TERMS AND CONDITIONS

NOW, THEREFORE, the foregoing Recitals are all incorporated into this Agreement as terms and conditions hereof, and in consideration of the mutual promises and covenants contained herein, and other valuable consideration, receipt of which is hereby acknowledged by their signatures below, it is mutually agreed by and between the undersigned as follows:

ARTICLE I

CONSULTANT'S SERVICES AND RESPONSIBILITIES

1. The initial duration of this Agreement will be three years from the Effective Date, subject to two (2) one (1) year options exercisable at the District's option and in its sole discretion. Pursuant to

Education Code section 81644, this Agreement cannot extend beyond five years from its Effective Date.

2. Consultant's Services, and those services performed by Consultant's employees, subcontractors and sub-consultants, shall be performed competently, promptly and completely as required by the terms, standards and conditions set forth in this Agreement and as set forth in any Task Order issued hereunder. If this Agreement, and/or a Task Order issued hereunder does not expressly set forth the standard and manner by which the Services are required to be performed, then Consultant and Consultant's employees, subcontractors and sub-consultants shall perform such service in a manner that is consistent with professional skill and care of like professionals performing like services in California so as to not delay the orderly progress of the construction and/or other related work.

3. In addition to those representations, warranties and certifications made by Consultant as part of the RFP procurement, Consultant makes the following certifications, representations, and warranties for the benefit of the District, and Consultant acknowledges and agrees that the District, in deciding to engage Consultant pursuant to this Agreement, is relying upon the truth and validity of all such certifications, representations, and warranties, including the following certifications, representations and warranties and their effectiveness throughout the term of this Agreement and the course of Consultant's engagement hereunder:

- a. Consultant is qualified in all respects to provide to the District all of the Services contemplated by this Agreement and, to the extent required by any applicable laws, Consultant has all such licenses and/or governmental approvals as would be required to carry out and perform for the benefit of the District, such Services as are called for hereunder.
- b. Consultant, in providing the Services and in otherwise carrying out its obligations to the District under this Agreement, shall, at all times, comply with all applicable federal, state, and local laws, rules, regulations, and ordinances, including worker's compensation and equal protection and non-discrimination laws.

4. Consultant, upon receiving a notice to proceed from the District, shall be prepared to start providing Services within 24 hours and shall provide the District the Services and advice requested in a Task Order issued hereunder. The specific nature, extent and duration for such Services and advice will be set forth more particularly in a Task Order, a sample of which is entitled Exhibit "A" and attached hereto and incorporated herein by this reference. The Parties agree to be bound by all of the terms and conditions set forth in this Agreement and any and all Task Order(s). All Task Orders shall be governed by the terms and requirements of this Agreement. Any discrepancies or inconsistencies between this Agreement and a Task Order shall be interpreted and governed by the terms and conditions of this Agreement unless expressly stated to the contrary in a Task Order.

ARTICLE II

TERMINATION

1. This Agreement and/or any Task Order may be terminated by either Party upon seven (7) days written notice to the other Party in the event of a substantial failure of performance by such other Party, including insolvency of Consultant; or if the District should decide to abandon or indefinitely postpone the Services.

2. In the event of a termination based upon abandonment or postponement by District, the District shall pay to the Consultant for all Services performed and all expenses incurred under this Agreement and/or any Task Order supported by documentary evidence, including payroll records, and expense reports up until the date of the abandonment or postponement plus any sums due the Consultant for Board approved extra Services. In ascertaining the Services actually rendered hereunder up to the date of termination of this Agreement and/or any Task Order, consideration shall be given to both completed work and work in process

of completion and to complete and incomplete reports, studies and other documents whether delivered to the District or in the possession of the Consultant. In the event termination is for a substantial failure of performance, all damages and costs associated with the termination, including increased Consultant and replacement Consultant costs shall be deducted and/or off set from and against any payments that would otherwise be due to Consultant. This right and remedy to deduct and/or offset such damages and costs is not a limitation of the District's rights and remedies to collect such additional amounts not compensated by the right and remedy to deduct and offset set forth in this paragraph 2.

