Dear President Schilling:

The Accrediting Commission for Community and Junior Colleges, Western Association of Schools and Colleges, reviewed in June 2019 the Follow-Up Report and related evidentiary materials submitted by Cypress College. The purpose of this review was to determine whether the College has appropriately responded to the issues as identified by the peer review team at the time of the last visit and as expressed in the Commission's Action Letter of January 26, 2018, and whether the College has demonstrated compliance with the related Standards.

Upon consideration of the information noted above, the Commission acted to **find compliance and reaffirm accreditation for the remainder of the cycle**. The Commission finds that Cypress College has addressed the compliance requirements, corrected deficiencies, and meets Standards II.A.2, II.A.9, and II.A.16. The next report from the College will be the Midterm Report¹ due on October 15, 2021. The institution's next comprehensive review will occur in the fall term of 2024.

The Commission requires the College to disseminate the Follow-Up Report and this letter within the institution, including by posting them on the College's website.

On behalf of the Commission, I wish to express appreciation for the diligent work and thoughtful reflection that Cypress College undertook to respond to these requirements. These efforts confirm that peer review can well serve the multiple constituencies of higher education by both ensuring and encouraging institutional quality and effectiveness.

If you have any questions about this letter or the Commission's action, please feel free to contact me or the vice president that has been assigned as liaison to your institution.

Sincerely,

Richard Winn, Ed.D.
President
