Welcome to this meeting of the North Orange County Community College District Board of Trustees. Anyone wishing to attend this meeting may do so virtually via the YouTube link listed on the agenda.

Public comments for Zoom teleconference meetings will only be accepted via email. Submissions should be sent to chancellor@nocccd.edu with “Public Comment” noted in the email subject line and must be received by 5:00 p.m. the day of the Board meeting. All submissions received will be read into the record at the Board meeting and must comply with the three-minute time limit.

The Board of Trustees reserves the right to change the order of the agenda items as the need arises.

All Board meetings, excluding closed sessions, shall be electronically recorded.

AGENDA:

1. a. **Pledge of Allegiance to the Flag**
- b. **Board of Trustees Roll Call**
- c. **Comments: Members of the Audience:** The Board respects the rights of members of the public to comment on matters under its jurisdiction. Members of the public may address the Board via email submissions which must be received by 5:00 p.m. the day of the Board meeting. All submissions received will be read into the record at the Board meeting and must comply with the three-minute time limit. The Board does not condone any defamatory accusations or complaints, including remarks which reflect adversely on the political, religious, or economic views, character, or motives of any person. Members of the audience bear the sole legal responsibility for any defamation actions that may be brought as a result of their comments or allegations.
- d. **Consider Non-Personnel block-vote items indicated by [] in Section 3**
- e. **Consider Personnel block-vote items indicated by [] in Section 4**
Agenda items designated as block-vote items with [] are considered by the Board of Trustees to either be routine or sufficiently supported by back-up information so that additional discussion is not required. Therefore, there will be no separate discussion on these items before the Board votes on them. Block vote items will be enacted by one motion. An exception to this procedure may occur if a Board member requests a specific item be removed from block-vote consideration for separate discussion and a separate vote.

Public records related to the public session agenda, that are distributed to the Board of Trustees less than 72 hours before a regular meeting, may be inspected by the public by contacting the Chancellor’s Office.

- f. **Chancellor’s Report**

SUBJECT: Authorize Use of Piggyback Contract
Foundation for California Community
Colleges Contract No. CB-162-18

BACKGROUND: On November 26, 2019, the Board approved and adopted the Sherbeck Field Improvements Reduced Project Alternative. The Alternative would provide a facility with permanent bleachers and a press box, which are required for football games, and reduce costs associated with renting bleachers for the annual Fullerton College commencement ceremony.

Under Public Contract Code section 20652, the Board of Trustees of any community college district, without advertising bids, and when that Board has determined it to be in the best interests of the District, may authorize by contract to purchase materials and equipment utilizing a piggyback contract. The District would like to utilize the Cooperative Piggyback Contract No. CB-162-18 with the Foundation for California Community Colleges for the procurement and installation of bleachers and a press box at Fullerton College through KYA Services LLC in the amount estimated at \$1,600,000.

District Purchasing and legal counsel have reviewed the terms and conditions of the contract and finds it is in the best interest of the District to use the FCCC contract No. CB-162-18 for the purchase and installation of the bleachers and press box at Fullerton College. The purchase of the bleachers and press box through a piggyback contract will allow the design and construction of Sherbeck Field to proceed in a timely manner with expected construction completion by April 2022.

This agenda item was prepared and submitted by Jenney Ho, District Director, Purchasing and Oscar Saghie, Project Manager, Campus Capital Projects.

How does this relate to the five District Strategic Directions? This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

How does this relate to Board Policy: This agenda item is submitted in accordance with Board Policy 6330, Purchasing/Warehouse.

FUNDING SOURCE AND FINANCIAL IMPACT: The purchase and installation of bleachers and press box will be charged to Capital Outlay Fund.

RECOMMENDATION: Authorization is requested for the Board to approve the use of the Cooperative Piggyback Contract No. CB-162-18 with the Foundation for California Community Colleges for the procurement and installation of bleachers and a press box at Fullerton College through KYA Services LLC in the amount estimated at \$1,600,000. Authorization is further requested for the District Director, Purchasing, to execute the purchases on behalf of the District.