3. In the event a termination for cause is determined to have been made wrongfully or without cause, then the termination shall be treated as a termination for convenience in accordance with Article III, Paragraph 4 below, and Consultant shall have no greater rights than it would have had if a termination for convenience had been effected in the first instance. No other loss, cost, damage, expense or liability may be claimed, requested or recovered by Consultant.

4. This Agreement and/or any Task Order may be terminated without cause by District upon fourteen (14) days written notice to the Consultant. In the event of a termination without cause, the District shall pay to the Consultant for all Services performed and all expenses incurred under this Agreement or any Task Order supported by documentary evidence, including payroll records, and expense reports up until the date of notice of termination plus any sums due the Consultant for Board approved extra Services. In ascertaining the Services actually rendered hereunder up to the date of termination of this Agreement or any Task Order, consideration shall be given to both completed work and work in process of completion and to other documents whether delivered to the District or in the possession of the Consultant. In addition, Consultant will be reimbursed for reasonable termination costs through the payment of no more than 3% beyond the sum due the Consultant under this Paragraph through 50% completion of Consultant's Services being performed pursuant to a Task Order and if 50% completion is reached, payment of up to 3% of the unpaid balance of the Task Order to Consultant as termination cost upon provision of substantiating justification documents. This payment is agreed to compensate Consultant for the unpaid profit Consultant would have made under this Agreement and/or any Task Order issued hereunder on the date of termination and for any other damages. The Parties agree that this payment is separate and sufficient consideration for entry into this termination for convenience clause, and shall represent the exclusive compensation that Consultant is entitled to for such terminations.

5. In the event of a dispute between the Parties as to performance of the work or the interpretation of this Agreement, and/or any Task Order issued hereunder, or payment or nonpayment for work performed or not performed, the Parties shall attempt to resolve the dispute. Pending resolution of this dispute, Consultant agrees to continue the work diligently to completion. If the dispute is not resolved, Consultant agrees it will neither rescind the Agreement nor any Task Order issued hereunder nor stop the progress of the work and Services, but Consultant's sole remedy shall be to submit such controversy to determination by a court having competent jurisdiction of the dispute, after the Services pursuant to all previously issued Task Orders have been completed, and not before.

ARTICLE III

CONSULTANT'S REPORTS/ DOCUMENTS

The reports and/or other documents that are prepared, reproduced, maintained and/or managed by the Consultant or Consultant's subcontractors in accordance with this Agreement, shall be and remain the property of the District (hereinafter "Property"). The District may provide the Consultant with a written request for the return of its Property at any time. Upon Consultant's receipt of the District's written request, Consultant shall return the requested Property to the District within five (5) calendar days. Failure by Consultant to comply with this requirement shall be deemed a material breach of this Agreement and subject to termination for cause.

ARTICLE IV

ACCOUNTING RECORDS OF CONSULTANT

ARTICLE VI

ADDITIONAL SERVICES

1. Consultant shall notify the District in writing of the need for additional Services required due to circumstances beyond the Consultant's control before any such Services are performed. Consultant shall obtain written authorization from the District before rendering such Services. Should the Consultant fail to notify the District and obtain the District's approval before performing such Services, Consultant shall not be entitled to any compensation. The District may require Consultant to perform additional Services which are, in

the District's discretion, necessary. Compensation for such Services shall be negotiated and approved in writing by the District. Such Services may include:

3. Pre-Approved Amounts for Reimbursable Expenses: The amount(s) for the type of Reimbursable Expenses set forth above must be agreed to in advance of the issuance of a Task Order hereunder. Any amounts not agreed to in that manner shall be deemed a non-reimbursable expense and covered under the Consultant's Fee set forth in the task Order.

- e. The Parties understand and agree that Article VIII, Paragraph 1 of this Agreement shall be the sole indemnity, as defined by California Civil Code section 2772, governing this Agreement. Any other indemnity that is attached to this Agreement or referenced elsewhere shall be void and unenforceable between the Parties.

2. Consultant shall purchase and maintain policies of insurance with an insurer or insurers, qualified to do business in the State of California and acceptable to District which will protect Consultant and District from claims which may arise out of or result from Consultant's actions or inactions relating to the Agreement, whether such actions or inactions be by themselves or by any subcontractor or sub-consultant or anyone directly or indirectly employed by any of them, or by anyone for whose acts any of them may be liable.
