**TO:** BOARD OF TRUSTEES

**DATE:** July 22, 2014

**SUBJECT:** Resolution No. 14/15-01, Resolution of the Board of Trustees of the North Orange Community College District Ordering an Election, and Establishing Specifications of the Election Order

Action	<u>X</u>
Resolution	<u>X</u>
Information	<u>  </u>
Enclosure(s)	<u>X</u>

**BACKGROUND:** The resolution before the Board calls an election within the District for the purpose of approving school bonds, to request the Orange County Registrar of Voters to conduct the elections on behalf of the District, and to authorize the preparation of election materials including ballot arguments and tax rate statement, to be included in the ballot pamphlet.

State law requires the Board of Trustees to order school district elections. The Orange County Registrar of Voters will conduct the elections on behalf of the District, including publishing all required notices. This resolution meets the statutory requirements for describing the projects to be funded with the proceeds of the bonds, which is included as Exhibit B to the resolution. A 75-word summary of the measure, as it will appear on the ballot, is also included in the resolution as Exhibit A. The resolution also authorizes the preparation and filing of a tax rate statement, which must be included in the ballot pamphlet, describing the anticipated rates of tax throughout the life of the bond issue. The resolution also authorizes, but does not commit, the Board and/or individual members of the Board to prepare and sponsor a ballot argument in support of the bond measure. No more than five (5) persons may sign the ballot argument.

This election will be called under constitutional and statutory provisions that require fifty-five percent (55%) voter approval, and certain accountability requirements, including annual independent financial and performance audits of how funds are spent, and the formation of a Citizens' Bond Oversight Committee. Following adoption, the resolution (including the signed tax rate statement) must be delivered to the Registrar of Voters and the Board of Supervisors. State law requires that 2/3<sup>rd</sup> of a school board support the resolution calling an election requiring 55% voter approval. At least five (5) Board members must be present and vote "Yes" in order to call the election.

**How does this relate to the five District Strategic Directions?** This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

**How does this relate to Board Policy:** N/A.

**FUNDING SOURCE AND FINANCIAL IMPACT:** The approval of the Resolution has no cost to be borne by the District. If the District is successful on placing the proposed bond election and that bond election passes, the District could receive \$574 million plus state bond dollars to implement recommendations contained in the NOCCCD 2011 Comprehensive Master Plan.

**RECOMMENDATION:** It is recommended that the Board adopt Resolution No. 14/15-01, Resolution of the Board of Trustees of the North Orange Community College District Ordering an Election, and Establishing Specifications of the Election Order, authorizing a bond election for November 4, 2014.

**RESOLUTION OF THE BOARD OF TRUSTEES OF THE  
NORTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT**

**RESOLUTION NO. 14/15-01, Resolution Of The Board Of Trustees Of The North Orange County Community College District Ordering An Election, And Establishing Specifications Of The Election Order**

WHEREAS, the Board of Trustees (the "Board") of the North Orange County Community College District (the "District"), representing Cypress College, Fullerton College, and the School of Continuing Education has determined that certain educational facilities and equipment at all of their locations need to be constructed, renovated, acquired and equipped, in a fiscally prudent manner, to enable the District to maintain Cypress College, Fullerton College, the School of Continuing Education, and the many community based locations of the District, as valuable community resources that provide an affordable, local education, offering educational opportunities to local students and veterans who desire to learn job skills and transfer to four-year universities; and

WHEREAS, since the costs of attending a U.C. and State college are becoming so expensive, more than six (6) times that of attending a community college, more students are relying on community colleges, such as Cypress College and Fullerton College, and the high quality, affordable college options they each provide; and

WHEREAS, in today's tough economic times and competitive job environment, the District must continue providing important training and education for local residents entering the workforce for new professions and increase opportunities for local students to earn college credits, certifications and job skills at a reasonable price; and

WHEREAS, the District has supported our military veterans, many of whom have recently returned from war zones and face post-traumatic stress disorder and permanent disabilities and need better access to job placement programs and facilities, and need to be trained or retrained as they re-enter the civilian workforce; and

WHEREAS, the District has initiated cost saving programs, including installing energy management systems to save money and maximizing facility use to reduce costs, and has redirected those savings to support instructional programs; and

WHEREAS, notwithstanding ongoing efforts to obtain sufficient facility money from the State, the State has been unable to provide the District with enough money for the District to adequately improve each of Cypress and Fullerton Colleges for all their students and that State facility funding is increasingly conditioned on the District's ability to locally fund a portion of the costs of college campus upgrades in a fiscally prudent manner; and

