PREAMBLE

This Agreement is made and entered into this 30th of June 2025, by and between North Orange County Community College District, hereinafter referred to as the District, and the California School Employees Association, and its North Orange County Community College District (NOCCCD) Chapter #167 (hereinafter, "CSEA").

The purpose of this Agreement is to promote the improvement of personnel management and employer-employee relations, provide an equitable and peaceful procedure for the resolution of differences, and establish rates of pay and other terms and conditions of employment.

ARTICLE 1

RECOGNITION

1.1 Acknowledgment: The District hereby acknowledges that CSEA is the exclusive bargaining representative for all classified employees described in [Appendix A](#), attached hereto and incorporated herein by reference as part of this Agreement, except classified employees who are designated Management or Confidential. All newly created positions, except those that lawfully are Management or Confidential, shall be assigned to the bargaining unit. The determination of Management or Confidential positions that affect members of the bargaining unit shall be made by mutual agreement between the District and CSEA. Disputed cases may be submitted to the PERB for resolution. The bargaining unit may be expanded to other classes by mutual agreement of the District and CSEA subject to the rules of PERB.

1.2 Restriction on District Negotiations and Agreements: The District shall conduct no negotiations nor enter into any agreements with any other organization on CSEA-related matters that are a mandatory subject of collective bargaining concerning the rights of Unit Members and/or CSEA without prior notice to and approval by CSEA of the negotiations and the Agreements.

ARTICLE 2

NO DISCRIMINATION

- 2.1 The District and CSEA are committed to the concept of equal employment opportunity in recruiting, hiring, training, evaluating, and promoting persons in all job classifications (based on job-related qualifications), and also administration of all personnel actions such as evaluation procedures, compensation benefits, transfers, layoff, return from layoff, social and recreational programs, without regard to race, gender identity, color, religion, sex, national origin, sexual orientation, marital status, age, or disability.
- 2.2 No Unit Member shall be discriminated against because of race, gender identity, national origin, religion, sexual orientation or marital status and, to the extent prohibited by law, no Unit Member shall be discriminated against because of age, sex, or disability. However, because these issues are addressed by the District's Unlawful Discrimination policy and procedures and are best adjudicated in the appropriate state and federal agencies, any dispute or claim arising under this section shall be specifically excluded from the grievance procedure as provided in this Agreement. Unit Members maintain the right to seek CSEA representation in attempting to informally resolve an issue arising under this section and filed pursuant to the [District's Administrative Procedure for complaints of unlawful discrimination](#).
- 2.3 No Unit Member shall be appointed, reduced, removed or in any way favored or discriminated against because of the Unit Member's political opinions or affiliations.
- 2.4 Neither the District nor CSEA shall interfere with, intimidate, restrain, coerce, or discriminate against a Unit Member because of the exercise of rights guaranteed by the Rodda Act.

ARTICLE 3

CHECK OFF AND ORGANIZATIONAL SECURITY

- 3.1 Check Off: CSEA shall have the sole and exclusive right to have membership dues, initiation, and member fees deducted for Unit Members who are CSEA members by the District. The District shall pay to the designated payee, within a reasonable amount of time, all sums so deducted.

- 3.2.3 The District shall immediately refer all Unit Member requests to cancel membership to the CSEA Labor Relations Representative.
- 3.2.3.1 The District shall rely on information provided by CSEA staff regarding the cancellation of membership. Payroll adjustments shall occur within the following pay period or within thirty (30) days of notification from CSEA.
- 3.3 Hold Harmless Clause: CSEA shall indemnify, defend, and hold the District harmless from any and all claims, demands, suits, or any other action arising out of the check-off and organizational security provisions contained herein. The parties each agree to cooperate with each other and to promptly furnish any information needed by the other party to respond to any and all claims, costs, demands, suits or any other action arising from the implementation of the provisions of this Article. It is the expressed intent of the parties that any dispute or claim by a Unit Member arising under the provisions of this Article shall be specifically excluded from the grievance procedures in Article 22 of this Agreement.

Such use will be at no cost unless special services are required as determined by the Immediate Management Supervisor.
 - 5.1.4 The right to review Unit Members' personnel files and any other records dealing with Unit Members when accompanied by the Unit Member or on presentation of a written authorization signed by the Unit Member.
 - 5.1.5 The right to receive, upon request, a complete "hire date" roster of all Unit Members, indicating the Unit Member's present classification, department and location assignment. - 5.1.9.1.5 Not more than one (1) Unit Member within the same job classification or series of job classifications (e.g., *Administrative Assistant I*, *Administrative Assistant II*, *Administrative Assistant III*) from any one department may be granted release time to attend the conference if the District determines that granting leave to more than one Unit Member from the department within the same job classification or series of job classifications would have an adverse impact on the operation of the department.

5.1.9.2 Release Time for CSEA Executive Board Members

- 5.1.9.2.1 CSEA shall be allocated up to twenty-five (25) hours of release time per calendar month for use by the President and officers of the Executive Board to conduct CSEA Chapter 167 business and employer-employee relations matters.
 - 5.1.9.2.1.1 This release time shall not be cumulative, but shall be in addition to any release time granted for serving as an officially designated union steward and/or member of the CSEA negotiating team, as provided in Article 7 and Article 26 of this Agreement, respectively.
 - 5.1.9.2.1.2 Additional release time may be granted during any month if approved by the Vice Chancellor of Human Resources.
- 5.1.9.2.2 Use of release time shall be coordinated with the Unit Member's Immediate Management Supervisor. Requests for release time shall be submitted to the Unit Member's Immediate Management Supervisor on the [District-approved form](#), normally at least two (2) working days prior to the date on which the release time is requested. It is recognized that certain circumstances may require a lesser period of advanced notice. No released time shall be permitted in the absence of advanced notice as provided in this section.
- 5.1.9.2.3 After submission of the request for release time, the Unit Member shall be released from duty during reasonable times for the purposes specified in this Article. If, due to an emergency, as determined by the Immediate Management Supervisor, an adequate level of service cannot be maintained in the absence of the Unit Member at the time requested, the Unit Member shall attend to the existing emergency and shall be allowed to leave upon satisfactory resolution of the emergency.
- 5.1.9.2.4 The Unit Member shall specify, on the monthly time sheet, the dates and times of release time taken for participation in activities pursuant to the provisions of this Article.
- 5.1.9.2.5 No Unit Member shall be discriminated against with regard to any application for transfer or promotion because of the use of release time as a Chapter officer in accordance with this Article.
- 5.1.9.2.6 Within five (5) working days of their election, the CSEA President or designee shall notify the Vice Chancellor of Human Resources in writing of the names of the members of the Executive Board. If a change in designated members of the Executive Board is made, the

CSEA President shall notify the Vice Chancellor of Human Resources in writing within five (5) working days of such change.

5.1.9.3 Release Time for Union Stewards: Release time for union stewards shall be granted pursuant to the provisions of Article 7 of this Agreement.

5.1.9.4 Release Time for Negotiations: Release time for negotiation on matters within the scope of representation shall be granted pursuant to the provisions of Article 26 of this Agreement.

5.1.9.5 Release Time for CSEA Statewide Elected Office: In the event any CSEA member is elected to a CSEA statewide office the District shall comply with the provisions of the California Education Code, Section 88210. The Unit Member shall provide the Vice Chancellor of Human Resources with official written notification of election and the term of office of the position.

5.1.9.6 CSEA In-Service Workshops: Two CSEA sponsored In-Service Workshops per fiscal year may be held during scheduled work hours, subject to approval by the Vice Chancellor of Human Resources, under the following conditions:

5.1.9.6.1 Sixty working (60) days prior but no less than forty-five (45) working days prior to the scheduled date of the proposed workshop, a letter of notification from the CSEA President will be sent to the Vice Chancellor of Human Resources indicating the proposed location, day, time and topic of the workshop. This provision notwithstanding, a workshop may be scheduled without sixty (60) working days' prior notification by mutual agreement of the CSEA President and the Vice Chancellor of Human Resources.

5.1.9.6.2 Within ten (10) working days of receipt of notification, the Vice Chancellor of Human Resources will provide the CSEA President with written notification of the Vice Chancellor's approval or denial of the workshop.

5.1.9.6.3 The duration of any workshop may not exceed ninety (90) minutes.

5.1.9.6.4 A Unit Member wishing to attend the In-service Workshop must submit a written request to the Unit Member's Immediate Management Supervisor at least ten (10) working days prior to the scheduled date of the workshop unless otherwise approved by the supervisor. If approved in writing by the Immediate Management Supervisor, the Unit Member shall be released from the Unit Member's duties to attend the workshop.

5.2 Conduct of CSEA Business

5.2.1 Except as specifically provided in this Agreement, CSEA chapter business (e.g., meetings, circulation of petitions, elections, etc.) will be conducted by Unit Members at times other than their assigned working hours. Unit Members shall not be given time off for meetings of CSEA; however, Unit Members may adjust their work schedules, with prior approval of their Immediate Management Supervisors, for the purpose of attending regularly scheduled CSEA Chapter #167 general membership business meetings, subject to all of the following:

5.2.1.1 Adjustment of a Unit Member's work schedule for this purpose shall not be permitted more than once in any calendar month.

5.2.1.2 Adjustment of the work schedule shall be permitted only if the scheduled meeting time falls within the Unit Member's scheduled working hours and if the requested adjustment does not conflict with the operational needs of the department, as determined by the Immediate Management Supervisor.

5.2.1.3 Adjustment of the work schedule shall not cause a break in the Unit Member's scheduled working hours, exclusive of the scheduled meal period, of more than one hour during the workday. The time taken for the break in working hours must be made up on the same workday so that the time worked is equal to the number of working hours normally scheduled for that day.

5.2.1.4 Adjustment of the starting and ending time of the Unit Member's scheduled meal period may be permitted consecutively with the break in scheduled working hours; however, such adjustment shall not cause a change in the length of the Unit Member's scheduled meal break for that day.

5.2.1.5 A request for adjustment of the work schedule must be submitted in writing to the Unit Member's Immediate Management Supervisor at least two working days in advance of the day for which the schedule adjustment is requested. The request must indicate the date and time of the CSEA general membership meeting, the requested schedule adjustment, and a proposal for when the time for the break in working hours will be made up. Any change in a Unit Member's schedule shall comply with the provisions of the section, except as provided in section 10.1.3.6.
- 10.1.3.1 The District has the right to change a Unit Member's work schedule with respect to the days per week and/or starting and ending times to meet the operational needs of the District. - 10.1.3.6.1 The classifications listed in [Appendix C](#) are exempt from regular daily starting and ending times. The daily starting and ending times of Unit Members in these classifications may vary from day-to-day where support of the assigned program or service requires fluctuation in the daily schedule. The Unit Member will be notified of any time changes as soon as possible before the change. Schedule variations shall be distributed and rotated as equally as is practical among qualified Unit Members within each department. The District shall determine the qualification required for any given daily schedule change.
- 10.1.3.6.2 In accordance with program or service requirements, the District or CSEA may propose additions or deletions of classifications for exemption from regular starting and ending times. If either the District or CSEA does not agree with a proposal, the District and CSEA will meet to negotiate the proposal.

10.1.3.7 In any fiscal year that contains 261 or 262 workdays, twelve-month, full time Unit Members who have been employed since July 1st of the preceding year and who would work in excess of 260 days will take a non-workday on the first workday of the calendar year (for years with 261 workdays) or the first and second workdays of the calendar year (for years with 262 workdays) immediately following New Year's Day Holiday per CalPERS contribution requirements. This will not result in any reduction in the monthly compensation for full-time, twelve-month bargaining Unit Members who meet the criteria above

10.2 Workweek/Workday Schedules

A Unit Member may be assigned by the District to a standard or alternative workweek/workday schedule in accordance with the following provisions. In addition, CSEA and the District may, by mutual agreement, establish an alternative workweek/workday schedule for all Unit Members, or for specified classifications of Unit Members. The applicable dates and exceptions shall be specified at least sixty (60) calendar days prior to implementation, unless otherwise agreed by CSEA and the District.

Any day of the normal scheduled workweek may be scheduled as the designated day off.

- 10.2.2.1.2 The workweek for this schedule consists of the regular and recurring period of 168 hours, beginning at 12:01 a.m. on Monday and ending at midnight on the following Sunday.
- 10.2.2.1.3 Holidays are eight (8) hours with the potential exception of Juneteenth and July 4th.
- 10.2.2.1.4 In any week with a holiday listed in Article 13, the workweek for all employees – except Campus Safety – will revert to a five (5) day schedule with eight-hour workdays. Juneteenth and July 4th will be paid in accordance with the Unit Member’s scheduled workday. All holidays, except Juneteenth and July 4th are paid as 8-hour holidays as described above. If the Unit Member is scheduled during the week of Juneteenth or July 4th holiday for 8, 9, or 10 hours, the Unit Member’s pay will reflect 8, 9, or 10 hours consistent with their assigned workday.
- 10.2.2.1.5 For Juneteenth and July 4th, if the observed holiday is on a Unit Member’s regularly scheduled day off, the Unit Member must coordinate with their supervisor to observe the holiday on either the preceding or succeeding workday.
- 10.2.2.1.6 Any time worked beyond ten (10) hours per day on a scheduled ten (10) hour workday is considered overtime. Any time worked on a designated day off is considered overtime.

