REPORTS:

- A. In response to an earlier Board request, **Chancellor Hunter** asked the Board's direction regarding the inclusion of vision and mission statements in the inside front cover of the Board Agenda packet. It was requested that the adoption/approval date of the statements also be included.
- B. As a part of the **Chancellor's Report**, Vice Chancellor Fred Williams provided an update on the 2006-07 State Budget. Highlights of the 2006-07 state budget include funding to accommodate a reduction in community college student enrollment fees, from \$26 per unit to \$20 per unit effective with the 2007 Spring Term. He also noted that additional equalization funding and non-credit funding for community colleges in the new budget are contingent upon approval of Senate Bill 361 on Community College Funding during the legislative session that reconvenes from summer break in August. Additional information on how individual community college district budgets will be affected by the new state allocations will be the subject of a July 31 workshop sponsored by the California Community Colleges System Office.
- C. **Janet Portolan**, Fullerton College Vice President; **Margie Lewis**, Cypress College President, and **Chris Terry**, Dean, School of Continuing Education, reported on their respective activities.

As a part of her report, Dr. Lewis introduced Rick Rams the new Cypress College Dean of Student Support Services.

COMMENTS:

- A. **Andrea Sibley-Smith** thanked Trustee Leonard Lahtinen for attending the memorial services of Lisa Serizawa, a Student Services Assistant with the School of Continuing Education Disabled Student Program & Services.
- B. **Student Trustee Crystal Sandoval** reported on her upcoming attendance at the Community College League of California Student Trustee Workshop and the increased number of Cypress College Student Ambassadors for the upcoming fall semester.
- C. **Student Trustee Elsa Garcia** reported that the Statewide Student Senate has been approved by the Board of Governors. She has been elected Student Senate Treasurer and as such will be serving on the Consultation Council of the California Community Colleges.
- D. **Trustee Michael Matsuda** reported on a meeting he and Trustee Leonard Lahtinen held with Joe Farley, Anaheim Union High School District Superintendent, in building a partnership between the high school and college districts, including a regional continuum in which area higher education institutions work together to prepare students for college. In response to a question regarding clarification on this idea, it

was agreed that Trustee Matsuda will pursue this further and forward the Chancellor additional information.

- E. **Trustee Leonard Lahtinen** recalled Lisa Serizawa fondly, not only as an employee of the District, but as a former student of his. He commended the School of Continuing Education (SCE) faculty and staff for their warm, family-oriented memorial services on behalf of Ms. Serizawa's family. In addition, he commented on the statewide exit exam requirements for high school students and inquired as to SCE's exit exam for the high school program. Chris Terry reported that the SCE exit exam is not the same as the statewide exit exam.