WHEREAS, such a local measure will include mandatory taxpayer protections, including an independent citizens' oversight of all funds and mandatory annual financial audits to ensure funds are spent only as authorized; and

WHEREAS, the Board and District has solicited stakeholder and community input on priorities from students, faculty, staff, business and civic leaders, and the community; and

WHEREAS, in the judgment of the Board, it is advisable to provide additional funding for attaining these goals, especially for training a qualified workforce to keep high paying jobs in our area and attract more high-tech jobs; and to improve facilities for course opportunities in nursing, science, technology, engineering, math and technical jobs training facilities by means of a general obligation bond issued in a financially prudent manner; and

WHEREAS, Proposition 46, approved by the voters of the State of California on June 3, 1986 ("Proposition 46"), amended Section 1(b) of Article XIII A of the California Constitution by adding a provision which exempts from the 1% of full cash value limitation, those *ad valorem* taxes used to pay for debt service on any bonded indebtedness for the acquisition or improvement of real property approved on or after July 1, 1978, by two-thirds of the votes cast by voters voting on the proposition; and

WHEREAS, on November 7, 2000, the voters of California approved the Smaller Classes, Safer Schools and Financial Accountability Act ("Proposition 39") which reduced the voter threshold for *ad valorem* tax levies used to pay for debt service or bonded indebtedness to 55% of the votes cast on a community college district general obligation bond; and

WHEREAS, concurrent with the passage of Proposition 39, Chapter 1.5, Part 10, Division 1, Title 1 (commencing with Section 15264) of the Education Code (the "Act") became operative and established requirements associated with the implementation of Proposition 39; and

WHEREAS, the Board desires to make certain findings herein to be applicable to this election order and to establish certain performance audits, standards of financial accountability and citizen oversight which are contained in Proposition 39 and the Act; and

WHEREAS, the Board determines that, in accordance with Opinion No. 04-110 of the Attorney General of the State of California, the restrictions in Proposition 39, which prohibit any bond money to be used for administrator salaries and other operating expenses of the District shall be strictly enforced by the District's Citizens' Oversight Committee; and

WHEREAS, pursuant to Education Code Section 15270, based upon a projection of assessed property valuation, the Board has determined that, if approved by voters, the tax rate levied to meet the debt service requirements of the bonds proposed to be

issued will not exceed the Proposition 39 limits per year per \$100,000 of assessed valuation of taxable property; and

WHEREAS, Section 9400 *et seq.* of the Elections Code of the State of California (the "Elections Code") requires that a tax rate statement be contained in all official materials, including any ballot pamphlet prepared, sponsored or distributed by the District, relating to the election; and

WHEREAS, the Board now desires to authorize the filing of a ballot argument by community members in favor of the proposition to be submitted to the voters at the election; and

WHEREAS, pursuant to the California Elections Code, it is appropriate for the Board to request consolidation of the election with any and all other elections to be held on November 4, 2014, and to request the Orange County Registrar of Voters to perform certain election services for the District; and

WHEREAS, in the judgment of the Board, it is advisable to request the Orange County Registrar of Voters to call an election pursuant to Proposition 39 on the question of whether general obligation bonds shall be issued and sold on behalf of the District for purposes set forth below.

NOW THEREFORE, THE BOARD OF TRUSTEES OF THE NORTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

**PROJECTS**

The Board of Trustees of the North Orange County Community College District, to be responsive to the needs of its community, evaluated each of Cypress College’s, Fullerton College’s and the School of Continuing Education’s urgent and critical facility needs, and its capacity to provide students, active military, and **Veterans** with **support** facilities, an **affordable education** and prepare them for success in **college** and careers. **Technical job training** facilities, safety issues, class size and offerings, and information and computer technology were each considered in developing the scope of projects to be funded, as such are outlined in the District’s 2011 Comprehensive Master Plan, incorporated herein by reference in its entirety (the “Master Plan”), and available for review on the District’s website ([www.nocccd.edu](http://www.nocccd.edu)). In developing the scope of projects, the faculty, staff, students and community have prioritized nursing, science, technology, engineering and math facilities, facilities supporting Veterans, and the expansion of opportunities for an affordable, quality education. In the course of developing the Master Plan public input was received from many constituents. It was concluded that if these facility needs were not addressed now, the District’s Colleges would be unable to remain competitive in preparing students for jobs in high demand industries and university transfer. The Board concluded that the longer they waited to repair and upgrade the Colleges the more expensive it would be. **In implementing the Master Plan, the Board of Trustees determines that Cypress College, Fullerton College and the School of Continuing Education MUST:**