Vacation leave earned under the provisions of this Article shall be available to each Unit Member subject to the prior approval of the Immediate Management Supervisor.

14.1.1 Unit Members employed full-time (100%) shall earn vacation leave for each calendar month in which the Unit Member is in paid status for more than one-half (1/2) of the working days in the month, according to the following schedule:

| VACATION ACCRUAL BASED ON FULL-TIME (100%) EMPLOYMENT | | | | | | | | |

| *Years of service includes previous service with the District with no break in service longer than thirty-nine (39) months after permanency was achieved. The scheduled period of time off for a Unit Member who has less than a twelve (12) month assignment is not considered a break in service. | | | | | | | | |
| **Longevity increases in the number of hours earned per month become effective on the Unit Member's anniversary date at the beginning of the fifth, tenth, fifteenth and twentieth years of service. | | | | | | | | |

14.1.2 Unit Members employed less than full-time shall earn a proportionate share of vacation leave, prorated by the percentage of employment, for each calendar month in which the Unit Member is in paid status for more than one-half (1/2) of the working days in the month. Percentage of employment is defined as the number of hours worked per day in relation to a full-time equivalent of eight hours (e.g., eight hours per day is equal to 100%; four hours per day is equal to 50%).

14.1.3 Probationary Unit Members shall be eligible to take accrued vacation subject to IMS approval. However, earned vacation for Probationary Unit Members shall not become a vested right until the Unit Member has completed six (6) working months of service. No payment for vacation accumulation shall be made to probationary Unit Members who separate from employment with the District prior to completion of six (6) working months of service.

14.1.4 Vacation time must be earned before it can be used. Exception may be made for Unit Members with less than twelve-month assignments where the Unit Member's schedule requires that the Unit Member be on vacation during District-designated recess periods; however, the amount of advanced vacation time granted for use during these periods shall not exceed the amount of vacation time the Unit Member would accrue for that fiscal year.

14.1.5 Fractional days of vacation leave may be granted in not less than one half (1/2) hour increments.

14.1.6 A Unit Member may not elect to be paid in lieu of taking vacation time.

14.2 Vacation Carryover

14.2.1 Any unused vacation time earned by a Unit Member in a given fiscal year may be carried over to the next fiscal year, provided that a Unit Member's maximum total of accumulated vacation hours as of the end of any fiscal year, as reported on the Unit Member's June time sheet, shall not exceed one and one-half (1.5) times the

number of vacation hours that would be earned by the Unit Member in that fiscal year. The following schedule sets forth the maximum vacation accumulation limits, based on full-time (100%) employment:

| VACATION ACCUMULATION LIMIT BASED ON FULL-TIME (100%) EMPLOYMENT | | | | | | | | |
|---|-------------------------------|---|----------------------------|--------------------------|----------------------------|--------------------------|---------------------------|-------------------------|
| Years of Service | Hours Earned Per Month | MAXIMUM PERMITTED TOTAL ACCUMULATED VACATION HOURS | | | | | | |
| | | 12-Month Position | 11.5-Month Position | 11-Month Position | 10.5-Month Position | 10-Month Position | 9.5-Month Position | 9-Month Position |
| 1-4 | 8.00 | 144 | 138 | 132 | 126 | 120 | 114 | 108 |
| 5-9 | 10.67 | 192 | 184 | 176 | 168 | 160 | 152 | 144 |
| 10-14 | 13.33 | 240 | 230 | 220 | 210 | 200 | 190 | 180 |
| 15-19 | 14.67 | 264 | 253 | 242 | 231 | 220 | 209 | 198 |
| 20 + | 16.00 | 288 | 276 | 264 | 252 | 240 | 228 | 216 |

14.2.2 The maximum vacation accumulation limit for Unit Members employed less than full-time shall be reduced proportionately, based on the percentage of employment.

14.2.3 Any vacation balance at the end of a fiscal year in excess of the applicable vacation accumulation limit must be used by March 31st of the subsequent fiscal year (exclusive of days to be earned between July 1st through March 31st).

14.3 Vacation Scheduling

14.3.1 Except as provided in Article 15 of this Agreement, requests for vacation leave must be submitted in writing and the use of vacation leave must be approved in advance by the Unit Member's Immediate Management Supervisor. A Unit Member who is absent without prior approval shall have deducted from his or her salary the appropriate amount for the period of absence.

14.3.1.1 The IMS will determine the method of submission for vacation requests. A [standard vacation request form](#) is included in this Agreement in Appendix L1.

14.3.2 Unit Members shall submit requests for vacation dates at the beginning of each fiscal year or another fixed date(s) designated by the Immediate Management Supervisor. However, nothing in this section shall preclude an employee from requesting and being granted vacation at any time.

14.3.2.1 When a Unit Member submits additional vacation requests after the times designated in 14.3.2, the Immediate Management Supervisor shall respond in writing no later than fifteen (15) working days unless the Immediate Management Supervisor is on leave or away on District business. The Immediate Management Supervisor's response time when a manager is on leave or away on District business will be extended by the same duration.

14.3.3 To the extent possible, submitted vacation schedules will be arranged to meet Unit Members' requests. Vacation requests shall be considered on a "first-come, first-served" basis. After workload requirements have been met, if there is a conflict between Unit Members' requests for vacation, the Unit Member(s) with the greatest seniority shall be given preference on a rotating basis. For purposes of this section, "seniority" means length of service within the department, based on the initial date of assignment in the department.

14.3.4 Approval of vacation requests is subject to the operational needs of the department, as determined by the Immediate Management Supervisor.

14.3.5 Once approved, a Unit Member's vacation schedule shall not be changed without the Unit Member's consent. However, an approved vacation schedule may be changed at any time by mutual agreement of the Unit Member and the Immediate Management Supervisor.

14.3.6 Excess Vacation Balances

When a Unit Member is notified that the Unit Member's accumulated vacation balance exceeds the maximum accumulation limit as provided in section 14.2 of this Article, the Unit Member shall submit, not later than September 30th of the fiscal year, a proposed vacation schedule for the use, by March 31st of the fiscal year, of the number of hours by which the vacation balance exceeds the maximum accumulation limit.

14.3.6.1 If the Unit Member submits a proposed schedule in a timely manner in accordance with these requirements and the Unit Member and the Immediate Management Supervisor cannot reach agreement, the Vice Chancellor of Human Resources or designee shall schedule the required vacation, subject to the following:

14.3.6.1.1 The Unit Member may submit up to five alternative proposed vacation schedules for consideration by the Vice Chancellor of Human Resources or designee.

14.3.6.1.2 After considering the proposed vacation schedules submitted by the Unit Member and consultation with the Immediate Management Supervisor, the Vice Chancellor of Human Resources or designee shall schedule the required vacation. Subject to the provisions of section 14.3.3, a good faith effort will be made to accommodate one of the alternative schedules submitted by the Unit Member.

14.3.6.1.3 Unless otherwise agreed by the Unit Member, the vacation shall not be scheduled in increments of less than eight hours or the proportionate number of hours equivalent to a day, where the Unit Member is employed less than full-time.

14.3.6.2 If the Unit Member fails to submit a proposed schedule in a timely manner in accordance with these requirements, the Immediate Management Supervisor shall schedule the required vacation.

14.3.6.3 If the Unit Member is not permitted to take all or part of the required vacation by March 31st, the amount not taken shall be paid. Evidence of the District's refusal to permit a Unit Member to take the vacation shall consist of the Unit Member's timely submitted vacation schedule and a response from the Immediate Management Supervisor, endorsed by the Vice Chancellor of Human Resources or designee, indicating that the employee's services could not be spared at any time during the period.

14.4 Interruption or Termination of Vacation: A Unit Member shall be permitted to interrupt or terminate vacation leave in order to begin another type of paid leave provided by this Agreement without a return to active service, provided the Unit Member supplies the notice, supporting information, and approval as required under Article 15. In such cases the vacation period will not be extended and the Unit Member must submit a request to reschedule the unused vacation days in accordance with section 14.3.

14.5 Vacation Pay Upon Termination: Except as provided in section 14.1.3 and section 21.8 of this Agreement, when a Unit Member is separated from employment with the District for any reason, including layoff, the Unit Member shall receive lump-sum payment for all vacation leave earned and accumulated through the last day in paid status. Payment shall be at the Unit Member's current regular rate of pay. At the time of separation, any vacation time taken and not earned by the date of termination of employment will be deducted from the Unit Member's final paycheck.

14.6 Holidays During Vacation: When a holiday falls during the scheduled vacation of any Unit Member, the holiday will not be charged against the Unit Member's earned vacation days.

14.7 Notwithstanding any other provisions of this Article, the District shall have the right to pay a Unit Member for unused vacation leave pursuant to the provisions of the collective bargaining agreement consistent with the provisions of Education Code section 88197.

ARTICLE 15

LEAVES

- 15.1 Sick Leave: Unit Members will be entitled to sick leave with pay when they are absent due to illness or injury. Whenever a Unit Member is absent from duty because of illness, injury, pregnancy disability, or because of quarantine, which prevents the Unit Member from performing the duties of the Unit Member's job, the Unit Member shall receive sick pay as described in this section. In addition, a Unit Member may use regular sick leave when absent from duty because of a scheduled medical or dental appointment.
- 15.1.1 Regular Sick Leave: Full-time Unit Members shall accrue regular sick leave at the rate of one (1) day (eight hours) for each full calendar month worked during the fiscal year. Unit Members employed less than one hundred (100) percent shall accrue a pro-rata share of regular sick leave, as it relates to full-time employment.
- 15.1.1.1 On the date of employment, and at the beginning of each fiscal year thereafter, the full amount of regular sick leave that a Unit Member is entitled to under this section shall be credited. New Unit Members of the District accrue sick leave from the first (1st) day of the month in which employed, provided their employment commences on or before the fifteenth (15th). If employment commences on or after the sixteenth (16th) day of the month, sick leave will be accrued to the end of the month for a Unit Member ending service with the District, provided the Unit Member's last day of work is on or after the fifteenth (15th) day of the month.
- 15.1.1.2 Probationary Unit Members shall not be eligible to take more than six (6) days of sick leave, or the proportionate amount to which the employee may be entitled if employed less than full time, until the first (1st) day of the calendar month after completion of six (6) months of active service with the District.
- 15.1.1.3 A Unit Member must be in paid status to earn sick leave. Regular sick leave not used in any fiscal year shall be accumulated from year to year as provided by law.
- 15.1.1.4 Transfer of Sick Leave: Within one (1) year from the date of employment with the District and upon written request, a Unit Member who has been an employee of a school district, community college district, or county superintendent's office in California for a period of one calendar year or more and who terminates such employment for the purpose of accepting employment with the District shall be entitled to transfer the Unit Member's total amount of earned and accumulated sick leave, provided employment with the District occurs within one (1) year of termination of the Unit Member's former employment and such termination was not initiated by the previous employer for cause.
- 15.1.1.5 When a Unit Member terminates employment with the District, all unused sick leave will be cancelled, except as provided in section 15.1.1.4 of this Agreement. No remuneration will be paid for unused sick leave. At the time of termination, if a Unit Member has been granted unearned sick leave, the advanced pay for the unearned sick leave will be deducted from the Unit Member's final paycheck.
- 15.1.1.6 Unit Members who use no sick leave days in a fiscal year may, upon request, receive an additional vacation day to be deducted from earned sick leave. The request must be submitted in writing to the District Payroll Manager prior to December 31st of the subsequent fiscal year.
- 15.1.1.7 A Unit Member shall not be entitled to sick leave pay for missed overtime work.
- 15.1.1.8 No paid illness leave shall be allowed during layoff.
- 15.1.2 Supplemental Sick Leave: In addition to regular sick leave, noncumulative sick days at half pay will be granted to all Unit Members. At the beginning of each fiscal year, the full amount of supplemental sick leave earned under this section shall be credited to each Unit Member. Unit Members may at their election use accrued vacation and compensatory time to supplement their supplement sick leave to receive their regular full pay.

