GENERAL INFORMATION

Public Contract Code §20651.5 permits the Governing Board of any community college district to require each prospective bidder for a contract, as described under §20651, to complete and submit to the community college district a standardized questionnaire and financial statement in a form specified by the community college district, including a complete statement of the prospective bidder's financial ability and experience in performing public works construction/improvement projects. In accordance with §20651.5, the North Orange County Community College District (District) has developed a Pre-qualification Application (Application), which must be completed in advance by all general contractors seeking to bid on District Projects. Special consideration must be given to the General Conditions page attached herein.

All firms interested in bidding as a General Contractor for the District's Projects must fully complete this Application, provide all materials requested herein, and be approved by the District. Three (3) copies of the Application are required to be submitted.

Answers to questions contained in the attached Standard Form of Questionnaire and Financial Statement are required, including a complete statement of prospective bidder's financial ability and experience in performing public works. These documents will be the basis of rating bidders with respect to the Projects. The District reserves the right to verify the information submitted by the applicant (Applicant) in any related documents, or by supplemental information or data as necessary. Omission of requested information can result in automatic disqualification.

In addition to prequalification by the District, all contractors must be registered with the Department of Industrial Relations (DIR) pursuant to Labor Code §1725.5 in order to be qualified, submit a bid on, or to perform work on a public project over \$1,000.00. At all times during performance of the Project, the bidder/contractor and all subcontractors, of any tier, must be registered with the DIR. Bids submitted by contractors not registered with the DIR will be rejected as non-responsive.

All costs associated with completion of the Application shall be borne by the Applicant. The District shall not, in any event, be liable for any expense incurred by the Applicant in connection with the preparation, completion or submission of the Application.

The questionnaire and financial statements are not public records and are not open to public inspection. All information provided will be kept confidential to the extent permitted by law. The District reserves the right to reject any and all prequalification questionnaires and to waive any irregularities in the information contained therein.

Each questionnaire must be signed by an individual who has the legal authority to bind the contractor on whose behalf that person is signing. If any information provided by a contractor becomes inaccurate, the contractor must immediately notify the District and provide updated accurate information in writing and under penalty of perjury.

PRE-QUALIFICATION PROCESS

The Application consists of three (3) primary review modules, which will be used to review the Applicants.

Module 1: The first module consists of a list of questions to which the Applicant must answer "Yes". If the Applicant answers "No" to any of the questions, the Application will automatically

be rejected. If the Applicant answers “Yes” to all of the questions, the Applicant will proceed to the Module 2.

Module 2: The second module consists of a list of “Rating Questions” all of which the Applicant must answer. If the Applicant’s score on Module 2 meets the minimum of at least 68 the applicant will proceed to Module 3. If not, the Application will be rejected.

Module 3: The third module consist of a list of reference interview questions, which will be asked of previous clients project contacts by Application Review Panel. If the Applicant’s score on Module 3 meets the minimum score of at least 120, the Application will be approved. If not, the Application will be rejected.

In summary, the Applicant must successfully pass all three modules in order for the Applicant to be pre-qualified. The following could result in denial of Pre-qualified status:

1. Failure to submit any material information required on the questionnaire.
2. Deliberate submission of false information.
3. Debarment or suspension by any public entity.
4. Conviction of a crime or public offense.
5. Failure to comply with SB854; register and qualify under the Department of Industrial Relations (<http://www.dir.ca.gov/Public-Works/PublicWorks.html>)
6. Any combination of substantive factors including, but not limited to, disregard of laws regulations, history of failure to perform in other contracts, unresolved tax liens, etc., consistent with this Prequalification Application, which in the sole discretion of the District, do not meet the standards of fitness or reliability expected from companies wishing to do business with the District.

Once the review and evaluation is complete, the applicant will be notified by letter whether the Pre-qualification has been approved or denied. Only Applicants for whom the Pre-qualification application has been approved will be permitted to submit a bid for the Project.

Prequalification is valid for a maximum of one year and expires on June 30 each year, at which time a prequalified contractor may fill out another application to extend their status through June 30 of the following year.

The District reserves the right to revoke the prequalified status of any contractor that is not performing appropriately on District projects or other projects. Any applicant denied has a right to appeal the decision. See page 26 for appeal process instructions.

NOTE: Prequalification pursuant to this Annual Prequalification of General Contractors does not preclude a General Contractor and/or prospective bidder from any project specific prequalification required by the District, nor is it a prerequisite for the same.

2. The District reserves the right to verify the information submitted by the Applicant, in any related documents, or by supplemental information or data as necessary. If it is determined that false information or data was submitted in conjunction with the Application, the District may deny Pre-Qualification, revoke previously granted approval, or, if an award has been made, terminate the contract.
3. All costs associated with completion of the Application shall be borne by the Applicant. The District shall not in any event be liable for any expense incurred by the Applicant in connection with the preparation, completion or submission of the Application.
4. The District reserves the right to extend the Application submission deadline if such action is determined to be in the best interest of the District.
5. The District's Purchasing Department has access to all information provided on the Application, related documents, and supplemental data. Should information or data provided in the Application indicate possible fraud, collusion, or intentional submission of false information, the matter may be referred to the District's Legal Counsel for further review and possible investigation independent of the Pre-Qualification process.
6. If the Applicant displays a significant lack of cooperation in facilitating verification of its information or providing data, the District, at its sole discretion, may deny the firm Pre-Qualification approval and declare the Applicant's bid or proposal to be non-responsive for the Project.

Any dispute arising out of this Application or relating to Pre-Qualification in general shall be heard and determined in the Superior Court of the State of California, County of Orange, or in the United States District Court for the Southern District of California. If an action is commenced against the District in jurisdictions other than the above courts, and the District is forced to compel compliance with this provision through court action, Applicant and its owners shall be liable for all expenses, including attorney's fees, incurred by the District in its effort to compel compliance.
9. The District reserves the right to revise the Application and instructions in whole or in part at any time.
10. The Pre-Qualification of a prospective Applicant shall neither limit nor preclude the District's subsequent consideration of a Pre-Qualified Applicant's responsibility on factors other than the prospective Applicant's financial qualifications. (See Public Contracts Code §20651.5)
11. A post-bid plan review will be carried out with the lowest responsible, responsive bidder and the Project Architect of Record. The District reserves the right to conduct a post-bid review with the second lowest responsible, responsive bidder if the first bidder's post-bid review results in the discovery of material clerical error(s).

PROCEDURE FOR APPEAL OF PRE-QUALIFICATION RESULTS

Any Applicant denied Pre-Qualification has a right to appeal the decision. The Applicant has five (5) business days from the date of the Denial Notification to file a written appeal with the District's Purchasing Department, at the Application submittal address shown above. The District will call to order a three-member Review Panel for appeals. None of the Review Panel members shall have participated in the prior review of the Application. Upon receipt of the written appeal, the Review Panel will meet to address the appeal. The Review Panel may consult with District counsel during its review. The Review Panel will examine the appeal and the facts surrounding the determination before making a decision. The Review Panel's decision is the final decision of the District. There are no further administrative appeals. The District's formal contract protest procedure is not applicable or available in this appeal process.