- (i) **Improve nursing, science, technology, engineering, math and technical job training facilities;**
- (ii) **Train a qualified workforce to keep high paying jobs in our areas and attract more high-tech jobs;**
- (iii) **Prepare local students and returning Veterans for university and jobs;**

- (iv) Provide local students with an affordable, low-cost, high-quality education;
- (v) Improve educational resources and support services for Veterans;
- (vi) Adhere to stringent FISCAL ACCOUNTABILITY safeguards including:
  - (a) Sacramento will be prohibited from taking any of the funds raised,
  - (b) All expenditures will be subject to annual independent financial audits,
  - (c) No funds will be used for administrators' salaries and pensions,
  - (d) ALL FUNDS WILL BE SUBJECT TO LOCAL CONTROL,
  - (e) An independent citizens' oversight committee will be appointed to ensure that all funds are spent only as authorized.

## **CYPRESS COLLEGE**

### **Academic Facility and Technology Upgrade Projects to HELP Students and VETERANS** **Transfer to Four-Year Universities or be Trained For High Paying JOBS**

**Goal and Purpose:** Cypress College has a strong relationship with Los Alamitos Joint Forces Training Base and serves many local military veterans and their families. Many of them have recently returned from war zones and face challenges including post-traumatic stress disorder and permanent disabilities. This measure will upgrade and expand veterans services and facilities to ensure that returning service members receive the support they need to complete their education and enter the civilian workforce.

Further, with our area's employment opportunities expected to improve, this measure will allow Cypress College to provide more courses in emerging fields with added space and updated technology so that local students will develop the skills required to be competitive for high-skill positions at local businesses such as Toyota, Los Alamitos Medical Center and Kaiser.

- Upgrade facilities for career training in well-paying careers and transfer to universities.
- Improve facilities for course opportunities in nursing, science, technology, engineering and math and technical job training facilities.
- Install additional electrical service capacity to improve computer technology and Internet access.
- Upgrade technical training classrooms, labs and equipment to train qualified workforce to keep high paying jobs in our area and attract more high-tech jobs.

**Goal and Purpose:** Since the cost of attending a public university has risen to as much as six (6) times that of attending Cypress College, students rely on Cypress to save as much as \$40,000 in tuition on their way to a four-year degree. Therefore, keeping Cypress College's facilities upgraded will increase opportunities for local students to earn college credits, certificates and job skills at a reasonable price without being saddled with high interest loans for most of their lives.

- Prepare local students and returning Veterans for university and jobs.
- Repair decaying walls, drainage systems, lighting, heating, ventilation systems and leaky roofs.
- **Remove hazardous materials.**
- Implement ADA accessibility improvements throughout the campus' buildings, classrooms, and other facilities to ensure availability to persons with disabilities.
- Install and repair fire safety equipment including alarms, smoke detectors, sprinklers, emergency lighting and fire safety doors.
- Upgrade outdated electrical systems and wiring for computer technology and Internet access.
- Renovate, repair or replace outdated laboratories, classrooms, training centers and support facilities, many of which were built 50-60 years ago.
- **Upgrade**, update and replace **technology** and hardware systems.
- Upgrade and replace classroom instructional equipment.

**FULLERTON COLLEGE**

**Academic Facility and Technology Upgrade Projects to HELP Students and  
VETERANS Transfer to Four-Year Universities or be Trained For High Paying

**Basic Repair and Construction Projects To  
Provide Greater Access to an AFFORDABLE EDUCATION**

**Goal and Purpose: Since the cost of attending a public university has risen to as much as six (6) times that of attending Fullerton College, students rely on Fullerton to save as much as \$40,000 in tuition on their way to a four-year degree. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.

THE CITIZENS' OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, REPRESENTATION OF A BONA FIDE TAXPAYERS ASSOCIATION, A BUSINESS ORGANIZATION AND A SENIOR CITIZENS ORGANIZATION. NO DISTRICT EMPLOYEES OR VENDORS ARE ALLOWED TO SERVE ON THE CITIZENS' OVERSIGHT COMMITTEE.

SUBJECT: Chapter 2, Board of Trustees  
Chapter 5, Student Services  
Chapter 6, Business & Fiscal Affairs

**BACKGROUND:** In its Update #23, the Community College League of California revised several of the recommended board policies. On June 23, 2014, the District Consultation Council reviewed the following proposed, revised board policies and reached consensus to forward these to the Board of Trustees for adoption:

### **Chapter 2, Board of Trustees:**

Board Policy 2105, Election of Student Member(s): New subsection 1.3 and subsections 1.3.1 and 1.3.2 adding the option of filling a Student member vacancy by appointment or special election.

