Job Title: Health Services Administrative Assistant
Range: 36

Date Revised: 
Date Approved: April 8, 2003

PRIMARY PURPOSE

This position is responsible for performing a wide variety of complex and specialized administrative duties to support the office functions and efficient operation of a college Health Services Center. This position requires specialized knowledge in the health services area.

ESSENTIAL FUNCTIONS

Examples of essential functions are interpreted as being descriptive and not restrictive in nature.

1. Performs complex administrative duties independently in support of the health services center within established rules and regulations; organizes and manages daily activities to assure efficient operations; provides information to departments, personnel, students and the public on the phone and in person; answers questions and resolves problems requiring judgment, knowledge and explanation of policies.

2. Prepares and maintains medical charts in accordance with established procedures; contacts appropriate personnel to assist with medical emergencies; processes and reviews various accident reports for accuracy.

3. Coordinates and facilitates special projects, such as receptions, facilities use and events; maintains calendar of activities; coordinates travel arrangements; approves, prepares and distributes promotional and informational materials; maintains current mailing lists.

4. Monitors department expenditures and budgets; approves expenditures within established guidelines; assists with budget development and tracks status of budgets; maintains petty cash accounts; prepares requisitions for supplies and equipment; responds to inquiries regarding financial issues.

5. Evaluates and processes forms, verifies data for accuracy, completeness and compliance within established procedures; enters data into computer system; monitors, calculates and submits time sheets; maintains confidential files and data.

6. Types, composes and edits correspondence, memos, letters, agendas, reports, forms, records, and other information; prepares statistical information for use in reports; schedules appointments and meetings; attends meetings and transcribes and distributes minutes; initiates and answers telephone calls; screens and directs calls; greets visitors and directs to appropriate personnel; routes and distributes incoming mail and other materials; prepares outgoing mail and packages.

7. Maintains inventory of supplies and prepares purchase requisitions; tracks orders to assure delivery and payment.

8. Trains and provides work direction and guidance to others as directed.

9. Learns and applies emerging technologies and advances as necessary to perform duties in an efficient, organized, and timely manner.

10. Performs related duties as assigned.