SUBJECT: Subscription agreement with Hobson for
Starfish Early Alert and Case
Management- Fullerton College Pilot

BACKGROUND: To address the on-going issue of student retention and success, Guided Pathways Workgroup #3 at Fullerton College recommends the adoption of a college-wide implementation of the early alert and case management tool, Starfish Enterprise Success Platform from Hobsons. The Connect & Engage package includes prospective student advising, early alert, case management (calendar/scheduling/kiosk), student intervention inventory and student-level analytics tools (retention score), as well as strategic and professional consulting services.

Starfish promotes communication between faculty, counseling, and classified staff with students, particularly improving communication with at-risk students. Inside the Starfish portal, students will be able to contact faculty and staff by simply “Raising their Hand” to request general assistance, help in a course, assistance with technology, make payments, and more.

The goals of this project are to:

- Assist students in being academically successful
- Help students achieve their educational goals
- Provide individually tailored assistance to students
- Engage students in their academic success

Before selecting Starfish, Guided Pathways workgroup #3 investigated technology tools at other institutions. They invited Hobson’s Starfish and EAB to present live demonstrations on campus in Fall 2019 and Spring 2020. A wide variety of faculty, counselors, classified staff and management attend these demo sessions; Starfish was the most recognized platform and will meet the College’s needs.

Starfish features appointment scheduling and task management abilities that will provide rich data on student visits to offices for every department on campus. Currently, many departments use non-integrated software and are not using the same platforms. Starfish enhances reporting analytics that are gathered within their Early Alert and other tools to develop improved reports for tracking student outcomes.

This transition to Starfish may eliminate the need for other software packages currently being used for case management, scheduling, data analytics, student discipline tracking and reporting, and student education planning.

StarFish software is available state-wide via the Community College Foundation at an attractive discount (30%). Because Fullerton College has been working with Hobson since last fall, they are offering additional discounts to Fullerton College. The total yearly fiscal impact for Fullerton College will be an annual fee of \$58,991 for year one, \$65,185 for year two, \$70,329 for year three, and \$96,046 for year four. Or, the four-year flat rate payment is \$72,638 annually. Fullerton College will be paying for all costs associated with implementing Starfish from the Guided Pathways grant.

While Fullerton College is the first out of the gate in piloting the Starfish software suite, both Cypress College and NOCE are interested and are currently engaged in further assessment of the suitability of the software.

This agenda item was submitted by Cherry Li-Bugg, Vice Chancellor, Educational Services and Technology.

How does this relate to the five District Strategic Directions? This item responds to the new District Strategic Direction on Student Experience & Success: NOCCCD will provide comprehensive support, equitable opportunities, co-curricular programming, and clear pathways to ensure that students achieve their educational and career goals.

How does this relate to Board Policy: This item is submitted in accordance with Board Policy 6330, Purchasing/Warehouse, and Board Policy 6340, Contracts.

FUNDING SOURCE AND FINANCIAL IMPACT: Guided Pathways Grant.

RECOMMENDATION: Authorization is request for the Board to approve the implementation, support, and maintenance agreement with Hobsons for Starfish at Fullerton College at an annual rate of \$72,368 for four years from October 2020 to September 2024. Authorization is further requested for the Vice Chancellor, Finance & Facilities or District Director, Purchasing, to issue a purchase order on behalf of the District.

SUBJECT: Deductive Change Order #1 for Bid Information
#1920-09, Fullerton College 300-500 Enclosure(s)
Sewer Replacement Project

BACKGROUND: The Board awards contracts for various public works projects. Public Contract Code §20659 requires Board approval for a Change Order to a Public Works Bid. The District has reviewed the Deductive Change Order #1 for Los Angeles Engineering in the amount of \$84,011.13. The deductive change order is for unused allowance. The original contract amount was \$499,500.00. The revised contract amount is \$415,488.87.