Board Policy 2315, Closed Sessions: The words “or abstention” were added in section 3.0 in compliance with the recently revised Brown Act reporting requirements.

Board Policy 2330, Quorum and Voting: A new Brown Act reporting requirement is to identify the vote of each Board Member by name in open session for any action items taken in either open session or closed session. Thus, section 3.0 now has an additional sentence indicating the Board will do as is now required.

### **Chapter 5, Student Services:**

Board Policy 5030, Fees: This policy was revised in section 1.2 to clarify allowable auditing fees.

Board Policy 5550, Speech: Time, Place, and Manner: This policy was revised to align with the requirements of Ed. Code Section 76120. In section 6.0, “in these parts of the college which are designated free speech assembly area(s)” was deleted. This does not mean that students can post anywhere on campus – it is spelled out in Administrative Procedures 5550, Speech, Time, Place, and Manner. District’s legal counsel has reviewed the proposed revisions and had no further revisions for this board policy.

### **Chapter 6, Business & Fiscal Affairs:**

Board Policy 6200, Budget Preparation: Section 2.3 was removed (definition of the District’s unrestricted general fund reserves) and inserted into Board Policy 6250, Budget Management.

Board Policy 6250, Budget Management: New section 2.0 was added, which reflects deleted section 2.3 from Board Policy 6200, Budget Preparation.

**How does this relate to the District-wide Strategic Plan?** This item responds to District Strategic IV: The District will implement best practices related to planning including; transparent decision-making processes, support of strategic and comprehensive planning activities at campus and district levels, and the allocation of resources to fund planning priorities.

**How does this relate to Board Policy?** This item is in accordance with Board Policy 2410, Policy and Administrative Procedures.

**FUNDING SOURCE AND FINANCIAL IMPACT:** Not applicable

**RECOMMENDATION:** It is recommended that the Board receive proposed, revised Board Policy 2105, Election of Student Member(s), Board Policy 2315, Closed Sessions, Board Policy 2330, Quorum and Voting, Board Policy 5030, Fees, Board Policy 5550, Speech: Time, Place, and Manner, Board Policy 6200, Budget Preparation, and Board Policy 6250, Budget Management, and direct that they be placed on the August 26, 2014, Board meeting agenda for action. Once adopted by the Board, the revised policies will be placed on the District's web site, where they will be readily accessible by students, employees, and the general public.

<b>SUBJECT:</b>	PeopleAdmin, Inc. Online Recruiting & Position Management Subscription Service Agreement		

**BACKGROUND:** Historically, the District has required all job applicants to complete a paper-based application and provide paper copies of required documents such as letter of interest, resume, transcripts, etc. In addition, the hiring committees have been asked to screen applicants on paper.

The Human Resources Department developed a set of functional requirements and viewed in-depth demonstrations presented by three vendors. The three vendors were evaluated based on the set of functional requirements and cost. PeopleAdmin, Inc. was chosen as the best fit for the District needs based on the functionality delivered and price. The subscription to this fully hosted online recruitment management system, onboarding, and position management system will provide online tools for human resources staff, applicants and hiring committees to manage the hiring process in an electronic format. Significant price reductions will be realized by subscription for three years, with an option to renew each year thereafter. Upon District election to terminate; the District will be responsible to pay a prorated amount for services through the date of termination.

The one-time and ongoing costs for this solution are:

Service	Three-Year Cost	One-Time Cost
PeopleAdmin Select 12 Recruiting	\$55,416	
PeopleAdmin Select 12 Position Management	\$27,708	
PeopleAdmin Implementation Services		\$22,386
PeopleAdmin Integration Services	\$12,000	\$10,000
<b>TOTAL</b>	<b>\$95,124</b>	<b>\$32,386</b>

This agenda item was submitted by Irma Ramos, Vice Chancellor, Human Resources.

**How does this relate to the five District Strategic Directions?** This item responds to Direction #4: The District will implement best practices related to planning including transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

**How does this relate to Board Policy:** This item is submitted in accordance with Board Policy 3720, Computer and Electronic Communication Systems and Board Policy 6340, Contracts.

**FUNDING SOURCE AND FINANCIAL IMPACT:** Funding will be provided from District services funds.

**RECOMMENDATION:** Authorization is requested to enter into an on-line recruiting and position management subscription service agreement with PeopleAdmin, Inc, for a three-year period beginning August 1, 2014, for an amount not to exceed \$127,510 and on terms and conditions acceptable to the District. Authorization is also requested for an option to renew the subscription service in subsequent years. Authorization is further requested for the Vice Chancellor, Finance & Facilities, or District Director, Purchasing, to execute the agreement on behalf of the District.
