Basic Skills/Learning Centers
Non-Credit Instructor
Job #SCF975

The mission of the North Orange County Community College District is to serve and enrich our diverse communities by providing a comprehensive program of educational opportunities that are accessible, academically excellent, and committed to student success and lifelong learning.

Two of the state’s premiere colleges and one of its most extensive continuing education programs combine to provide the quality educational programming of the North Orange County Community College District (NOCCCD). Nearly 64,000 students enroll each term at Cypress College, Fullerton College, and the School of Continuing Education. Our college students are able to shape their futures in programs leading to associate degrees, vocational certificates, and transfer opportunities. Life-long learning also is possible in our continuing education programs that range from high school completion and basic skills mastery through an array of vocational training and self-development courses. The NOCCCD campuses serve an area of over one million diverse people – each pursuing their own, unique ambitions. The NOCCCD – Greatness. Achieved.

The District is governed by a seven-member Board of Trustees, elected by trustee area, by registered voters residing in the District. The Chancellor is Dr. Ned Doffoney. The total District budget for 2014-15 was $204 million.

Cypress College and Fullerton College offer associate degrees, vocational certificates, and transfer education as well as developmental instruction and a broad array of specialized training.

The School of Continuing Education offers a variety of academic, training, and enrichment opportunities, including: high school completion, basic skills mastery, vocational certificates, and self-development courses.

The North Orange County Community College District, in compliance with all applicable Federal and State laws, does not discriminate on the basis of race, color, national origin, ancestry, marital status, age, religion, disability, sex, or sexual orientation in any of its policies, procedures, or practices. Veteran status and people with disabilities are encouraged to apply. The District is also committed to maintaining campuses that are free of harassment, drugs, and alcohol. A copy of the District’s full policy on non-discrimination, sexual harassment, sexual assault treatment and counseling and maintenance of a drug-free environment is available online at www.nocccd.edu.

DUTIES AND RESPONSIBILITIES

Duties and responsibilities as presented are intended to be representative and not restrictive. The District reserves the right to modify the assignment and allocation of duties in accordance with operational needs.

Teach pre-college courses in class and lab settings, including but not limited to, adult basic education, preparation mathematics and English.

Teach scheduled classes and perform related duties as assigned, including timely compliance with clerical and administrative responsibilities; comply with district, college and division policies in the performance of duties.

Instruct and assist in the growth and success of a diverse population of students through careful preparation of course materials, effective teaching methodologies and informed critical feedback on assignments and discussions.

Work cooperatively with staff and students.

Evening and/or Saturday assignments may be required as part of the regular contract.

MINIMUM QUALIFICATIONS

Bachelor’s in any social science, humanities, mathematics, or natural science discipline or in liberal studies, as appropriate for the course; OR the equivalent.

Equivalent qualifications may include related education, training, employment and professional experience that would be equal to the required degree(s) and experience in this field as determined by the District Equivalency Committee.

Demonstrated sensitivity to and understanding of the diverse academic, socioeconomics, cultural, disability, gender identity, sexual orientation, and ethnic backgrounds of community college students, faculty and staff.

All degrees and course work used to satisfy the required minimum qualifications must be from accredited postsecondary institutions (see www.nocccd.edu/Employment regarding accredited postsecondary institutions).

DESIRABLE QUALIFICATIONS

Master’s in any social science, humanities, mathematics, or natural science discipline or in liberal studies as appropriate for the course with at least 12 units of completed coursework in mathematics.

Minimum one (1) year teaching experience in mathematics in a high school, college, or adult education setting.

Experience in curriculum development.

Knowledge and experience in technological applications in an instructional setting.

Demonstrated ability to motivate and teach students of diverse learning styles and backgrounds, including English as a Second Language (ESL) learners and students with disabilities.

Coordination of support staff (i.e. tutors, aides, assistants) in a lecture and an individualized instructional setting.

Effective oral and written communication skills.

SALARY

The initial salary placement range is $56,764 - $85,940 depending on applicable education and experience. Initial salary placement will be determined by the District Office of Human Resources in accordance with the faculty collective bargaining agreement and is not negotiable.

BENEFITS

The District is a participating agency in the CalPERS Hospital and Medical Care plan which allows eligible employees to select from several plans for their hospital and medical care. The District pays the full cost of the employee-only health insurance premium for the plan selected by the employee. In addition, the District provides a discretionary fringe benefit allowance that may be allocated toward the premium cost of eligible dependent health insurance, dental insurance, vision insurance, life insurance, accident insurance, income protection insurance, and available investment options.