This agenda item was submitted by Oscar Saghie, Project Manager, Fullerton College Campus Capital Projects.

How does this relate to the five District Strategic Directions? This item responds to Direction #4: The District will implement best practices related to planning including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and District levels, and the allocation of resources to fund planning priorities.

How does this relate to Board Policy: This item is submitted in accordance with Board Policy 6600, Capital Construction.

FUNDING SOURCE AND FINANCIAL IMPACT: The deductive change order totaling \$84,011.13 will not be charged to any fund.

RECOMMENDATION: It is recommended that the Board approve the Deductive Change Order #1 for Bid #1920-09, Fullerton College 300-500 Sewer Replacement Project, with Los Angeles Engineering, in the total amount of \$84,011.13, reducing the contract amount from \$499,500.00 to \$415,488.87. Authorization is further requested for the Vice Chancellor, Finance & Facilities, or the District Director, Purchasing, to execute the deductive change order on behalf of the District.

SUBJECT:	Resolution No. 20/21-04, In Support of California Proposition 15: Schools and Local Communities Funding Act		

BACKGROUND: On November 4, 2020, Proposition 15 otherwise known as “California Schools and Local Communities Funding Act of 2020” will be put before voters in the general election.

The official summary from the office of the California Attorney General states that Prop 15: “Increases funding for K-12 public schools, community colleges, and local governments by requiring that commercial and industrial real property be taxed based on current market value. Exempt from this change: residential properties; agricultural properties; and owners of commercial and industrial properties with combined value of \$3 million or less.”

According to estimates developed by the California Teachers Association using current allocation formulas, based on aggregate revenue projections published by the USC Program for Environmental & Regional Equity, the North Orange County Community College District would receive over \$14 million a year under Prop 15.

How does this relate to the five District Strategic Directions? This item responds to District Strategic Direction #4: The District will implement best practices related to planning, including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and district levels, and the allocation of resources to fund planning priorities.

How does this relate to Board Policy: Not applicable.

FUNDING SOURCE AND FINANCIAL IMPACT: Not applicable.

RECOMMENDATION: It is recommended that the Board review Resolution No. 20/21-04, In Support of California Proposition 15: Schools and Local Communities Funding Act.

**RESOLUTION OF THE BOARD OF TRUSTEES OF THE
NORTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT**

**Resolution No. 20/21-04, In Support of California Proposition 15:
Schools and Local Communities Funding Act**

WHEREAS, for four decades, since the passage of Proposition 13 in 1978, school and community college districts in California have experienced underinvestment and devastating cuts causing California's school funding to fall behind and resulting in fewer services and resources for students and faculty; and

WHEREAS, the Schools and Local Communities Funding Act will also provide billions in funding annually for cities, counties, and special districts for affordable housing, parks, libraries, health and human services, libraries, and public infrastructure; and

WHEREAS, with more than 2.1 million students at 116 colleges, the California Community Colleges is the largest system of higher education in the country—training and educating today's workforce for jobs that lead to gainful employment and upward economic mobility; and

WHEREAS, the California Community Colleges serve approximately three times the combined enrollment of the University of California and California State University, yet it receives comparatively fewer resources; and

WHEREAS, the state has historically underfunded California's community colleges and our students on a per-student basis compared to the University of California and California State University; and

WHEREAS, California's community colleges serve a diverse student population that reflects the ethnic and racial makeup of the state, significant numbers of students who have learned English as their second language and non-traditional students who have gone back to school to build a better life for them and their families; and

WHEREAS, estimates by academic researchers at the University of Southern California (USC) estimate that the California Schools and Local Communities Funding Act reclaims \$12 billion in property tax revenue every year to ensure that our schools and communities have the resources to educate and support our students; and

