. Just one Cypress College class is often all it takes to provide cutting-edge skills that lead to a promotion or a new job. Cypress College—Minds. Motivated.

Cypress College’s 16,500 students and the highly qualified teaching faculty are proud of the many excellent academic and vocational programs. Cypress College offers 58 university-transfer majors, 141 career-certificate programs, and degrees in 51 areas of study. Dr. Michael J. Kasler is the president. Cypress College can be found on the web at www.cypresscollege.edu.

The North Orange County Community College District, in compliance with all applicable Federal and State laws, does not discriminate on the basis of race, color, national origin, ancestry, marital status, age, religion, disability, sex, or sexual orientation in any of its policies, procedures, or practices. The District is also committed to maintaining campuses that are free of harassment, drugs, and alcohol. A copy of the District’s full policy on non-discrimination, sexual harassment, sexual assault treatment and counseling and maintenance of a drug-free environment is available online at www.nocccd.edu.

The mission of the North Orange County Community College District is to serve and enrich our communities and inspire life-long learning by providing education that is exemplary, relevant, and accessible. Two of the state’s premiere colleges and most extensive continuing education program combine to provide the quality educational programming of the North Orange County Community College District (NOCCCD). Nearly 70,000 students enroll each term at Cypress College, Fullerton College, and the School of Continuing Education. College students are able to shape their futures in programs leading to associate degrees, vocational certificates, and transfer opportunities. Life-long learning also is possible in continuing education programs that range from high school completion and basic skills mastery through an array of vocational training and self-development courses. The NOCCCD campuses serve an area of over one million diverse people—each pursuing their own, unique ambitions. The NOCCCD—Greatness. Achieved.

The District is governed by a seven-member Board of Trustees, elected at large by registered voters residing in the District. The Chancellor is Dr. Ned Doffoney. The total District budget for 2009-10 was $200 million.

Cypress College and Fullerton College offer associate degrees, vocational certificates, and transfer education as well as developmental instruction and a broad array of specialized training.

The School of Continuing Education offers a variety of academic, training, and enrichment opportunities, including: high school completion, basic skills mastery, vocational certificates, and self-development courses.

The School of Continuing Education offers a variety of academic, training, and enrichment opportunities, including: high school completion, basic skills mastery, vocational certificates, and self-development courses.

THE POSITION

NURSING INSTRUCTOR
Job #CCF961
Tenure-track position, 100% contract.

STARTING DATE
August 10, 2011

DUTIES AND RESPONSIBILITIES

Duties and responsibilities as presented are intended to be representative and not restrictive. The District reserves the right to modify the assignment and allocation of duties in accordance with operational needs.

Teach assigned lecture and clinical courses in the registered nursing program in a manner consistent with the department’s standards, and with the content cited in the approved course outline and plan of instruction; teach in other areas of nursing and health sciences as assigned.

Possess and maintain education and skills necessary for competency to teach in one nursing specialty area and commitment to meet BRN standards for content expert in second specialty area.

Maintain current California Registered Nursing licensure and CPR certification.

Perform professional tasks related to the areas of assignment, particularly in student advisement, curriculum design and evaluation, program review and other affairs of the department and division.

Remain current in the subject matter areas and in the techniques of effective instruction through recent clinical experience, professional development, and application of technology to education.

Must be able to teach at any clinical site and any shift.

Participate in curriculum development and serve on division, college and district committees as necessary to maintain and improve the instructional program; participate in appropriate professional development activities.

Work cooperatively with staff and students.

Provide documented evidence of direct patient care experience/clinical instruction in nursing within the last three years.

Possess current Health Care Provider Basic Life Support Certification.

DESIRABLE QUALIFICATIONS

Two years teaching prelicensure RN students.

Familiarity with the community college setting.

Demonstrated leadership abilities and/or participation in community or professional organizations.

Demonstrated collegiality and strong commitment to quality teaching, motivation of students, student success, and academic and professional excellence.

Demonstrated knowledge and skill in current instructional technology and ability to integrate the learning process.

Demonstrated ability to work in a fast-paced, ever-changing, stressful environment while maintaining a professional demeanor.

Meet BRN criteria for faculty content expert in teaching medical surgical nursing and one of the following: obstetric, pediatric, psychiatric (preferred), or gerontic nursing.

Experience with and commitment to working with culturally and ethnically diverse groups.

Effective oral and written communication skills.

SALARY

The initial salary placement range is $55,380 - $83,444 depending on applicable education and experience. Initial salary placement will be determined by the District Office of Human Resources in accordance with the faculty collective bargaining agreement and is not negotiable.

BENEFITS

The District is a participating agency in the CalPERS Hospital and Medical Care plan which allows eligible employees to select from several plans for their hospital and medical care. The District pays the full cost of the employee-only health insurance premium for the plan selected by the employee. In addition, the District provides a discretionary fringe benefit allowance that may be allocated toward the premium cost of eligible dependent health insurance, dental insurance, vision insurance, life insurance, accident insurance, income protection insurance, and available investment options.

APPLICATION PROCEDURE

Reference Job #CCF961 in all correspondence.

Download the District Academic Application on our website at http://www.nocccd.edu, or email requests to hr@nocccd.edu, or contact the Human Resources Office at (714) 808-4810. All application materials must be submitted with the District Academic Application as a complete package.

A complete application package MUST include the following:

1. Completed District Academic Application.

2. Letter of interest which demonstrates written communication skills and addresses the qualifications relevant to the position.

3. Resume describing educational background, teaching experience and work experience.

4. Undergraduate AND graduate college transcripts (may be unofficial). The award of all degrees must be verifiable on a legible transcript. Evaluations of foreign degrees and course work are required. See www.nocccd.edu/Employment for information regarding evaluation of foreign degrees.

5. Copies of relevant professional licenses and certifications; e.g. RN License, CPR Certification.

6. Copy of relevant California Community College Credential (if applicable).

7. SEPARATE list of courses/seminars attended or presented in the past two (2) years relevant to the position (if applicable).

Incomplete application packages and/or applications without signatures will not be considered. Failure to sign and to complete all fields in the General Information section of the application will be considered an incomplete application. All mandatory supplemental forms must be completed and returned with the application. All submitted materials become the property of the North Orange