- 15.1.2.1 Unit Members with fewer than twelve (12) accumulated regular sick days will be granted enough sick leave days at half pay to equal one hundred (100) days.
- 15.1.2.2 Unit Members with twelve (12) or more accumulated regular sick days will be granted eighty-eight (88) sick leave days at half pay.
- 15.1.2.3 For any use of supplemental sick leave, the Unit Member will be paid at half pay for any hours reported. The Unit Member will be deducted one day for each occurrence.
- 15.1.2.4 No supplemental sick leave days at half-pay will be allowed until a Unit Member has exhausted all regular sick leave to which the Unit Member is entitled.
- 15.1.2.5 Any use of supplemental sick leave shall require a Unit Member to submit to the Immediate Management Supervisor a physician's statement providing the anticipated duration of the leave, the anticipated date of return, and the signature of the physician.
- 15.1.3 Reporting and Verification of Sick Leave
 - 15.1.3.1 All absences shall be deducted in one-half (1/2) hour increments
 - 15.1.3.2 In the event a Unit Member will be absent from duty due to illness, the Unit Member must contact the Immediate Management Supervisor's office as soon as possible, but not less than ten (10) minutes prior to the scheduled start time the Unit Member would be required to report for duty. In the event that there is no answer, the Unit Member will contact the designated department telephone number, or an assigned alternate telephone number, and leave a message. Unit Members who provide notification of the expected duration of their illness shall not be required to provide daily notification of their absence, unless the absence exceeds the previously stated duration.
 - 15.1.3.3 A Unit Member who is absent for longer than five (5) consecutive working days using regular sick leave shall provide the District with a medical statement from a licensed physician establishing the validity of the absence. Such medical statement shall include (1) a statement verifying the Unit Member's illness or injury to justify the Unit Member's continued absence from work and (2) statement certifying that the Unit Member is medically able to return to the Unit Member's assigned duties following the illness or injury which resulted in the absence, which shall be submitted to the Immediate Management Supervisor immediately upon return to service. The District reserves the right to request substantiation of any claim for sick leave days.
 - 15.1.3.4 In the event a Unit Member will be absent from duty because of a scheduled medical or dental appointment, the Unit Member shall normally notify the Immediate Management Supervisor not less than two (2) working days in advance of day and time of the appointment.
 - 15.1.3.5 For an absence one (1) month or longer, a physician's statement will be required for each month of absence.
 - 15.1.3.6 A Unit Member who is absent because of illness or injury shall report the absence on the monthly time sheet stating that such absence was due to illness or injury.
- 15.1.4 Exhaustion of Sick Leave: When all regular and supplemental sick leave have been exhausted and a Unit Member is not medically able to resume the duties of the position due to illness, the Unit Member may elect to resign, retire, or to request a leave of absence without pay for the period of time that a licensed physician verifies that the Unit Member is unable to work.
 - 15.1.4.1 If, after exhaustion of all regular and supplemental sick leave and at the conclusion of any subsequently authorized unpaid leave of absence, the Unit Member is not medically able to assume the duties of the position, the Unit Member shall be placed on a reemployment list for a period of

thirty-nine (39) months.

- 15.1.4.2 When available, during the 39-month period, the Unit Member will be offered reem in a vacant position in the classification of the Unit Member's previous assignment, on the basis of seniority, over all other qualified and available candidates except for Unit Members on a reemployment list established because of lack of work or lack of funds.
 - 15.1.4.3 Prior to any re-employment, the Unit Member shall provide the District with a medical statement by a licensed physician certifying that the Unit Member is able to return to work and is medically able to perform the duties of the position.
 - 15.1.4.4 A Unit Member who fails to accept an offer of reemployment and who is medically able to perform the duties of the position may be removed from the reemployment list.
- 15.1.5 Fitness for Duty: If there is reasonable doubt on the District's part about the ability of a Unit Member to perform duties because of medical reasons, the District may require a medical examination by a physician selected by the Unit Member from a list of three physicians provided by the District. The examination will be at District expense. Where a Unit Member is required to be absent from duty for such examination, the Unit Member shall be in fully paid status and shall suffer no loss of leave days. Where this article is invoked by the District, the District shall initiate an interactive process to determine if the employee is able to perform the essential functions of their classification with or without accommodations and determine what, if any, accommodations are requested. This shall not limit the Unit Member's rights to obtain a second medical opinion from a California duly licensed physician of their own choosing at their own expense.

15.2 Personal Necessity and Family Illness Leave

- 15.2.1 Personal Necessity Leave: Each fiscal year, a Unit Member may use up to eight (8) days of earned and available regular sick leave in cases of personal necessity. The time used shall be deducted from and shall not exceed available regular sick leave to which the Unit Member is entitled. Personal necessity leave may be taken in the case of a compelling circumstance which requires the Unit Member's absence from duty and which cannot be attended to outside of duty hours, including any of the following:
- 15.2.1.1 Death of a Unit Member's spouse or a member of the Unit Member's immediate family, as defined in section 15.11 of this Article, when additional leave is required beyond the bereavement leave provided in section 15.11 of this Article.
 - 15.2.1.2 Accident or unforeseen crisis of a serious nature involving the person or property of the Unit Member or of a member of the Unit Member's immediate family under circumstances the Unit Member cannot disregard, and which requires the attention of the Unit Member during the Unit Member's assigned hours of service
 - 15.2.1.3 Appearance of a Unit Member as a litigant or party in any court or administrative tribunal, or appearance of a Unit Member as a witness under subpoena or official governmental order, provided the Unit Member presents verification indicating each date of necessary attendance, if requested by the District.
 - 15.2.1.4 The Unit Member shall make every effort to give advance notice, but not later than the usual time the Unit Member would be required to report for duty, of the use of personal necessity leave. If there is a conflict between the date(s) requested and the departmental workload, the Immediate Management Supervisor and the Unit Member will mutually agree upon a modification of the requested date(s) unless the Unit Member cannot modify the request.
 - 15.2.1.5 Personal necessity leave may not be used for the pursuit of educational or business interests, including the pursuit of employment outside the District (including self-employment), or for vacation, or other recreational pursuits.

15.2.1.6 A Unit Member who is absent because of personal necessity shall report the absence on the monthly time sheet stating that such absence was due to personal necessity and setting forth, in general terms, the reasons for the leave, with appropriate consideration for personal privacy. The District may require the Unit Member to provide reasonable verification of the necessity.

15.2.2 Family Illness Leave: During each calendar year, a Unit Member may use earned and available regular sick leave to attend to the illness of a child, parent, or spouse of the Unit Member. For purposes of this section, "spouse" includes the domestic partner of a Unit Member as defined by section 297 of the California Family Code.

15.2.2.1 Full-time Unit Members who work twelve (12) months per year are allowed seven (7) days of family illness leave. Unit Members who work less than one hundred (100) percent or who work fewer than twelve (12) months per year are allowed a pro rata share of family illness leave days.

15.2.2.2 In the event a Unit Member is absent from duty due to illness of a family member, the Unit Member shall make every effort to notify the Unit Member's Immediate Management Supervisor as soon as possible, but not later than the usual time the Unit Member would be required to report for duty.

The District reserves the right to request substantiation of any claim for family illness leave.

15.2.2.4 A Unit Member who is absent due to illness of a family member shall report the absence on the monthly time sheet stating that such absence was due to illness of a child, parent, or spouse of the Unit Member.

15.3 Industrial Accident and Illness Leave

15.3.1 "Industrial accident or illness" as used in this section is defined as any accident or illness arising directly out of or during the course of employment with the District which necessitates a Unit Member's absence from work. The determination of whether an accident or illness constitutes an industrial accident or illness shall be made by the District and/or its administering agency, except when the Department of Industrial Relations determines otherwise.

15.3.2 A Unit Member shall immediately report any injury or illness arising out of and during the course of employment with the District to the Unit Member's Immediate Management Supervisor or authorized designee, or as soon as possible.

15.3.3 A permanent Unit Member who becomes disabled due to an industrial accident or illness shall be granted paid industrial accident or illness leave for the period of time the employee is unable to render service to the District, not to exceed sixty (60) working days in any one fiscal year for the same accident or illness, except when any industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the Unit Member shall be entitled to only that amount remaining at the end of the fiscal year in which the injury or illness occurred, for the same illness or injury.

15.3.3.1 Eligibility for industrial accident and illness leave will continue for only such period as the Unit Member is qualified as temporarily disabled under the Worker's Compensation laws.

15.3.3.2 Industrial accident and illness leave shall not be accumulative from year to year, nor from one accident/illness to another.

15.3.3.3 Industrial accident and illness leave shall be used in lieu of entitlement to any other paid leave for which the Unit Member is eligible.

- 15.3.4 An absence resulting from an industrial accident or illness which has been duly reported by the Unit Member, supported by medical verification and approved by the District and/or its administering agency as qualified for Worker's Compensation is an absence payable under industrial illness and accident leave.
- 15.3.4.1 During the period of determination by the District and/or its administering agency, the payroll charge for the absence will be made to the Unit Member's sick leave account. If the claim is approved, an adjustment will then be made, restoring to the Unit Member the sick leave previously charged from the first (1st) day of absence and a charge made in lieu thereof to industrial accident and illness leave.
- 15.3.4.2 In the event the Unit Member does not have sick leave credit, appropriate payroll deductions will be made. If the claim is approved, reimbursement will then be made on the next available payroll.
- 15.3.4.3 Industrial illness and accident leave will commence on the first (1st) day of authorized absence. The amount of allowable leave shall be reduced by one (1) day for each day of authorized absence regardless of a compensation award made under Worker's Compensation.
- 15.3.5 In the event a Unit Member's absence due to industrial accident or illness extends beyond sixty (60) workdays, the Unit Member shall be permitted to use accumulated regular sick leave and supplemental sick leave.
- 15.3.5.1 The Unit Member may elect to augment supplemental sick leave with any compensatory time to which the Unit Member is entitled in order to provide a full day's salary. Upon exhaustion of all compensatory time, or if the Unit Member does not have any accrued compensatory time, the Unit Member may use earned vacation in conjunction with supplemental sick leave in order to receive a full day's salary.
- 15.3.5.2 If the Unit Member is receiving Worker's Compensation, the use of sick leave, compensatory time and vacation time, shall not, when added to the Worker's Compensation award, cause the Unit Member's compensation to exceed one hundred (100) percent of the Unit Member's regular daily salary.
- 15.3.6 When all industrial accident, regular sick leave, supplemental sick leave, vacation, and compensatory time accrued benefits have been exhausted and a Unit Member is not medical able to resume the duties of the position due to illness, the Unit Member may elect to resign, retire, request an unpaid leave of absence for the period of time that a licensed physician verified that the Unit Member is unable to work, or be placed on a reemployment list for a period of thirty-nine (39) months.

15.14 Catastrophic Illness or Injury Leave

15.14.1 Purpose of Catastrophic Illness or Injury

The purpose of the Catastrophic Illness or Injury Leave Plan is to permit Unit Members to donate vacation and/or sick leave hours to a Unit Member when the Unit Member is incapacitated by a catastrophic illness or injury that requires the Unit Member to take time off from work for an extended period of time. For purposes of this Article, Catastrophic Illness or Injury Leave will be referred to as "Cal Plan."

15.14.2 Definition of Catastrophic Illness or Injury

15.14.2.1 For purposes of Cal Plan, "catastrophic illness or injury" is defined as a serious, debilitating physical illness or injury, as certified by a licensed physician, that:

15.14.2.1.1 incapacitates the Unit Member so that the Unit Member is not able to report to work and prohibits the Unit Member from working a regular schedule for an extended period of time of not less than four (4) weeks; and

15.14.2.1.2 causes the Unit Member to exhaust all of the Unit Member's available regular sick leave, supplemental sick leave ("half-days"), compensatory ("comp") time, and vacation time, and any other paid leave time.

15.14.2.2 Catastrophic illness or injury may include, but not be limited to, incapacitating diseases such as cancer or AIDS, severe accident, major surgery, and treatment for life threatening illness.

15.14.2.3 Stress-related physical and psychological illnesses, elective surgery, normal pregnancy, workers' compensation claims (whether or not approved), intentionally self-inflicted injuries, illness or

disability arising from substance abuse, minor injuries, or normal illness such as colds, flu, measles, allergies, headaches, etc., shall not constitute catastrophic illness or injury.

15.14.3 Catastrophic Illness or Injury Benefit

- 15.14.3.1 An eligible Unit Member may receive up to 640 hours of donated catastrophic illness or injury leave, if full-time, or a proportionate share prorated by the percentage of employment, if less than full-time, subject to the following limitations:
 - 15.14.3.1.1 Because leave donations are strictly voluntary, award of catastrophic illness or injury leave is subject to the availability of donated leave hours and is not guaranteed.
 - 15.14.3.1.2 The maximum time for which catastrophic illness or injury leave may be used shall not exceed a period of twelve (12) consecutive calendar months, beginning with the first day for which catastrophic illness or injury leave is granted.
 - 15.14.3.1.3 In any pay period, catastrophic illness or injury leave hours may be used only up to the recipient's regular appointment percentage.
 - 15.14.3.1.4 In any fiscal year, catastrophic illness or injury leave hours may be used only up to the recipient's regular months of employment.
 - 15.14.3.1.5 Not more than 320 hours of donated catastrophic illness or injury leave, if full-time, or a proportionate share prorated by the percentage of employment, if less than full-time, may be awarded using donated sick leave hours.
- 15.14.3.2 Catastrophic illness or injury leave may not be used until the eligible recipient has exhausted all regular sick leave, vacation leave, compensatory leave, supplemental ("half-day") sick leave benefits, and other paid leave time. Leave cannot be used retroactively for any previously unpaid absence not related to the catastrophic illness or injury for which the leave is requested.
- 15.14.3.3 The use of Cal Plan subject to the recipient's normal payroll deductions and all taxes as required by law. Such deductions and taxes shall be withheld at the normal rate for the recipient Unit Member.
- 15.14.3.4 A Unit Member receiving Cal Plan will continue to accrue sick leave and vacation leave; however, any such leave earned while receiving catastrophic illness or injury leave must, as a condition of participation in the program, be assigned to the Catastrophic Leave Bank. If the allotted catastrophic illness or injury leave extends into the next fiscal year, the Unit Member must use and exhaust any new entitlement of regular sick leave and supplemental sick leave ("half-day") benefits prior to using the remainder of the allotted catastrophic illness or injury leave.