WHEREAS, the measure invests about \$4.5 billion annually for school and community college districts, over and above Proposition 98 funding; and

WHEREAS, the Schools and Local Communities Funding Act will help alleviate the severe budget shortfalls caused by the economic crisis precipitated by the COVID-19 global pandemic and allow community colleges more options to serve their communities; and

WHEREAS, the California Community Colleges, because of this crisis, is facing a deferral of \$662.1 million this academic year to address a shortfall in revenues; and

WHEREAS, without additional federal support provided directly to the state, the colleges will be forced to absorb an additional \$791.1 million in cash deferrals this year as well; and

WHEREAS, California Community Colleges are facing a potential deferral of \$1.45 billion this year which will likely cause our community college districts to curtail vital programs and services to students and communities for years to come; and

WHEREAS, research has proven that investments in students raise achievement levels, lower poverty, and increase the productivity of the workforce; and

WHEREAS, the Schools and Local Communities Funding Act has qualified for the November 2020 ballot; and

WHEREAS, the California Schools and Local Communities Funding Act does not affect property taxes for homeowners or renters because the initiative exempts all residential property; and

WHEREAS, the measure levels the playing field for businesses that already pay their fair share in our communities and exempts all small business owners whose property is worth \$3 million or less.

NOW, THEREFORE, BE IT RESOLVED, that the North Orange County Community College District endorses Proposition 15: "The California Schools and Local Communities Funding Act of 2020" as it appears on the November 2020 ballot; and

BE IT FURTHER RESOLVED, that the North Orange County Community College District urges all California voters to support and vote for the passage of Proposition 15 in the November 2020 general election.

SUBJECT:	Resolution No. 20/21-05, In Support of California Proposition 16: Repeal Proposition 209, Affirmative Action Amendment		

BACKGROUND: On November 4, 2020, Proposition 16 otherwise known as “Repeal Proposition 209 Affirmative Action Amendment” will be put before voters in the general election. Proposition 16 is a constitutional amendment that would repeal Proposition 209, passed in 1996, from the California Constitution. Proposition 209 stated that discrimination and preferential treatment were prohibited in public employment, public education, and public contracting on account of a person's or group's race, sex, color, ethnicity, or national origin. Therefore, Proposition 209 banned the use of affirmative action involving race-based or sex-based preferences in California.

Without Proposition 209, the state government, local governments, public universities, and other political subdivisions and public entities would—within the limits of federal law—be allowed to develop and use affirmative action programs that grant preferences based on race, sex, color, ethnicity, and national origin in public employment, public education, and public contracting.

Prop 16 would reverse the ban on equal opportunity policies like affirmative action with the goal of eliminating discrimination in state contracts, hiring, and college admissions. A report by the Campaign for College Opportunity demonstrated that in 2016-17, only 25% of community college tenured faculty were African American or Latino, despite those populations making up a majority of our student body. Research indicates that students are more likely to be academically successful when taught by faculty from similar backgrounds; thus, the passage of Prop 16 would likely result in an increase in student access, success, and equity.

How does this relate to the five District Strategic Directions? This item responds to District Strategic Direction #4: The District will implement best practices related to planning, including: transparent decision-making processes, support of strategic and comprehensive planning activities at campus and district levels, and the allocation of resources to fund planning priorities.

RECOMMENDATION: It is recommended that the Board review Resolution No. 20/21-05, In Support of California Proposition 16: Repeal Proposition 209, Affirmative Action Amendment.

