California Community Colleges Chancellor's Office Baccalaureate Degree Pilot Program Handbook

- 1.0 The student must satisfactorily complete at least 60 semester units or 90 quarter units of degree-applicable lower division credit courses, including courses that apply to the major or area of emphasis in career technical fields and courses in composition, reading, and mathematics or quantitative reasoning not more than one level below transfer. Below transfer level course requirements must align with Education Code Section 78213.
 - 1.1 The courses must include at least 18 semester units or 27 quarter units of focused study in a major or interdisciplinary area of emphasis.
 - 1.2 A "major" is a focused program of study within a specific discipline, which may include some coursework outside the primary discipline. Programs designed to provide transfer preparation must be designed to meet specific lower-division requirements in comparable baccalaureate majors.
 - 1.3 An "area of emphasis" is an interdisciplinary program of study encompassing a broad range of courses from multiple related academic disciplines, providing the student with an academic pathway broader than a specific major but more focused than general education.
 - 1.4 The courses must include at least 22 semester units or 28-31.5 quarter units of general education. General education must include a minimum of work in (1) English Composition, Oral Communication, and Critical Thinking, (2) Mathematical Concepts and Quantitative Reasoning, (3) Arts and Humanities, (4) Social and Behavioral Sciences, (5) Natural Sciences, and (6) Ethnic Studies.
- 2.0 The District will award an associate degree to students who fulfill the coursework requirements described above or completed the requirements for an approved intersegmental lower-division general education pattern used for transfer to the University of California or the California State University and who met the following conditions:
 - 2.1 The student satisfactorily completed at least 12 semester units or 18 quarter units of study in residence. The Board of Trustees may excuse the residence requirement to alleviate injustice or undue hardship.
 - 2.2 The student satisfactorily completed each course counted toward the major or area of emphasis requirement with a grade of "C" or better, or of "P" if the course is taken on a "pass-no pass" basis.
 - 2.3 The student completed the requirements for the associate degree with a minimum cumulative grade point average of 2.0 in the degree-applicable courses. If a student accumulates units beyond those required for the degree that lower the student's cumulative grade point average below 2.0, the District may compute the grade point average based solely on those courses used to satisfy the degree requirements, provided that the coursework used to compute the grade point

 - 2.5 Students may receive credit for knowledge or skills acquired through a district's procedures for awarding credit for prior learning.
 - 2.6 Students who have been awarded a bachelor's degree from an institutionally accredited institution shall be deemed to have fulfilled the general education course requirements for the associate degree.