See Appendix K for Catastrophic Leave Donation Form and Catastrophic Leave Request Form.

15.14.4 Participation Eligibility Requirements

- 15.14.4.1 A Unit Member is eligible to participate in the Cal Plan as a donor or recipient after completing eighteen (18) full months of service with the District as a member of the bargaining unit. Participation by a Unit Member in the plan is strictly voluntary.
- 15.14.4.2 Recipient Eligibility: For a Unit Member to be eligible for consideration as a recipient of Cal Plan, all of the following are required:

15.14.5.3 Within ten (10) working days of receipt of a request for catastrophic illness or injury leave, the Vice Chancellor of Human Resources or designee will review the request and make a determination as to eligibility. In the event a request for leave is denied, the Vice Chancellor of Human Resources will provide a copy of the request and a written justification of the decision to the CSEA President or designee. The decision of the Vice Chancellor shall be final.

15.14.5.4 If the physician's certification indicates that the Unit Member will not be medically able to return to work after exhausting the available catastrophic illness or injury leave awarded, the Unit Member must either submit a notice of retirement or resignation, or elect to be placed on a reemployment list for a period of thirty-nine (39) months. The notice or election shall be irrevocable and shall be effective on the day following the last day of available donated sick leave.

- 15.14.6.6 All donations accepted and processed are irrevocable. Donated hours will be transferred on an hour-for-hour basis, regardless of the classification or pay rate of either the donor or the recipient. - 16.2.2.1 CSEA will be notified in writing of the transfer and will be allowed fifteen (15) working days to respond in writing or to meet with the Vice Chancellor of Human Resources or designee regarding the proposed transfer before the transfer is implemented.
- 16.2.2.2 Except in cases of emergency, the Unit Member who is to be transferred shall be provided with a minimum of twenty (20) working days' written notice before the transfer is implemented.
- 16.2.2.3 Where the transfer is based on the need for particular qualifications and skills, Unit Members in the department from which the transfer is to be made shall be considered for the transfer based on their individual qualifications and skills. If qualifications and skills are equal, as determined by the District, the selection shall be determined on the basis of lowest seniority.
- 16.2.3 For purposes of application of the provisions of section 16.2.1 Employee-Initiated Lateral Transfer and section 16.2.2 District-Initiated Lateral Transfer and promotions, where a Unit Member is "grandfathered" pursuant to the implementation of a Classification Study with respect to the salary range for the position in which the Unit Member is an incumbent, the term "grandfathered," shall denote that a grandfathered Unit Member's pay will not be increased in any manner until the grandfathered Unit Member's pay is below the new range that has been established by a classification study for the classification in which the Unit Member has been grandfathered. The classification and ranges will be those listed in Classification Assignments listing ([Appendix A](#)). The term "same salary range" means the salary range which is the same as the Unit Member's "grandfathered" salary range.
- 16.2.4 Short-Term Temporary Transfers: At the request of the Immediate Management Supervisor, a Unit Member may be temporarily transferred to a position of equal or higher range, which may include an increase in percent of employment, in order to substitute for a Unit Member, or to assist in a special work assignment.
- 16.2.4.1 All suitably qualified Unit Members in the department shall be considered for the short-term assignment based on necessary skills and qualifications, as determined by the Immediate Management Supervisor, provided that a Unit Member must possess the required qualifications for the assignment as specified in the official job description. Short-term assignments shall be distributed equitably among qualified Unit Members through rotation, on the basis of seniority.
- 16.2.4.2 During a short-term transfer, the Unit Member will receive the rate of pay of the temporary classification. If the transfer is to a classification at a higher salary range, step placement shall be in accordance with the provisions of section 16.3.1.
- 16.2.4.3 A short-term transfer pursuant to this section shall be for a period of not more than two calendar years. At the conclusion of a Short-Term Transfer the employee will be returned to the same District classification as previously employed.
- 16.2.4.4 Where a short-term transfer would result in a Unit Member working in a classification with higher pay range, the Unit Member has the right to refuse the short-term transfer.
- 16.2.5 Medical Transfers: The District shall give alternate work, when it is available, to a Unit Member who has become medically unable to satisfactorily perform the Unit Member's regular job classification duties. The alternate work may constitute an employee-initiated or District-initiated lateral transfer or transfer to a lower classification. The District may require a statement from a licensed physician certifying that the Unit Member is medically able to perform the duties of the alternate work.

16.3 Promotion

16.3.1 Salary Step Placement Upon Promotion: When a Unit Member is promoted to a position at a higher salary range as the result of applying and being selected for a vacant classified position, the Unit Member shall be placed on the first step of the salary range for the position which will grant a raise in the Unit Member's base salary of at least one full step, except, in most cases, the Unit Member shall not be placed on a higher step than presently held.

16.3.2 Career-Ladder Promotions from Trainee Positions: For training purposes, a position may be advertised and filled at a lower classification in the series than the established classification of the position. The establishment of a trainee position shall require the approval of the Vice Chancellor of Human Resources or designee. A Unit Member employed in a training position shall receive written goals, requirements and an established, justifiable time frame for completion of training. When the Unit Member is fully trained and able to function in the higher classification, the Immediate Management Supervisor shall recommend promotion to the established classification of the position. It is recommended that the promotion be effective within twelve (12) months after placing the Unit Member in the training position.

16.4 Increase in Percent Employed: The Immediate Management Supervisor may increase the percent of employment, within classification, of a Unit Member who is employed less than one hundred (100) percent if the increase is within the authorized staff allocation and approved by the appropriate Chief Executive Officer or designee.

16.4.1 Unit Members in the department shall be considered for the increase in percent of employment based on necessary skills and qualifications, as determined by the Immediate Management Supervisor, and if skills and qualifications are equal, the selection shall be determined on the basis of greatest seniority.

16.4.2 A Unit Member shall have the right to refuse an offer or request for an increase in percent of employment.

16.5 Custodial/Groundskeepers – Reassignment Within Classification: Site seniority lists in the custodian and groundskeeper classifications will be maintained. When a custodian or groundskeeper position becomes available due to a vacancy the vacant position, including the assignment, shift and shift differential, the reassignment will be based on necessary skills and qualifications, as determined by the Immediate Management Supervisor, and if skills and qualifications are equal, the selection shall be determined on the basis of greatest site seniority. For purposes of this section, the addition of a new custodian or groundskeeper position shall also constitute a vacancy.

16.5.1 Where the qualifications are deemed equal, if the Unit Member with the highest seniority declines reassignment to the vacant position, the next senior Unit Member will be offered the position, and so down the seniority list.

16.5.2 A custodian or groundskeeper who transfers to a vacant position as provided herein shall not be eligible for another such reassignment under this section for a period of one calendar year after the reassignment. The acceptance of a reassignment under this section shall not prevent a Unit Member from applying for a transfer as provided in section 16.2.1 or from accepting a short-term transfer as provided in section 16.2.3.

16.6 Assignment of Relatives

16.6.1 Members of an immediate family may hold positions in the District.

16.6.2 The immediate family as used in this Article means spouse; father, mother, grandfather, and grandmother of the Unit Member or the Unit Member's spouse; son; son-in-law; brother; brother-in-law; daughter; daughter-in-law; sister; sister-in-law; grandchild; aunt; uncle; niece; nephew or any other relative living in the Unit Member's home.

16.6.3 Members of an immediate family shall not be assigned to a bargaining unit position within the same department, division or site which has a family member as an Immediate Management Supervisor or administrator. Members of any immediate family shall not be assigned to a bargaining unit position within the same department where both family members are supervised by the same Immediate Management Supervisor.

- 16.6.4 If Unit Members marry, the District will make reasonable efforts to reassign job duties to comply with these provisions and minimize problems of supervision, security or morale.
- 16.6.5 It is recognized current assignments may exist in conflict with this Article. Where such may occur, the Chancellor or designee will be responsible for determining the appropriateness of the assignment.

ARTICLE 17

HIRING, RESIGNATION, AND REEMPLOYMENT

17.1 **New Employees**

17.1.1 All new Unit Members shall be placed on Step A of the Classified Salary Schedule unless previous experience warrants a higher placement. Placement on steps other than Step A may be recommended to the Board of Trustees by the Vice Chancellor of Human Resources, or designee. Unit Members shall serve a twelve(12) month probationary period.

17.1.2 The District may require a physical examination of a Unit Member, at District expense, when deemed necessary.

17.1.3 All new Unit Members are required to have a tuberculin skin test or chest X-ray to verify freedom from active tuberculosis. If the tuberculin skin test shows a "positive" reaction, the Unit Member shall be required to have a chest X-ray examination. An X-ray or tuberculin skin test shall be required of each Unit Member every four (4) years (unless otherwise specified by law) and the results of such examination shall be filed with the District Office of Human Resources.

17.1.3.1 A tuberculin skin test may be obtained from either Cypress College or Fullerton College Health Center (no expense) or from other certified medical services at the Unit Member's expense. A chest X-ray may be obtained from any certified medical service at the Unit Member's expense.

17.1.3.2 A Unit Member who is documented as a positive reactor to the tuberculin skin test must have a full chest X-ray taken (mini-chest X-rays are unacceptable). The District will reimburse the full fee if the chest X-ray is obtained from the Orange County Department of Health and will reimburse an amount equal to the Orange County fee if the chest X-ray is obtained from another certified medical service. Following the chest X-ray, the physician or County health officer must submit a certificate or statement that the Unit Member is free of active tuberculosis.

17.2 **Resignation:** When a Unit Member decides to leave the service of the District, the Unit Member must submit a letter of resignation to the Immediate Management Supervisor and contact the District Office of Human Resources to schedule an exit interview, to be conducted during the last three (3) days of employment, and return any District property in the possession of the Unit Member. The letter of resignation shall be sent as soon as possible before the resignation date and shall state the last date of work. The Immediate Management Supervisor shall submit the resignation through proper administrative channels to the Vice Chancellor of Human Resources, or designee. The CSEA President, or designee, will receive notice of all resignations through receipt of the Board agenda packet. Upon request, any addendum will be forwarded to the CSEA President, or designee.

17.3 **Reemployment:** Unit Members who were on permanent status and reemployed in a bargaining unit position within thirty-nine (39) months after the last day of paid service will be reemployed with no loss of benefits. Such Unit Members will be credited with their unused accumulated sick leave, and retain their original anniversary date for salary step advancements. If they are reemployed in a position equal or lower in salary range to the previous position held in the District, they will be placed on the same salary step held at the time of severance. If they are reemployed in a position higher in range to the previous position held in the District, their step placement will be according to "Step Placement Upon Promotion" provisions of Article 16. All other Unit Members who are reemployed in a bargaining unit position shall be placed on the schedule in the appropriate salary range and step as determined by the Vice Chancellor of Human Resources, or designee, with the approval of the Chancellor and the Board of Trustees. Experience outside and inside the District shall be evaluated in relationship to the position being filled.

ARTICLE 18

CLASSIFICATION AND RECLASSIFICATION

18.1 Placement in Classification and Job Series

18.1.1 The District shall have the right and responsibility to create and determine the job content, qualifications, duties, and standards of each position in the bargaining unit, and pursuant thereto, every bargaining unit position shall be placed in a classification and a job family series. The classification and job family series within the bargaining unit are listed in Appendix A, attached and incorporated by reference as part of this Agreement.

18.1.2 The following classifications require individual emphasis, based on the discipline or area of application:

Business Analyst I & II [application]
Instructional Aide / [application]
Instructional Assistant / [application]
Laboratory Clerk / [application]
Laboratory Technician / [application]
Student Services Coordinator/ [application]
Student Services Specialist / [application]
Student Services Technician / [application]

Each such specialized classification (e.g., Instructional Assistant/Biology; Instructional Assistant/Chemistry) shall be considered a separate and distinct classification for the purposes of the collective bargaining agreement, the California Education Code and the Educational Employment Relations Act, but may be placed under the same job family series.

18.1.3 By mutual written agreement, CSEA and the District may remove classifications from within the bargaining unit. The duties of a former classification that has been removed from the bargaining unit shall no longer constitute work that is "customarily and routinely performed" by bargaining Unit Members within the meaning of the provisions of section 25.1 of Article 25 of this Agreement.

18.2 Distribution of Job Information: Upon initial employment and for each change in classification, the affected Unit Member shall be provided with the following:

18.2.1 a copy of the applicable job description and monthly salary rates for the position;

18.2.2 designation of the assigned work location;

18.2.3 designation of the assigned work shift, hours per day, days per week and months per year.
A second copy shall be signed, dated, and placed in the Unit Member's personnel file.