**RESOLUTION OF THE BOARD OF TRUSTEES OF THE
NORTH ORANGE COUNTY COMMUNITY COLLEGE DISTRICT**

**Resolution No. 20/21-05, In Support of California Proposition 16:
Repeal Proposition 209, Affirmative Action Amendment**

WHEREAS, Native American, Latinx, Black, Asian, Pacific Islander, and other people of color and women have historically faced racism and discrimination in the United States (U.S.), including the denial of equal opportunity in employment and equal access to higher education; and

WHEREAS, the U.S. government in the late 1960s established affirmative action policies to address discrimination and bias in hiring, government contracts, and access to higher education towards racial minorities and women; and

WHEREAS, the passage of Proposition 209 in 1996 amended the California Constitution by prohibiting the consideration of race, sex, and ethnicity in admission to public employment, public education, and public contracting; and

WHEREAS, Proposition 209 inhibited California state and local governments' ability to remedy the continuing effects of past discrimination through race-conscious programs, such as those designed to ensure access to higher education through the University of California, California State University, and California Community Colleges; and

WHEREAS, Proposition 209 deterred the California Community Colleges, California State University, and University of California from implementing race-conscious policies, services, and interventions in programs that increase student achievement such as counseling, tutoring, outreach, and financial aid; and

WHEREAS, the effect of Proposition 209 was to reduce the percentages of underrepresented students admitted to public institutions of higher education in California, placing it in direct conflict with the goals of the California Community Colleges Vision for Success by making it more difficult to close equity gaps; and

WHEREAS, within the community colleges, 73 percent of students are students of color, immigrants, or both, yet the majority of college faculty and staff are white; and

WHEREAS, empirical studies have repeatedly indicated that diverse faculty have a positive impact on student educational outcomes and produces students who are better prepared for leadership, citizenship, and professional competitiveness; and

WHEREAS, for California community colleges, the enactment of Proposition 209 has made it challenging to reflect the diversity of the student body through the hiring of diverse faculty, staff, and administration; and

WHEREAS, the repeal of Proposition 209 would additionally enable the California Community Colleges, California State University, and University of California campuses to target enrollment and support efforts to address the higher education opportunity, transfer, and completion gaps faced by Black, Latinx, and API students; and

WHEREAS, the passage of Proposition 16 on the November ballot will repeal provisions of Proposition 209 to allow public institutions to consider race and gender with the goal of eliminating discrimination in state contracts, hiring and college admissions; and

WHEREAS, the North Orange County Community College District is unwavering in its support and promotion of programs, initiatives, and policies designed to demand equity, inclusion, anti-racism, and social justice on its campuses.

NOW, THEREFORE, BE IT RESOLVED, that the North Orange County Community College District Board of Trustees supports Proposition 16, which would repeal provisions of Proposition 209 and reinstate affirmative action which will permit students, regardless of sex, race, ethnicity, or national origin, to access social and economic opportunities to achieve their highest potential; and

BE IT FURTHER RESOLVED, that the Board of Trustees authorizes the Chancellor to provide the Board's resolution to members of the State Legislature, statewide organizations, local community and business organizations and leaders, and others who can assist in securing passage of this amendment to the California constitution.

CHANCELLOR'S REPORT

- A. **Chancellor Marshall** thanked the campuses for the work they've done on the Black Lives Matter Task Forces and the reports they've created. We are in the process of reviewing those reports and creating a district-wide social justice framework that will include both value and action statements. Dr. Marshall also happily reported that since the return of some face-to-face courses, there have been no new COVID cases and expressed hope that continues. She thanked everyone for the work to date on social distancing, cleaning, and keeping everybody safe.

