**PRIMARY PURPOSE**

This position is responsible for performing technical duties in the collection, processing, verification and maintenance of records and documents for the School of Continuing Education High School Program.

**ESSENTIAL FUNCTIONS**

*Examples of essential functions are interpreted as being descriptive and not restrictive in nature.*

1. Provides technical information and assistance to students, staff and the public regarding high school program admissions, registration and records, enrollment, fees and various forms.
2. Provides information and assists faculty and staff as assigned; instructs students in correct procedures for completion of forms and applications; explains applications, requirements and restrictions; reviews completed forms for accuracy and completeness.
3. Collects and processes student grades and rosters; reviews and verifies accuracy and completeness of transcript evaluations and graduation eligibility evaluations; generates transcripts, certificates and diplomas in accordance with established procedures.
4. Maintains accurate records and files of student transcripts, grades, and other program documents; locates and obtains various information and records as requested; prepares and maintains records for storage.
5. Collects and posts a variety of information from standardized media to various types of central records; utilizes appropriate computer information systems programs.
6. Types correspondence, labels and other written materials as needed; duplicates materials as needed; routes and distributes mail.
7. Assists with the student registration process as assigned.
8. Trains and provides work direction and guidance to others.
9. Learns and applies emerging technologies and advances as necessary to perform duties in an efficient, organized, and timely manner.
10. Performs related duties as assigned.
OTHER FUNCTIONS