18.3 New Classifications and Changes to Existing Classifications

18.3.1 The District may establish new classifications within the bargaining unit or change the classification of a position that becomes vacant, as needed to meet the operational needs of the District. Except as provided in section 18.3.2, when a new classification is created, or when an amendment to the job description of an existing classification is proposed, the District will provide written notice to the CSEA President or designee and propose a salary range. If CSEA does not agree with the proposed salary range, a written request to meet and negotiate on the salary proposal must be submitted by CSEA to the Vice Chancellor of Human Resources or designee within ten (10) working days of receipt of the notice.

18.3.2 Where the District proposes an amendment to the job description of an incumbent Unit Member and there is disagreement between CSEA and the District concerning the amendment, the District will meet with CSEA to negotiate the proposal. The provisions of this section shall not apply to any change in a Unit Member's job description or classification resulting from the classification review process as provided in section 18.4.

18.3.3 Salary Placement

18.3.3.1 When a position or classification of positions is reclassified to a higher salary range, the incumbent Unit Member(s) will be placed on the new assigned pay range and column of the appropriate reclassified position that provides at least a four percent (4%) increase for the position in which the employee is reclassified. The Unit Member will continue to advance along the new assigned pay range until they reach maximum step. The Unit Member's anniversary date will remain the same.

18.3.3.2 When a position or classification of positions is classified to a lower salary range, the Unit Member(s) may elect to exercise bumping rights under the layoff and reemployment Article of this Agreement, or remain in the position, in which case the Unit Member's salary will be "Y-rated". The Unit Member's salary will not be decreased, but will be fixed at the present salary amount until the Unit Member's anniversary step, longevity step, or negotiated salary increase (based on the lower range) exceeds the "Y-rated" salary. If the classification to a lower range is effective simultaneously with the Unit Member's anniversary step, longevity step, or negotiated salary increase, the Unit Member will receive this increase based on the Unit Member's previous range and then the salary will be fixed as provided above.

18.3.3.3 Where the District proposes to classify the position of an incumbent Unit Member to a lower salary range, the District will meet with CSEA to negotiate the proposal.

18.3.4 Incumbent Rights: When a position or an entire classification of positions is reclassified, the incumbent(s) in the position(s) shall be entitled to serve in the new position(s). When a reclassification is required due to reorganization considerations, these changes will be implemented on the basis of a uniform process in accordance with California Code of Regulations, Title. 5 § 53021.

18.4 Classification Review

18.4.1 Basis for Classification Review: A permanent Unit Member may request a classification review of the Unit Member's position where the Unit Member believes that there has been a permanent accumulation of responsibilities that are above the level of the Unit Member's current classification.

18.4.1.1 The basis for a review shall be a significant, consistent and ongoing increase in job content, i.e., required knowledge, skills, abilities, responsibility, and accountability. The review evaluates job content only, not the person, and is not based on job performance, length of service, or other characteristics related to the Unit Member in the position.

18.4.1.2 Increased workload and normal increases in skills, experience, proficiency and adaptation to new technologies consistent with the duties of the classification in a position are not bases for classification review.

18.4.1.3 A Unit Member must have served in the current classification for at least fourteen (14) months before a request for classification review may be submitted.

18.4.1.4 A Unit Member may not request a classification review for the same position within a twenty-four (24) month period unless the reclassification request was denied by the Classification Review Committee.

18.4.2 Classification Review Committee

18.4.2.1 The District Classification Review Committee shall evaluate all requests for classification review and shall submit recommendations to the Vice Chancellor of Human Resources for review and approval. Classification issues to be evaluated and recommended by the committee shall include, but not be limited to, job descriptions, qualifications, job titles, salary ranges, and assignment of positions within job family series. The committee shall determine the content and format of the Request for Classification Review Form and any other documents which may be necessary to perform its function.

18.4.2.2 The Classification Review Committee shall be comprised of the District Director, Human Resources Operations, two (2) members appointed by the Vice Chancellor of Human Resources, and three (3) Unit Members appointed by CSEA. The terms of the CSEA appointees shall be three (3) years, with the right of reappointment. The terms of the initial CSEA members appointed to the Committee shall be staggered for continuity in a manner mutually agreed by CSEA and the Vice Chancellor of Human Resources. The District Director of Human Resources Operations shall serve as chair of the committee.

18.4.3 Classification Review Process: Requests for classification review may be submitted in the window periods of February 1st through February 28th of each fiscal year. Requests not submitted within this period will not be considered. All requests shall be submitted on the [Request for Classification Review Form](#) available from the District Office of Human Resources.

18.4.3.1 The Classification Review Committee will evaluate each request for classification review based on the information submitted by the Unit Member in the *Request for Classification Review Form*.

18.4.3.1.1 Unit Members who have applied for Classification Review will meet with the Classification Review Committee and provide the Committee with a summary which delineates the basis for their request.

18.4.3.1.2 The committee may interview the Unit Member and/or the Immediate Management Supervisor, conduct a desk audit, and solicit such additional information as may be needed by the committee to clarify information provided on the *Request for Classification Review Form*.

18.4.3.1.3 The recommendations of the committee will be forwarded to the Vice Chancellor of Human Resources for review and approval. The committee chair will provide notice, including the names of all applicants, to CSEA Chapter #167 President or designee and committee members when committee recommendations are forwarded to the Vice Chancellor of Human Resources.

18.4.3.2 If the Vice Chancellor disagrees with the committee's recommendations, the Vice Chancellor will meet with the committee to discuss the issues prior to making a final determination and provide a written response to the committee.

18.4.3.3 Where the Vice Chancellor does not approve a recommendation for reclassification due to fiscal or organization reasons, the recommendation will be returned to the committee. The committee shall validate the performance of the out-of-classification duties and recommend any realignment of responsibilities necessary to conform with the Unit Member's existing classification.

18.4.3.4 The Vice Chancellor will provide notice of the final decision to the Unit Member and to CSEA Chapter #167 President or designee within forty-five (45) working days after receipt of committee recommendations. This deadline may be extended for a length of time mutually agreed upon by CSEA and the Vice Chancellor of Human Resources.

- 18.4.3.5 The decision of the Vice Chancellor shall be final. The recommendation of the Classification Review Committee and the decision of the Vice Chancellor are not subject to the grievance process.
- 18.4.3.6 Approved classification changes shall become effective on the first day of the month following the window period during which the request for classification review was submitted.
- 18.4.3.7 Where a recommendation for reclassification is not approved as provided in section 18.4.3.3, the Unit Member shall be retroactively compensated for the performance of validated out-of-classification duties, effective from the first day of the month following the window period during which the request for classification review was submitted, through the date of decision by the Vice Chancellor and notification to the Unit Member.

19.1 Evaluation of Permanent Unit Members

19.1.1 Purpose of Evaluation:

19.1.1.1 The purpose of the evaluation process for permanent Unit Members is to strengthen communication between the Unit Member and the Immediate Management Supervisor and provide constructive feedback by working together to successfully identify and fulfill work-related goals by providing a useful and substantive assessment of performance, recognition and acknowledgment of good performance, and enhancement of performance by identification of areas needing improvement to strengthen the employee's performance.

19.1.1.2 It is the intent of the parties that evaluations are to be conducted in a supportive, collegial and nonpunitive manner. 19.1.3.2 Evaluation Conference

- 19.1.3.2.1 The Immediate Management Supervisor shall conduct an evaluation conference with the Unit Member to discuss both the preliminary evaluation and the Unit Member's self-evaluation. During the evaluation conference, the Immediate Management Supervisor and the Unit Member may identify potential changes in the emphasis of duties which may serve as the basis for the next evaluation.

19.1.3.3 Preparation of Final Performance Evaluation Form

- 19.1.3.3.1 After the evaluation conference, the Immediate Management Supervisor shall prepare a final written evaluation utilizing the Performance Evaluation Form. In formulating the final evaluation, the Immediate Management Supervisor will consider information provided by the Unit Member.
- 19.1.3.3.2 The final Performance Evaluation Form should address each performance standard, as appropriate, outline areas of strength and include recommendations for improvement, if warranted.

The Unit Member's signature shall not necessarily imply agreement with the content thereof.
- 19.1.3.4.2 The Unit Member may respond to the Immediate Management Supervisor's assessment by completing PART IV of the Performance Evaluation Form. The Unit Member may attach additional pages as necessary not to exceed five (5) pages.

- 19.1.4 Disposition of Evaluation Report Form: At the conclusion of the evaluation process, the final Evaluation Report Form, Unit Member's self-evaluation and evaluation response, if provided, shall be submitted electronically by the Immediate Management Supervisor through established administrative channels to the District Office of Human Resources and the Unit Member for inclusion in the Unit Member's personnel file.

- 20.6.1.6 A statement of the Unit Member's right to request a meeting with and appear personally before the Vice Chancellor of Human Resources or designee prior to the stated effective date of the proposed discipline (Skelly meeting), provided such request is submitted to the Vice Chancellor or designee not later than seven (7) working days after service of the notice to the Unit Member, and the date, time and place of the meeting in the event a timely request is submitted.
- 20.6.1.7 A statement that the Unit Members shall have the right to CSEA representation or to assistance by a representative of his or her own choosing.
- 20.6.2 If the Unit Member requests a Skelly meeting, the Unit Member shall meet with the Vice Chancellor of Human Resources or designee prior to the stated effective date of the proposed discipline. At such meeting, the Unit Member shall be granted a reasonable opportunity to make any representations and to present any information the Unit Member believes are relevant to the proposed action. After considering the Unit Member's response, the Vice Chancellor or designee shall make a final decision to sustain, modify, or overturn the recommended discipline and shall advise the Unit Member of the decision in writing. If discipline is imposed, the Unit Member shall be given notice of his or her right to a hearing, as set forth in section 20.7 below.
- 20.6.3 If the Unit Member does not request a Skelly meeting or submit a response within the prescribed time, or if the Unit Member submits a timely request for a Skelly meeting and fails to attend the meeting as scheduled, the Unit Member shall be deemed to have waived such rights, and the Vice Chancellor of Human Resources or designee may impose the recommended discipline as of the effective date. If discipline is imposed, the Unit Member shall be given notice of his or her right to a hearing, as set forth in section 20.7, below.
- 20.6.4 Immediate Suspension: A Unit Member may be immediately suspended without loss of compensation preliminary to investigation pending issuance of charges in circumstances when suspension is necessary to protect the best interests of the District, including, but not limited to, if the Unit Member is suspected of being an immediate threat to the health, safety, and wellbeing of students, employees, the public, or the employee at issue, or if the Unit Member is suspected of being a danger to the property of the District or of others, or in cases of gross insubordination. The suspension without loss of compensation must be followed by the service of a statement of disciplinary charges within ninety (90) working days of suspension.

20.7 Post-Disciplinary Hearing Right

- 20.7.1 Notice of Disciplinary Action: If disciplinary action is imposed upon a permanent Unit Member the Unit Member shall be entitled to a post-disciplinary hearing. The Unit Member shall be given a written Notice of Disciplinary Action. The Notice of Disciplinary Action may be served by personal delivery or by certified mail to the employee's last known mailing address of official record with the District. The notice shall be deemed served when it is delivered in person to the Unit Member, or if service is by certified mail, when it is deposited in the United States mail, postage prepaid. The notice of proposed disciplinary action shall include at least the following:
 - 20.7.1.1 A statement in ordinary and concise language of the specific act(s) and/or omissions upon which the proposed disciplinary action is based.
 - 20.7.1.2 A statement of the cause for the action taken, and if it is claimed that the employee has violated any rule or regulation of the District, such rule or regulation shall be set forth in the notice.
 - 20.7.1.3 A statement of the proposed disciplinary action.
 - 20.7.1.4 A statement that the Unit Member has a right to a hearing on the charges, as provided in section 20.7.2, if demanded within ten (10) working days after service of the notice to the

employee.

20.7.1.5 An attachment containing copies of all evidence and documentation known to the District at the time of service to support the District's case against the Unit Member.

20.7.1.6 A "Request For Hearing" Form, the timely filing of which by the Unit Member shall constitute a demand for hearing and denial of all charges.

20.7.2 Right to Request Hearing: The Unit Member may request a hearing on the charges by submitting a properly signed and dated "Request For Hearing" Form to the Vice Chancellor of Human Resources or designee not later than ten (10) working days after service of the Notice of Disciplinary Action upon the Unit Member. Failure of the Unit Member to submit a "Request For Hearing" Form as prescribed herein shall constitute a waiver of the employee's right to a hearing and the Board of Trustees may act upon the charge(s) without further notice. Nothing in this section shall prevent a Unit Member from requesting a hearing and obtaining a representation. If the Unit Member requests CSEA representation, CSEA has the right to decline to represent a Unit Member at any time.

20.7.3 Due Process

20.7.3.1 Due Process for Recommended Suspension Without Pay for Five Days or Less

20.7.3.1.1 In the event a suspension is recommended for five workdays or less, due process will be provided. Upon receipt of the Notice of Proposed Disciplinary Action and Statement of Charges ("Notice"), the Unit Member will be offered an in-person "Skelly" meeting. Pursuant to Article 20.6 of the CSEA Agreement, the Unit Member has the right to respond to the Charges in the Notice either orally in an in-person Skelly meeting or in a writing no later than ten (10) working days after receipt of the Skelly meeting invitation.