COMMENTS

- A. **Greg Schulz** recognized all of the classified professionals performing essential work on campus and remotely in support of the Fullerton College campus, students, and each other. He reported that the Colleges' OCTA Bus Program, currently in its second year, had 111,000 bus boardings by Fullerton College students in its first six months and despite the campus closure, students can still utilize OCTA buses throughout the county. He thanked Associated Students and staff who worked to adopt the program.
- B. **JoAnna Schilling** shared that she was on campus and thanked the Maintenance & Operations staff for continuing to keep the campus looking gorgeous, and was able to look at the first Cypress College outdoor study space in the Gateway Plaza which will open for students on September 14. The College will serve as a voting center during the November general election period and will be able to facilitate in-person voting in the Theater Lobby. Cypress College held its first on-campus drive-thru food distribution event, in partnership with NOCE and Pathways of Hope, and served 220 students. The College plans to continue to have them every Wednesday throughout the fall semester.
- C. **Valentina Purtell** thanked **Martha Gutierrez** and **Deb Perkins** who led the NOCE efforts on the Cypress College food distribution event, and reported that a similar event is planned at the Anaheim campus by late September or early October. She referenced NOCE data summarizing enrollment management efforts to continue to engage students during the transition to remote instruction and the use of student surveys to gauge feedback on interest and need. She shared that a recent finding demonstrated the contribution that NOCE makes to the economic development in Orange County: 2018-19 data showed that 857 students enrolled solely at NOCE attained an Orange County living wage. The figures are on par with those of credit colleges and clearly demonstrate the value of non-credit education.
- D. **Lisa McPheron** reported that DMA has changed the title of its Vice President to President Elect in order to ensure more collaboration, participation, and preparation. She expressed hope that the change will help move the needle to be an active anti-

racist organization by being intentional and increasing the representation of colleagues of color in leadership roles and providing opportunities to do so.

- E. **Jennifer Oo** congratulated the NOCE Pharmacy Technician Program who received notice that after their mid-cycle review the American Society of Health-System Pharmacists has allowed them to continue their accreditation without limitation. The NOCE Professional Development Committee has developed plans that are reflective of the current work environment and culture that include “First Friday” training events, faculty roundtable sessions, and a One Book, One School program. The first book selection is “Culturally Responsive Teaching and the Brain: Promoting Authentic Engagement and Rigor Among Culturally and Linguistically Diverse Students” by **Zaretta Hammond**. She concluded her report by thanking Cypress College for inviting NOCE to participate in the food distribution event for students.
- F. **Craig Goralski** reported that the Cypress College Academic Senate met on August 27 and received recommendations from the Black Lives Matter Task Force, approved the creation of an ad hoc committee to respond to the recommendations, and received a Title 5 grant update. He thanked **President Schilling** and **Chancellor Marshall** for implementing some of the Senate COVID-19 ad hoc committee’s recommendations and asked that they continue to work to implement the recommendations in order to protect faculty, students, and staff.
- G. **Kim Orlijan** reported that the Fullerton College Faculty Senate held a special meeting on August 27 and recommended that the Excused Withdrawal with Refund be used for all withdrawals and be made available until the Sunday before week 16, that the Pass/No Pass option be made available to students for all courses until the end of the semester, and that both be retroactive for Summer 2020. At its September 3 meeting, the Faculty Senate adopted three goals for the 2020-2021 academic year: create antiracist/equity task forces; begin to take/facilitate action based on the recommendations of the task forces, and revise the Faculty Senate Bylaws and Constitution. The Senate then created a number of antiracism and equity task forces to draft recommendations and an action plan to begin work this semester, and adopted an antiracism resolution.
- H. **Christie Diep** reported that United Faculty is moving forward on Black Lives Matter Oversight Task Force recommendations and will provide reports as work progresses. She asked the Board to think clearly about its priorities during this time of change, stated that a budget is a moral document and questioned how it is moral to try to use fringe money to serve two completely different purposes, shared a history of district budgets in relation to faculty compensation that reflects poorly on the District, and reiterated that the District is still the only district that doesn't provide dependent health coverage. She stated that faculty are unified in their quest for comparable salary and dependent health coverage, and that everyone must work together to be the premier district in all areas.
- I. **Dawnmarie Neate** expressed her appreciation to **President Schulz** and **President Schilling** for their kind words for classified staff. She reported on on-going negotiations related to the collective bargaining agreement which include salary and benefits, and shared that the CSEA negotiating team is available to answer trustee questions. CSEA will have a ratification vote on two new job descriptions and is also meeting to discuss a possible reopening of the Fullerton College Child Development Center.

