### Medicare Parts A and B

NOCCCD's health contract requires all retirees to enroll in Medicare when you attain age 65 (if you qualify for parts A and B of Medicare whether through your own right or through a spouse). If you are qualified for Medicare Parts A and B and fail to enroll, your employee health coverage **will** be terminated.

For those employees who defer Part B coverage because they continue to work beyond age 65, the Social Security Administration (SSA) requires the employer to verify the final date of employment. The SSA will provide a form necessary for the District to complete. Submit form to HR/Benefits.

If you plan to retire before the age of 65, you must ensure all qualifications are met before applying for Medicare parts A and B.

If you need assistance in determining qualifications for Medicare, contact the Social Security Administration.

# **Dental and Vision Coverage**

If enrolled in one of the dental and/or vision plans offered by the District at the time of retirement, you are eligible to continue this coverage at your own cost. Dental and/or vision premium payments cannot be taken from your retirement check. Payments must be made payable to **NOCCCD** and directed to HR Office/Benefits.

If you choose to continue dental and/or vision coverage, you will be required to pay premiums on a quarterly cycle:

- July 1<sup>st</sup> through September 30<sup>th</sup>
- October 1<sup>st</sup> through December 31<sup>st</sup>
- January 1st through March 31st
- April 1st through June 30th

A dental and/or vision billing invoice will be sent shortly before your retirement date. If payment is not received, your dental and/or vision coverage **will** be terminated.