20.7.3.1.2 If the Unit Member does not request an in-person Skelly meeting, the Unit Member may provide a written response as to why they should not receive the recommended discipline. The written response must be received by the Human Resources Department by close of business on the tenth (10th) working day will result in a waiver of the opportunity to have the Skelly meeting. Failure to appear at the in-person Skelly meeting, or failure to submit a written response by the tenth (10th) working day will result in a waiver of the opportunity to have the Skelly meeting.

20.7.3.1.3 The Associate Vice Chancellor of Human Resources, or the designee named by the Vice Chancellor of Human Resources will serve as the Skelly Officer. At the Skelly meeting, the Unit Member will be provided the opportunity to make any representations or provide any information that is relevant to the proposed disciplinary action. During the Skelly, the Unit Member has the right to have a CSEA representative present with them during the Skelly or a representative of their own choosing.

20.7.3.1.4 After the Skelly meeting, or timely receipt of a written response, the Associate Vice Chancellor, Human Resources or the Vice Chancellor's designee will make a written determination. The determination can sustain, modify, or overturn the recommended discipline.

20.7.3.1.5 Appeal of the Skelly Meeting Determination

20.7.3.1.5.1 If the Unit Member disagrees with the Skelly Meeting determination, the Unit Member may file an appeal with the Vice Chancellor, Human Resources. The appeal must be filed within eight (8) working days after the date of the Skelly meeting determination. If no appeal is filed, the Vice Chancellor or designee may impose the written determination from the written determination based upon the Skelly meeting.

- 20.7.3.1.5.2 If the Unit Member files a timely appeal of the Skelly meeting determination, the Vice Chancellor or designee will process the appeal. The appeal will consist of a review of the Skelly meeting written determination, a review of any supporting documents including written witness statements signed by the witness declaring the information in the written witness statement as true and accurate to the best of the witness' knowledge, and a meeting with the Unit Member and their representative. Also present at the meeting will be a note transcriber or a digital recording to assist the Vice Chancellor or designee.
- 20.7.3.1.5.3 The appeal meeting with the Unit Member will be scheduled for no more than three (3) hours during the Unit Member's workday. The Vice Chancellor or designee, the Unit Member, or their representative may extend the appeal meeting, if warranted, by mutual agreement of all parties. After the appeal meeting, the Vice Chancellor or designee will render a final written appeal determination within 30 calendar days. The written appeal determination of the sufficiency of the cause for disciplinary action shall be conclusive in all cases and the decision of the Vice Chancellor or designee shall be final and binding on all parties.

20.7.3.2 Hearing for Suspension Without Pay for Six Days or More, Demotion or Dismissal

- 20.7.3.2.1 Where the Unit Member has requested a hearing in accordance with section 20.7.2 and the proposed disciplinary action is for suspension without pay of six (6) days or more, or for demotion or dismissal, the Board of Trustees may conduct the hearing or elect to have a hearing officer conduct the hearing.
- 20.7.3.2.2 If the Board of Trustees elects to have a hearing officer conduct the hearing, CSEA and the District will select a hearing officer by mutual agreement. If CSEA and the District cannot reach agreement within five (5) working days of the District's notice to CSEA of the Board's election to utilize a hearing officer, the District and CSEA shall each submit five (5) names of persons experienced in the hearing of disciplinary matters in the public sector. CSEA and the District will alternate striking names from the list until a name is mutually agreed upon. The order of striking names shall be determined by lot. If no name is agreed upon, the last name on the list after striking shall be the hearing officer. If the selected hearing officer is not able to offer a mutually convenient date for the hearing, the District and CSEA may mutually agree to another hearing officer.
- 20.7.3.2.3 Preparation Time: Upon selection of the hearing officer or notice that the Board of Trustees will conduct the hearing, the District shall notify the Unit Member of the date, time and place where the hearing will be held. The Unit Member shall be given at least fifteen (15) working days after notification of the hearing date to prepare for the hearing. The Unit Member shall have the right to appear in person on his/her own behalf, with counsel, or with CSEA representation. All hearings shall be held in closed session, unless the Unit Member requested an open hearing in the "Request For Hearing" Form.
- 20.7.3.2.4 Decision Time Limit: If the hearing is conducted by a hearing officer, the hearing officer shall render a recommended decision within twenty (20) working days of the hearing. The hearing officer shall prepare findings of fact and conclusions that constitute the results of the hearing and form a basis for the decision of the Board of Trustees. If the hearing is conducted by the Board of Trustees, the decision of the Board shall be rendered within twenty (20) working days of the hearing.
- 20.7.3.2.5 Decision on Proposed Disciplinary Action: The Board of Trustees may amend, modify, or revoke the proposed disciplinary action, provided the Board may not impose a disciplinary

action more severe than that proposed in the Notice of Disciplinary Action.

- 20.7.3.2.6 Decision of Board of Trustees: The Board's determination of the sufficiency of the cause for disciplinary action shall be conclusive in all cases and the decision of the Board of Trustees shall be final and binding on all parties.

If the Board of Trustees elects to have a hearing officer conduct the hearing and does not implement the hearing officer's recommendation, the Board shall provide written notification to the Unit Member or his/her designated representative stating the reason(s) for its decision.

- 20.7.3.3 Failure to Appear: If the Unit Member fails to appear at a duly scheduled hearing without good cause, the Unit Member shall be deemed to have waived the right to a hearing and the Board of Trustees may act upon the charge(s) without further notice.

- 20.8 Informal Corrective Measures and Progressive Discipline: Except in those situations where the nature or seriousness of a Unit Member's conduct warrants immediate disciplinary action or where the application of informal corrective measures and/or progressive discipline would likely be futile or cause undue delay to the detriment of the District, a permanent Unit Member whose work or conduct is of such character as to incur discipline shall first be specifically warned verbally and if the unsatisfactory work or conduct continues, shall be warned in writing by the Immediate Management Supervisor. Such written warning shall state the reasons underlying any intention the District may have for recommending future disciplinary action.

- 20.8.1 Where the unsatisfactory work or conduct involves an issue under section 20.3.1, 20.3.9 or 20.3.10, the employee shall first be specifically warned verbally and if the unsatisfactory work or conduct continues, in lieu of a written warning, a line management supervisor may develop a written Performance Improvement Plan (PIP) after a meeting with the employee. The PIP shall specify the following:

20.8.1.1 the performance areas of concern;

20.8.1.2 recommendations for correction and specific goals to be achieved;

20.8.1.3 timelines for addressing recommendations;

20.8.1.4 any assistance that will be provided the employee in attaining the performance improvement.

- 20.8.2 After receipt of the written warning, or Performance Improvement Plan if the unsatisfactory work or conduct involves an issue under section 20.3.1, 20.3.9, or 20.3.10, if the Unit Member continues to violate the cause(s) listed in the written warning, or fails to satisfactorily comply with the Performance Improvement Plan and maintain satisfactory performance thereafter, the Unit Member may be suspended without pay for up to five (5) working days in accordance with the provisions of this Article. If the action continues for the same cause, the Unit Member may be suspended without pay, demoted or terminated in accordance with the provisions of this Article.

ARTICLE 21

LAYOFF AND REEMPLOYMENT

- 21.1 Reason for Layoff: Layoff shall occur only for lack of work or lack of funds in accordance with the Education Code. While the District shall have the right to lay off classified positions for the reasons listed above, CSEA shall retain the right to negotiate the effects of layoff. The District and CSEA shall meet sufficiently in advance of any notice of layoff to Unit Members to negotiate the effects of the proposed layoffs and determine the order of layoff within the provisions of this Article.
- 21.1.1 A Unit Member may not be laid off if a short-term employee is retained to render a service within the department that the Unit Member is qualified to render.
- 21.1.2 The provisions of section 21.1.1 shall not apply to the retention of a short-term employee, as defined in Education Code 88003, who is hired for a period not exceed 45 days after which the short-term service may not be extended or renewed.
- 21.2 Notice of Layoff: Upon the decision of the District to eliminate or reduce a classified position(s) within the bargaining unit, written notice of layoff shall be sent by registered mail or delivered in person to the affected Unit Member(s) by the District Office of Human Resources, not less than sixty (60) calendar days prior to the effective date of layoff. The District will comply with California Education Code §88017 including the March 15 notice requirement. When classified positions must be eliminated as a result of the expiration of a specially funded program, the employees to be laid off shall be given written notice not less than sixty (60) days prior to the effective date of their layoff. Any notice of layoff shall specify the following:
- 21.2.1 Name and classification of the Unit Member designated for layoff.
- 21.2.2 The reason for layoff.
- 21.2.3 The Unit Member's displacement rights.
- 21.2.4 The Unit Member's reemployment rights.
- 21.2.5 The right to an exit interview with the District Director of Human Resources, during working hours, with a CSEA representative present.
- 21.2.6 The Unit Member's unemployment insurance rights.
- 21.3 Reduction of Unit Member's Percentage of Employment: In the event the District reduces a Unit Member's percentage of employment, the District shall provide notice and an opportunity to bargain the decision and effects of the reduction in percentage of employment.
- 21.4 Order of Layoff: Any layoff shall be effected within a classification. For the purposes of this Article, seniority in a classification shall be based on the number of hours a Unit Member has been in paid status, excluding overtime, in the classification plus higher classifications and as provided in section 21.7. The order of layoff shall be based on seniority within the affected classification. The Unit Member with the least seniority within the affected classification shall be laid off first.
- 21.5 Bumping Rights: A Unit Member who is laid off or reduced in percentage from the Unit Member's present classification shall be entitled to displacement (bumping) rights as provided in this section.
- 21.5.1 Order of Bumping: Where a Unit Member elects to exercise bumping rights, bumping shall occur in the following order:
- 21.5.1.1 Bumping into a Position in the Same Classification
- 21.5.1.1.1 If there is a vacant position with like percentage of employment and like months of

employment in the same classification as the position from which the Unit Member is laid off or bumped, the Unit Member will transfer into the vacant position.

- 21.5.1.1.2 If there is no vacant position in the same classification as provided in section 21.5.1.1.1, the Unit Member may bump into a position in the same classification, providing that the laid off Unit Member's seniority in the classification is greater than the seniority of the Unit Member holding employment in the classification.

21.5.1.2 Bumping into a Position in an Equal Classification

- 21.5.1.2.1 If the Unit Member is not able to transfer into a vacant position or bump as provided in section 21.5.1.1, then if there is a vacant position with like percentage of employment and like months of employment in an equal classification in which the Unit Member has previously served, the Unit Member will transfer into the vacant position in the equal classification in which the Unit Member has most recently served.
- 21.5.1.2.2 If there is no vacant position in an equal classification as provided in section 21.5.1.2.1, the Unit Member may bump into a position in an equal classification in which the Unit Member has previously served, respectively, beginning with the classification in which the Unit Member has most recently served, providing that the laid off Unit Member's seniority in the equal classification is greater than the seniority of the Unit Member holding employment in the equal classification.
- 21.5.1.2.3 For the purpose of these provisions, "equal classification" means a classification at the same salary range, as provided in the List of Classifications in [Appendix A](#), as the position from which the Unit Member is laid off or bumped.

21.5.1.3 Bumping into a Position in a Lower Classification

- 21.5.1.3.1 If the Unit Member is not able to transfer into a vacant position or bump as provided in section 21.5.1.2, then if there is a vacant position with like percentage of employment and like months of employment in a lower classification in which the Unit Member has previously served, the Unit Member will transfer into the vacant position in the lower classification in which the Unit Member has most recently served.
- 21.5.1.3.2 If there is no vacant position in a lower classification as provided in section 21.5.1.3.1, the Unit Member may bump into a position in a lower classification in which the Unit Member has previously served, respectively, beginning with the classification in which the Unit Member has most recently served, providing that the laid off Unit Member's seniority in the lower classification is greater than the seniority of the Unit Member holding employment in the lower classification.
- 21.5.1.3.3 For the purpose of these provisions, "lower classification" means a classification at a lower salary range, as provided in the List of Classification in [Appendix A](#), than the position from which the Unit Member is laid off or bumped.

21.5.1.4 Bumping into a Position in a Lower Classification for Which Qualified

If a Unit Member is not able to transfer into a vacant position or bump as provided above, the Unit Member may bump into a position in a lower classification that is related by the essential functions to the position from which the Unit Member is laid off or bumped, and for which the Unit Member meets the minimum qualifications as stated in the job description, as mutually agreed upon by CSEA and the District, providing the Unit Member's hire date seniority is greater than the hire date seniority of the Unit Member holding employment in the lower classification.

21.5.2 General Provisions Applicable to Bumping: When a Unit Member exercises bumping rights within any classification as provided herein, the Unit Member shall bump the Unit Member with the least seniority in the classification who is assigned to like percentage of employment and like months of employment.

21.5.2.1 If there are no Unit Members who are assigned to like months of employment within the classification to be bumped, the Unit Member shall bump the Unit Member with the least seniority who is assigned to like percentage of employment, regardless of the number of months assigned.

21.5.2.2 If there are no Unit Members who are assigned to like percentage of employment within the classification to be bumped, the Unit Member shall bump the Unit Member with the least seniority, regardless of the number of months assigned.