- J. **Lauren Mata** reported on a recent webinar in celebration of the labor movement that included the history of the labor movement and the 20th anniversary of Adjunct Faculty United. She also reported on Title IX training for new adjunct faculty, an upcoming “Know Your Rights” webinar, and their first virtual public membership meeting.
- K. **Trustee Barbara Dunsheath** referenced a Los Angeles Times op-ed piece by **Ben Valdepena**, President of CSEA, about the value of classified employees and how other districts are laying off employees due to the pandemic. She emphasized that is not being discussed at NOCCCD. She shared that ACCT developed a diversity, equity, and inclusion checklist and implementation guide for community college boards. She recommended it as a tool in moving towards becoming more diverse, equitable, anti-racist and inclusive. She also reported that the Cypress College Foundation Scholarship Ceremony will take place on September 10.
- L. **Trustee Ryan Bent** requested information regarding when United Faculty last requested life insurance during negotiations and whether they had an approved budget that their membership voted on.

MINUTES: It was moved by Trustee Stephen T. Blount and seconded by Trustee Jeffrey P. Brown to approve the Minutes of the Regular Meeting of August 25, 2020. **Motion carried with Trustees Bent, Blount, Brown, Lopez, and Rodarte voting yes, including Student Trustees Reyes and Plavdjian’s advisory votes, and Trustee Dunsheath abstaining.**

FINANCE & FACILITIES

Item 3.a: By block vote, authorization was granted to ratify purchase order numbers P0140235 - P0141378 through August 8, 2020, totaling \$6,108,891.90, and check numbers C0051841 - C0052086, totaling \$166,417.99; check numbers F0263726 - F0263900, totaling \$512,352.23; check numbers Q0007323 - Q0007324, totaling \$63.20; check numbers 88506050 - 88506726, totaling \$16,714,645.32; check numbers V0031817 - V0031821, totaling \$12,788.14; check numbers 70110142 - 70110403, totaling \$48,658.66; and disbursements E8875749 - E8882680, totaling \$7,872,323.03, through August 31, 2020.

Item 3.b: The Board receive and reviewed the Quarterly Investment Report and the Irrevocable Retiree Benefits Trust Report for the quarter ended June 30, 2020.

Item 3.c: By block vote, authorization was granted to approve the use of the California Multiple Award Schedule Contract No. 3-18-70-1613C for audio-visual and computer related equipment purchased through Howard Industries, Inc.

Further authorization was granted for the District Director, Purchasing, to execute the purchases on behalf of the District.

Item 3.d: It was moved by Trustee Barbara Dunsheath and seconded by Trustee Jacqueline Rodarte to adopt the liability imposed by the Regents of the University of California’s proposed addendum to the Health Sciences Program Agreement for the COVID-19 Acknowledgment for On-Site Students.

During the discussion, some trustees expressed concern that the addendum exposes the District to liability for not only those members of the student’s household, but any relative that

may contract COVID-19 from the student participating in the clinical placements and dissatisfaction that the District would be responsible for the negligence of UCI.

Despite reservations, some trustees were supportive of the amendment due to certain factors: the number of students, time limit, students signing waivers, guarantees that students will not be working with patients that have COVID-19, the challenge to find clinical placements, the reputation of the UCI Medical Center, giving students the option to opt-out, the high burden of proof related to where COVID-19 was contracted and negligence, efforts to modify the agreement, and find alternative sites.

Subsequent to some trustees emphasizing their support with the caveat that they would not support another semester and that students should be made aware that in the future they will not be able to do their clinical placements at UCI, the **motion carried with Trustees Bent, Blount, Brown, Dunsheath, Lopez, and Rodarte voting yes, including Student Trustees Reyes and Plavdjian's advisory votes.**

Further authorization was granted to execute the Addendum to the Health Sciences Program Agreement for the COVID-19 Acknowledgment for On-Site Students.
