Public Works Projects Registration (PWC-100) for all Awarding Agencies

Welcome to the PWC 100 form online application page. The PWC 100 form should be completed by the awarding body. The completion and the submission of this form fulfills the required public works project award notification as required by Labor Code sec. 1773.3 (replacing former DAS-13 notification) and 8 Cal. Code Reg. sec. 16451(a).

An awarding body or body awarding the contract means department, board, authority, officer or agent awarding a contract for public work. In most cases the awarding body is a unit of state or local government, such as a city, county, school district, water district, special district, or a state agency. However, in some cases the body awarding the contract may be a private entity that uses public funds for a public works construction project.