21.5.3 Transfer: Where a Unit Member is laid off or reduced in percentage and is not able to bump into another position as provided above, the Unit Member may transfer into a vacant position for which the Unit Member meets the minimum qualifications as stated in the job description, as mutually agreed upon by CSEA and the District. The District shall determine which positions are vacant.

21.6 Voluntary Layoff in Lieu of Bumping: A Unit Member who elects a layoff in lieu of bumping maintains the Unit Member's rights under this Agreement.

21.7 Equal Seniority: If two (2) or more Unit Members subject to layoff have equal seniority in a classification then the determination as to who shall be laid off will be made on the basis of the hire date seniority or, if that be equal, then the determination shall be made by lot.

21.8 Scheduling Vacation Upon Layoff: Any scheduling of vacation after the notification shall be by mutual agreement of the Unit Member and the Unit Member's Immediate Management Supervisor. Unused vacation shall be paid as provided in section 14.5.

21.9 Salary Placement for Unit Members Exercising Bumping Rights: When a Unit Member exercises bumping rights to an equal classification, such Unit Member shall remain on the current range and step. When a Unit Member exercises bumping rights to a lower classification, such Unit Member shall be placed on the salary range of the lower classification and remain on the same step.

21.9.1 In the event of the layoff of a bargaining unit position in which the incumbent Unit Member is "grandfathered" pursuant to the implementation of the 2003 Classification Study with respect to the salary range for the position being laid off, and the incumbent Unit Member bumps into a bargaining unit position in which the incumbent in the position being bumped is "grandfathered" pursuant to the implementation of the 2003 Classification Study with respect to the salary range for the position being bumped, or bumps into a vacant bargaining unit position for which a previous incumbent was, or would have been "grandfathered," the Unit Member who bumps into the position shall be placed at the "grandfathered" salary range for the position into which the Unit Member bumps. Application of these provisions shall not result in placement of the Unit Member at a salary range which exceeds the "grandfathered" salary range of the position from which the Unit Member is laid off. The provisions of this section shall be applicable only to Unit Members who were employed by the District in a bargaining unit position on or before April 8, 2003.

21.9.2 In the event of bumping of a bargaining unit position in which the incumbent Unit Member is "grandfathered" pursuant to the implementation of the 2003 Classification Study with respect to the salary range for the position being bumped, and the incumbent Unit Member bumps into a bargaining unit position in which the incumbent in the position being bumped is "grandfathered" pursuant to the implementation of the 2003 Classification Study with respect to the salary range for the position being bumped, or bumps into a vacant bargaining unit position for which a previous incumbent was, or would have been "grandfathered," the Unit Member who bumps into the position shall be placed at the "grandfathered" salary range for the position into which the Unit Member bumps. Application of these provisions shall not result in placement of the Unit Member at a salary range which exceeds the "grandfathered" salary range of the position from which the Unit Member is bumped. The provisions of this section shall be applicable only to Unit Members who were employed by the District in a bargaining unit position on or before April 8, 2003.

- 21.9.3 In the event a Unit Member is laid off or bumped from a bargaining unit position in which the Unit Member is “grandfathered” pursuant to the implementation of the 2003 Classification Study with respect to the salary range for the position being laid off, or from which the Unit Member is bumped, any subsequent service performed by the Unit Member in that position shall be compensated at the salary range for which the Unit Member was “grandfathered” as the incumbent in the position. The provisions of this section shall be applicable only to Unit Members who were employed by the District in a bargaining unit position on or before April 8, 2003.
- 21.10 Transfer of/or Contracting Out of Bargaining Unit Work: The District shall not contract any work which would have been done by Unit Members on layoff to any public or private agency, corporation, or individual. Neither shall the District use teachers, students, short-term employees, professional experts, or volunteers to perform work which would have been done on a continuing basis by Unit Members on layoff. (See Article 25.)
- 21.11 Reemployment Rights: Laid off Unit Members are eligible for reemployment in the classification from which laid off for a thirty-nine (39) month period and shall be reemployed in the reverse order of layoff. Reemployment within the classification shall take precedence over any other type of employment, defined or undefined in this Agreement. In addition, such Unit Members shall have the right to apply for other employment opportunities within the filing period specified in Article 16 of this Agreement. A Unit Member on a reemployment list shall be notified of all employment opportunities. (See Education Code.)
- 21.12 Voluntary Demotion or Voluntary Reduction in Assigned Time: Unit Members who take voluntary demotions or voluntary reduction in assigned time in lieu of layoff shall be, at the Unit Member’s option, returned to a position in their former classification or to positions with increased assigned time as vacancies become available, within a sixty-three (63) month period, except that they shall be ranked in accordance with their seniority on any valid reemployment list.
- 21.13 Retirement in Lieu of Layoff: A Unit Member may elect to accept a service retirement in lieu of layoff, voluntary demotion, or reduction in assigned time. Such Unit Member shall within ten (10) working days prior to the effective date of the proposed layoff complete and submit a form provided by the District for this purpose. The Unit Member shall be placed on the appropriate reemployment list. The District shall notify the Board of Administration of the Public Employee’s Retirement System (PERS) of the fact that retirement was due to layoff. If the Unit Member is subsequently subject to reemployment and accepts, in writing, the appropriate vacant position, the District shall maintain the vacancy, but may fill it on a temporary basis, until the Board of Administration of PERS has properly processed the request for reinstatement from retirement.
- 21.14 Seniority Roster: The District agrees to establish a seniority roster for each affected classification. Such roster shall be available no later than the time of the District/CSEA Meetings held pursuant to section 21.2.
- 21.15 Notification of Reemployment Opening: A Unit Member who is laid off and is subsequently eligible for reemployment shall be notified in writing by the District of an opening. Such notice shall be sent by U.S. Certified Mail to the last address given the District by the Unit Member, and a copy shall be sent to CSEA by the District, which shall relieve the District of its notification responsibility.
- 21.16 Employee Notification to District: A Unit Member shall notify the District of the Unit Member’s intent to accept or refuse employment within ten (10) working days following the receipt of the reemployment notice by the Unit Member, or an attempted delivery to the last known address by the Post Office (U.S. Certified Mail-Return Receipt Requested). If the Unit Member accepts reemployment, the Unit Member must report to work within thirty (30) working days following the receipt or attempted delivery of the reemployment notice. A Unit Member given notice or reemployment need not accept the reemployment to maintain the Unit Member’s eligibility on the reemployment list, provided the Unit Member notified the District Director of Human Resources, in writing, of refusal of reemployment within ten (10) working days after the receipt or attempted delivery of the reemployment notice.
- 21.17 Reemployment in Highest Classification: Unit Members shall be reemployed in the highest rated job classification available and with the time assignment available, in accordance with their seniority in the classification, plus higher classifications. Unit Members who accept a position lower than their former classification shall retain their original sixty-three (63) months of reemployment rights to the former position.

- 21.18 Error in Layoff Procedures: If the District determines that a Unit Member has been laid off because of an error in the application of the procedures outlined in this Agreement, the Unit Member will be reinstated upon discovery of the error.
- 21.19 Seniority During Involuntary Unpaid Status: Upon return to work all time during which an individual is in involuntary unpaid status shall be counted for seniority purposes not to exceed thirty-nine (39) months, except that during such time the individual will not accrue vacation, sick leave, holidays or other leave benefits.
- 21.20 Seniority Benefits: If a Unit Member is laid off and reemployed within the thirty-nine (39) months of the layoff, then all time accumulated for seniority purpose prior to the effective date of layoff shall be credited back to the Unit Member's records.
- 21.21 Sick Leave Benefits: If a Unit Member is laid off and reemployed within thirty-nine (39) months of the layoff, then all unused sick leave accumulated prior to the effective date of the layoff shall be credited back to the Unit Member's records.
- 21.22 Vacation Benefits Upon Reemployment: if the Unit Member is reemployed within thirty-nine (39) months of the date of the layoff, the Unit Member shall regain vacation longevity that he/she held prior to the layoff.

If the Unit Member returns within thirty-nine (39) months to a position in a higher classification, the Unit Member shall be placed on the salary schedule as indicated in section 16.3.1.

ARTICLE 22

GRIEVANCE PROCEDURE

- 22.1 Purpose: It is the intent of the parties to promote and improve their relationship by encouraging the prompt and informal resolution of problems arising during the course of their relationship. Accordingly, it is the purpose of this grievance procedure to provide an orderly means by which grievances can be resolved in an expeditious, amicable, and decisive manner.
- 22.2 Definitions
- 22.2.1 Grievance: A grievance is a written complaint by a Unit Member or the exclusive bargaining representative involving an alleged violation, misinterpretation or misapplication of a specific provision(s) of this Agreement or letter of understanding modifying this Agreement. It is the intent of the parties to equitably resolve grievances at the lowest possible administrative level and to encourage an informal and confidential atmosphere in the resolution of grievances.
- 22.2.2 Conciliation: Conciliation is the utilization of a neutral person to assist the parties in the resolution of a grievance. For purposes of this Agreement the services of the California State Mediation/Conciliation Service of the Department of Industrial Relations or other appropriate resource may be utilized as determined by mutual agreement between CSEA and the District.
- 22.2.3 Days: Any reference to days shall mean days on which the administration offices of the District are open for regular business. Each reference to days is a maximum. All parties should attempt to resolve a grievance as early as possible within the specified number of days.

- 22.4 Time Limits: Except by mutual agreement, all grievances must be processed within a reasonable time not to exceed the time limits specified at each step of the grievance procedure. Failure at any step of the procedure to appeal a grievance to the next step within the specified time limits shall be deemed to be an acceptance of the decision rendered at that step. Failure at any step of the procedure to communicate the decision on a grievance within the specified time limits shall permit the grievant to proceed to the next step. Failure of the employer to follow any step of the procedure or to facilitate adherence to the specified time limits shall permit the grievant to proceed to the next step.
- 22.5 Fees and Expenses: The parties shall bear their own costs and expenses except the expenses incurred by conciliation shall be borne equally by both parties.
- 22.6 Informal Resolution of a Grievance: A grievant, on an informal basis, shall discuss and attempt to resolve a grievance with the Immediate Management Supervisor if the Issue is department related, or with the Vice Chancellor of Human Resources or designee, if the issue is District related, within twenty (20) days from the time the grievant knew or should have known of the event or condition giving rise to the grievance.
- 22.7 Grievance Forms: Grievance forms shall be furnished by the District and are included in this Agreement in [Appendices J-1, J-2, and J-3](#). The completed grievance form must include, but is not limited to, the following information:
- 22.7.1 Date of the alleged violation;
- 22.7.2 Description of the alleged violation including the name(s) and title(s) of the person(s) and other facts giving rise to the grievance;
- 22.7.3 A statement of the specific provisions(s) of this Agreement alleged to have been violated;
- 22.7.4 The grievant's proposed reasonable remedy;
- 22.7.5 A statement that the informal step has been completed;
- 22.7.6 Signature of the grievant.

22.8 Formal Resolution of a Grievance

22.8.1 Step One: Within twenty-five (25) days from the time the grievant knew or should have known of the event or condition giving rise to the grievance, if the grievance is not resolved, the grievant may directly, or through the Job Steward(s), present the grievance in writing on the [Step One Grievance Form](#) (Appendix J-1) through the Vice Chancellor of Human Resources or designee to the grievant's appropriate Immediate Management Supervisor. The Immediate Management Supervisor will communicate a decision to the grievant in writing within ten (10) days of receiving the grievance.

22.8.2 Step Two: If not satisfied with the response of the Immediate Management Supervisor, the Grievant may within ten (10) days of the receipt of the Immediate Management Supervisor's response, submit an appeal on the [Step Two Grievance Form](#) (Appendix J-2) to the Vice Chancellor of Human Resources or designee.

The Vice Chancellor of Human Resources or designee will call a meeting with the grievant to discuss the matter within ten (10) days of receipt of the appeal. Following the meeting with the grievant, the Vice Chancellor of Human Resources or designee will investigate the allegations and respond to the grievant on the District form within ten (10) days.

22.8.3 Step Three: If not satisfied with the response of the Vice Chancellor of Human Resources or designee, the grievant may, within ten (10) days of the receipt of the response, choose one of the following three options on the [Step Three Grievance Form](#) (Appendix J-3):

22.8.3.1 Option 1: Submit a request to the Vice Chancellor of Human Resources or designee for conciliation. The Vice Chancellor of Human Resources or designee and the CSEA President will mutually arrange for a conciliator through the California State Mediation/Conciliation Service of the Department of Industrial Relations, or other appropriate resource, to begin conciliation at the earliest possible date. It will be the responsibility of the conciliator to attempt to resolve the grievance to the satisfaction of both parties within ten (10) days of the beginning of the conciliation effort. If the conciliator is unable to resolve the grievance, the grievant may file a written appeal with the Board of Trustees as outlined in option (3) below.

22.8.3.2 Option 2: Request CSEA to submit the grievance to binding arbitration. If CSEA does not concur with the request for binding arbitration, the grievant may decide on option (3) below.

