

Qualtrics Instructions: Logging In & Account Set-up

July 2024

Qualtrics is an online survey tool that allows you to build and distribute surveys and analyze responses from one cloud-based location. All NOCCCD employees have access. Beginning Feb 2022, two-factor authentication is required for sign-in.

Logging In

1. From your home campus/district website, sign in to [My Gateway](#).

REMINDER: MyGateway ID is your Banner ID without @ symbol.

2. Type **QUALTRICS** into the search bar

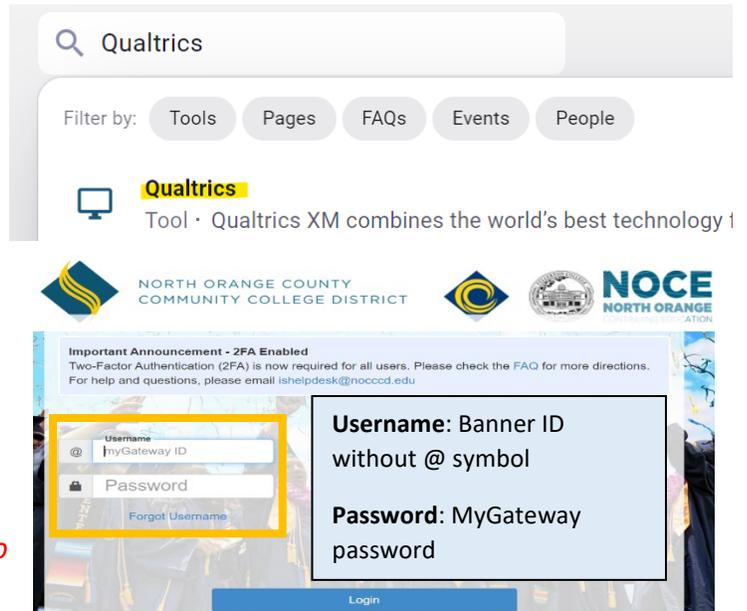

3. Click on **Qualtrics (Tool)**

Or, you can navigate directly to

<https://nocccd.qualtrics.com/>

4. If you are a returning user, you will be taken to the NOCCCD log-in page to authenticate with Two-Factor Authentication (2FA). Please check the [FAQ](#) for more directions.

First-time users, see below for instructions on how to set up an account.

First-time Users: Setting Up an Account

1. If this is the first time you have accessed Qualtrics, you will need to set up an account. Once you click the link for **Qualtrics – Online Surveys**, you should see a pop-up indicating this is your first time logging in.

Click on **“No, I don’t have a preexisting account here.”**

2. Clicking No should automatically create an account for you based on your My Gateway credentials. You will then see a screen saying “Your user was created successfully.” Click the **SIGN IN** button to get started in Qualtrics.
