

BP 3580 Sustainability Plan

- 1.0 The North Orange County Community College District (NOCCCD) holds environmental sustainability to be a foundational principle in shaping the present and its vision of a future. As a responsible steward of natural resources and the environment, and in alignment with recommendations from the Board of Governors to California Community Colleges, NOCCCD will work towards minimizing the ecological footprint of its institutions by implementing best practices for conserving resources, reducing waste, implementing energy reduction and alternative energy generation strategies, constructing efficient buildings, promoting interdisciplinary environmental education in our campus communities, and developing partnerships that will further these activities.
- 2.0 The District shall maintain and continue to evaluate a Sustainability Plan that aims to monitor and achieve ongoing sustainability goals. The Chancellor shall report periodically to the Board on the status and progress of the various sustainability goals.
- 3.0 The Board of Trustees delegates authority to the Chancellor, or designee, to establish administrative procedures for sustainable practices of NOCCCD campuses in the areas of academics, student engagement, planning and administration, and operations.