If CSEA concurs with the grievant's request for binding arbitration, CSEA shall, within thirty (30) days of the decision rendered by the Vice Chancellor of Human Resources or designee pursuant to section 22.8.2, submit a request in writing to the Vice Chancellor of Human Resources or designee for binding arbitration of the dispute and the District shall comply with the request. CSEA and the District shall attempt to agree upon an arbitrator and if no agreement can be reached, the parties shall request the California Mediation/Conciliation Services to supply a panel of five (5) names of persons experienced in hearing grievances in public schools. Each party shall alternately strike a name until only one name remains. The remaining panel member shall be the Arbitrator. The order of striking shall be determined by lot.

The Arbitrator shall, as soon as possible, hear evidence and render a decision on the issue or issues that were submitted to arbitration.

The Arbitrator shall have no power to add to, subtract from, or modify the terms of this Agreement. The Arbitrator shall be restricted from making a recommendation that is not based on violation or inequitable application of this Agreement. After a hearing and after both parties have had an opportunity to make written arguments, the Arbitrator shall submit a written finding and decision within thirty (30) calendar days. The decision of the Arbitrator is final and binding on all parties.

22.8.3.3 Option 3: File a written appeal with the Board of Trustees. A written statement of appeal, attached to the Step Three Grievance Form, must be submitted to the Vice Chancellor of Human Resources or designee as follows:

- 22.8.3.3.1 within ten (10) days of the District's response to Step Two of the grievance process if option (1) or option (2) is not selected;
- 22.8.3.3.2 within ten (10) days of the unresolved conciliation attempt if option (1) is selected;
- 22.8.3.3.3 within thirty (30) days of the District's response to Step Two of the grievance process if option (2) is selected and CSEA declines the request for binding arbitration.

The Board of Trustees will issue a written response within thirty (30) days of receipt of the written appeal.

ARTICLE 23

SAFETY

- 23.1 District Compliance: The District shall conform to and comply with all health, safety, and sanitation requirements imposed by state or federal law or regulations adopted under state and/or federal law, Unit Members may report safety concerns to the Immediate Management Supervisor or the District Worker's Compensation/Safety Coordinator. No Unit Member shall be in any way discriminated against as a result of reporting any condition believed to be a violation of this section.
- 23.2 Safety Committees: CSEA shall have the right to appoint members to the District and campus safety committees. The number of appointments to which CSEA is entitled for any such committee shall not be less than the number of faculty appointments to the committee.
- 23.3 Safety Equipment: Should the employment duties of a Unit Member reasonably require the use of any equipment or gear to ensure the safety of the Unit Member or others, the District agrees to furnish such equipment or gear, subject to the following:
- 23.3.1 Where the District elects to purchase safety equipment or gear in bulk, Unit Members shall normally be required to use such equipment or gear. In exceptional circumstances where it is reasonably impractical for the Unit Member to use such bulk purchased equipment or gear, the Unit Member shall have the right to have CSEA negotiate the Unit Member's equipment need(s) with the District. Where such needs are negotiated pursuant to this section, the Unit Member shall purchase the item(s) in conformity with negotiated standards and provide verification of the cost to the District. An amount not to exceed the negotiated purchase cost will be reimbursed by the District. The District reserves the right to take ownership of the property upon termination of the Unit Member's employment.
- 23.3.2 Where the employment duties of a Unit Member reasonably require the use of special equipment or gear not otherwise provided or negotiated pursuant to the provision of section 23.3.1, the Unit Member shall have the right to have CSEA negotiate such special need(s) with the District. Where special needs items are negotiated, the Unit Member shall purchase the items(s) in conformity with negotiated standards and provide verification of cost to the District. The negotiated amount will be reimbursed by the District. The District reserves the right to take ownership of the property upon termination of the Unit Member's employment.
- 23.3.3 If a Unit Member fails or refuses to utilize such equipment, the Unit Member shall be subject to disciplinary action, up to and including dismissal.

ARTICLE 24

PAST PRACTICES AND SEVERABILITY

- 24.1 Savings Clause: If during the life of this Agreement there exists any applicable law, rule, regulation, or order issued by governmental or judicial authority other than the District which all render invalid or restrain compliance with, or enforcement of, any provision of this Agreement, such provisions shall be immediately suspended and be of no effect hereunder so long as such law, rule, regulation or order shall remain in effect. Such invalidation of a part or portion of this Agreement shall not invalidate any remaining portions which shall continue in full force and effect.
- 24.2 Replacement for Severed Provisions: In the event of suspension or invalidation of any Article or section of the Agreement, the parties agree to meet and negotiate within thirty (30) days after such determination for the purpose of arriving at a mutually satisfactory replacement for such an Article or section.
- 24.3 Past Practices: The rules, regulations, policies and practices of the District which directly apply to Unit Members, which are in effect at the time of this Agreement and are not in conflict with the terms of this Agreement, shall remain in full force and effect unless changed by mutual agreement of CSEA and the District.
- 24.4. If the Education Code is repealed and a written request is submitted by CSEA, the District agrees to negotiate with CSEA on those items which meet all of the following criteria:
- 24.4.1 The item is included in CSEA's written request;
 - 24.4.2 The item is within scope;
 - 24.4.3 The item was in the Education Code at the time the repeal occurred;
 - 24.4.4 The item is not already included in this Agreement.

ARTICLE 25

RESTRICTION ON CONTRACTING OUT

- 25.1 Restriction on Contracting Out: During the life of this Agreement, the District agrees that it will not contract out work which has been customarily and routinely performed or is performed by Unit Members which will result in the reduction in regular hours or wages of Unit Members, or which will result in the loss of employment or layoff of Unit Members except by mutual agreement between the Board of Trustees and CSEA.
- 25.2 The California School Employees Association and its NOCCCD Chapter #167 and the North Orange County Community College District mutually agree to contract out the hourly services required in the Disabled Student Centers and EOPS Centers for specially trained assistants in the areas of interpreters and readers. In addition, the District may contract out the hourly services required to provide tutoring services for students. These services are needed on an assignment basis, depending on the student needs.
- 25.3 The California School Employees Association and its NOCCCD Chapter #167 and the North Orange County Community College District mutually agree that the District may contract out for the provision of food services within the District. The District may, in so contracting, secure the full range of facilities, food products and services offered by a vendor. Persons employed by any vendor with whom the District may contract shall be deemed employees of the vendor, as an independent contractor, and shall be subject to such terms and conditions of employment as may be established by the vendor. In no event will employees of a vendor be considered employees of the District nor will the vendor, or employees of the vendor, be subject to the provisions of the collective bargaining agreement between CSEA and the District.
- 25.4 The California School Employees Association and its NOCCCD Chapter #167 and the North Orange County Community College District mutually agree that the District shall have the right to contract out for the provision of swimming pool maintenance services within the District. The District may, in so contracting, secure the full range of pool maintenance services as deemed necessary by the District, including adjusting, repairing and maintaining pools, pool equipment, pool machinery, and pool-related surrounding facilities (e.g., pool deck, pump room, chemical room).
- 25.4.1 CSEA and the District further agree that persons employed by any vendor with whom the District may contract shall be deemed employees of that vendor, as an independent contractor, and shall be subject to such terms and conditions of employment as may be established by the vendor. In no event will employees of a vendor be considered employees of the District nor will the vendor, or employees of the vendor, be subject to the provisions of the collective bargaining agreement between CSEA and the District.
- 25.4.2 The District may, at its option, elect to contract out for some swimming pool maintenance services and have some swimming pool maintenance services performed within the Pool Mechanic classification, or other appropriate classification, by Unit Members. However, the District shall retain the right, at any time, to discontinue swimming pool maintenance services performed by Unit Members and contract out for the full range of swimming pool maintenance services.

ARTICLE 26

NEGOTIATIONS

- 26.1 Notification and Public Notice: If either party desires to alter or amend this Agreement, it shall, at least ninety (90) calendar days prior to the termination date set forth under the Duration Article and no later than October 31st, provide written notice and a proposal to the other party of said desire and the nature of the amendments and cause the public notice provision of law to be fulfilled.
- 26.2 Commencement of Negotiations: Negotiations shall commence within ten (10) working days of satisfaction of the public notice requirements. Negotiations shall commence at a mutually acceptable time and place for the purpose of considering changes to this Agreement.
- 26.2.1 The initial meeting will be used to calendar negotiations sessions and to determine the ground rules to be used.
- 26.2.2 The District and CSEA currently recognize the Interest Based Bargaining process as a useful and constructive tool for negotiations. It is suggested by both parties that the Interest Based Bargaining process be used for negotiations whenever it is practical. (See CSEA/NOCCCD Interest Based Bargaining Handbook. The intent of the Handbook is to serve as a general framework for addressing the Interest Based Bargaining process; the provisions in the Handbook are not negotiated contractual procedures and are not subject to grievance under this Agreement.)
- 26.3 Impasse: If notice has been given in accordance with the preceding sections and the parties have not been able to agree upon terms of a new Agreement, either party may institute impasse procedures according to Chapter 10.7, Article 9, section 3548 of the Government Code. Once impasse procedures have been invoked, this Agreement shall remain in full force and effect until the conclusion of the impasse process.
- 26.4 Release Time for Negotiations
- 26.4.1 CSEA shall have the right to designate up to five (5) Unit Members and one (1) alternate who shall be allowed to attend, without loss of compensation, scheduled meetings with designated representatives of the District to meet and confer on matters within the scope of representation. This release time shall include a reasonable amount of travel time to and from such meetings when they are conducted at a location other than a Unit Member's work location.
- 26.4.2 The designated members of the CSEA negotiating team shall be granted up to twenty (20) minutes of time for negotiations preparation for every one (1) hour of scheduled meeting time with designated representatives of the District, to be used at the beginning of each scheduled meeting.
- 26.4.3 CSEA shall notify the Vice Chancellor of Human Resources in writing of the names of the designated members of the negotiating team. If a change in designated negotiating team members is made, CSEA shall notify the Vice Chancellor of Human Resources in writing within five (5) working days of such change.
- 26.4.4 The Vice Chancellor of Human Resources or designee shall notify the appropriate Immediate Management Supervisors of the names of the designated CSEA negotiating team members and shall provide to them, as soon as available, a schedule of the dates and times of scheduled negotiations meetings. If a scheduled negotiations meeting is canceled by either CSEA or the District, or if a change in the dates and times of scheduled negotiations meetings is made, CSEA negotiating team members will promptly notify their Immediate Management Supervisors. A copy of the aforementioned schedule shall be provided to each member of the CSEA negotiating team.
- 26.4.5 CSEA negotiating team members shall specify, on their monthly time sheets, the dates and times of release time taken for participation in negotiations pursuant to the provisions of this Article.
- 26.5 Reopener Clause: CSEA NOCCCD Chapter 167 or the District shall have the right to reopen this Agreement on matters pertaining to wages and health and welfare benefits and any one other Article by giving written notice in each year prior to June 30. Negotiations shall commence under this section within ten (10) working days after fulfillment of the public

notice requirements. The terms and conditions of this Agreement will remain in full force and effect during such negotiations. By mutual agreement, timelines may be modified to accommodate the negotiations process.

26.5.1 Reopener Clause: CSEA NOCCCD Chapter 167 or the District shall have the right to reopen this Agreement on matters pertaining to wages and health and welfare benefits and any one other Article by giving written notice in each year prior to October 31st. Negotiations shall commence under this section within ten (10) working days after fulfillment of the public notice requirements. The terms and conditions of this Agreement will remain in full force and effect during such negotiations. By mutual agreement, timelines may be modified to accommodation the negotiations process.

26.6 Retroactive Salary Increases: When retroactive salary increases are negotiated, the increase in salary will be applicable to all Unit Members who are in paid status on the date the retroactive increase is approved by the Board of Trustees.

26.6.1 Unit Members who retire from the District or are laid off on or after the date the retroactive increase is approved by the Board of Trustees will also receive this salary increase.

26.6.2 Unit Member placed on the 39-month reemployment list or granted an unpaid leave of absence on or after the date the retroactive increase is approved by the Board of Trustees will also receive this salary increase.

26.6.3 Unit Members granted a military leave for the performance of military service in a uniformed service, whether such leave is paid or unpaid by the District, and provided the Unit Member is an employee of the District on the date the retroactive increase is approved by the Board of Trustees, will also receive this salary increase.

26.7 Ratification of Additions or Changes: Any additions or changes in this Agreement shall not be effective unless reduced to writing and properly ratified and signed by both parties.

26.8 Agreement of Parties: This Agreement contains the agreement of the parties as to all existing matters. This Agreement terminates and supersedes all past agreements, memoranda of understanding, past practices, and procedures in conflict with the express terms of this Agreement. Nothing contained herein shall be interpreted as precluding the right of CSEA and the District to mutually agree in writing to negotiate on matters which develop after entering into this Agreement.

ARTICLE 27

MANAGEMENT RIGHTS

Rights: It is understood and agreed that the District has all the customary and usual rights, powers, functions and authority to discharge its obligations. Any of the rights, powers, or authority which the District had prior to the execution of this Agreement are retained except as those rights, powers, and functions or authority which are specifically abridged or modified by this Agreement
