

NOTICE OF PUBLIC HEARING – ADOPT CERTAIN FINDINGS
PREREQUISITE TO AWARD OF ENERGY SERVICE CONTRACT UNDER
GOVERNMENT CODE SECTIONS 4217.10 – 4217.18

The Board of Trustees for the North Orange County Community College District will hold a public hearing on September 24, 2019, for the purpose of taking public comment on, and considering and adopting a resolution making certain findings required for approval of a contract with Illuminart Group for the implementation of energy conservation measures including, but not limited to, replacing existing lighting fixtures with energy efficient lighting fixtures and systems in accordance with California Government Code sections 4217.10 through 4217.18. The District will also make findings that the cost to the District of the energy conservation measures described herein will be less than the anticipated marginal cost to the District of thermal, electrical, or other energy that would have been consumed by the District in the absence of such energy conservation measures, and to consider approval of an energy service contract with illuminart group in accordance with the Board's findings.
